Queenie And Wobbles:

Queenie and Wobbles Roger Bass,2004 Tells the story of how Queenie the dog helped save Wobbles the baby deer

Queen of Tarts 1 Lark Westerly,2021 Since her parents became grey nomads Queenie Hart was just about alone in the world Her strange obsession with all things Scottish in the weeks before Halloween was ruining her life While in the grip of the Caledonian Curse she insulted people and spent money she couldn't afford on bagpipe serenades She turned down a date with her perfect man angered her employers and pushed her landlady into giving her notice She and her little baking business Queen of Tarts would soon be homeless Queenie's luck changed when her dad's odd cousin found her a rent free home for three months The Belfry was a converted church and Queenie was soon embroiled with the attractive but married landlord and a man she knew as the Fixer The Fixer helped her whenever she needed but Halloween was coming Caledonia was calling and it was so the wrong time to be starting on a new romance *Queenie* Jacqueline Wilson,2013-01-31 It's 1953 the year Elizabeth is to be crowned Queen of England Elsie Kettle can't wait to go to London to see the celebrations on Coronation Day Elsie lives with her Nan her mum works as a showgirl so she's not around very often Spirited and imaginative but often lonely Elsie longs for a best friend Luckily she and Nan are very close Elsie just wishes she was allowed a cat to keep her company sometimes Then tragedy strikes Nan and Elsie both fall ill with tuberculosis and Elsie finds herself whisked away to the children's ward of the hospital Confined to bed for months on end Elsie finds it very hard to adapt to the hospital's strict regime But she invents astonishing ways of entertaining the other children on the ward and for the first time finds herself surrounded by true friends including Queenie the hospital's majestic white cat Finally Elsie is well enough to leave hospital But before she does she has one very special very unexpected visitor A master storyteller The Good Book Guide

Queenie's Major Problem Garland Ladd,2001-04-04 When severe guilt and depression afflicts a person life hardly seems worth living It overshadows everything else creating behavior and an attitude that conflicts with society at every turn Skills efficiency and personal relationships suffer and paranoia becomes a constant companion Major Ramsey the lead character in Queenie's Major Problem found himself in that dilemma at the age of thirty two just when his career had taken a meteoric rise His superior at a nationally known corporation empathized with Major recognized that there were valid reasons for his down state and gambled that Major might find himself given release from job pressures and demands of his community Thus the considerate superior offered Major an unpaid leave of absence from his position which became the vote of confidence that prevented Major from ending his misery with a bullet Although religious and moral Major didn't have Job's sound faith in God to sustain him during his period of mourning and self incrimination Self hate and desire for punishment completely dominated Major because everything pointed to him as being responsible for the deaths of his parents wife and two small children Their deaths happened in two separated incidents only six weeks apart removing the five people most important in his life He wanted to die and find relief from his pain but earnestly desired atonement for his sins and guilt before moving to

the hereafter whatever that might be in his case So when the offer of a leave of absence arose Major decided to sell everything he owned and use the meager proceeds to finance a year long trek of the United States shanks mare walking without purpose or destination living at only subsistence levels and punishing his body as just rewards for his transgressions to his family and society His year of trekking would end in finding peace and atonement or else the inevitable bullet would find the proper place to end his misery At the outset Major imposed difficult commandments for the road for himself and had an inkling that the trek would be demanding precisely the punishment he thought he deserved However he had no way of knowing where his travels would lead nor how the varied experiences he would face could impact his mental well being and future It began rudely when an unfriendly hunting dog peed on Major s sleeping bag while he cringed inside hoping not to be attacked Assaults by ants leeches and hoodlums added to his desired misery Other encounters quickly showed that many people have severe problems and he helped many of them over major life hurdles Those occasions caused him to look outwardly instead of inwardly and his self esteem began to rise A chance encounter with an attractive young lady created a new dimension to his life but neither she nor anything else deterred him from finding the relief he sought At the end of the test year Major was greatly affected by the numerous events during his trek some delightful some dangerous and harrowing and some were inspiring and uplifting Major concluded that he could reasonably expect a normal life even one that included painful memories and shame for his past sins One of his self imposed rules for the year was to completely sever ties with his former life and was unaware of surprising developments that had a bearing on his misery Crusades end eventually some in dignity and accomplishments some causing misery and some with the crusader finding his or her elusive Holy Grail Major s yearlong crusade ended with startling surprises with him finding a Holy

Skeletons & Scandals, Confessions of a Closet Medium Book 10 (A Supernatural Southern Cozy Mystery about a Reluctant Ghost Whisperer) Nyx Halliwell,2025-08-19 When a ghost haunts your kitchen you d better be ready to stir the pot I thought judging Thornhollow s Southern Spirits Cook Off would mean a weekend of casseroles

community spirit and a few tall tales about haunted grannies and secret family recipes I didn't expect a famous food blogger to drop dead after tasting my friend's cornbread casserole. And I definitely didn't expect to stumble across a skeleton in my attic let alone the ghost that came with it. Turns out a once famous local chef whose mysterious disappearance decades ago has become the stuff of Thornhollow folklore has been trapped there. Now her ghost has taken up residence in my kitchen rearranging spice racks leaving floury clues on the floor and demanding I solve the mystery of her death or she'll haunt my kitchen for eternity. With a poisoned casserole, a tin of recipes, hexes and blessings and a whole lot of Southern secrets bubbling to the surface I've got my hands full and a murderer in Thornhollow would rather I leave the past buried. If you love your mysteries served with a side of Southern sass, ghostly meddling and mouthwatering recipes, yes, there are recipes included. Grab your apron and join Ava in the kitchen. *Skeletons Scandals* is a cozy mystery packed with charm, chills and a whole lot of heart. Ready to stir up some trouble? Includes Southern recipes and a ghostly good time. Buy now and let's get cooking.

Christian Register and Boston Observer..., 1898 [Empress of the Night](#) Eva Stachniak, 2014-03-25 Perfect for readers of Hilary Mantel, Alison Weir and Philippa Gregory. *Empress of the Night* is Eva Stachniak's engrossing new novel told in the voice of Catherine the Great as the Romanov monarch reflects on her ascension to the throne, her rule over the world's greatest power and the sacrifices that made her the most feared and commanding woman of her time. A critically acclaimed historical drama and instant #1 international bestseller, *The Winter Palace* brilliantly reimagined the rise of Catherine the Great through the watchful eyes of her clever servant Varvara. Now in Eva Stachniak's enthralling new novel, Catherine takes center stage as she relives her astonishing ascension to the throne, her rule over an empire and the sacrifices that made her the most feared and commanding woman of her time. As the book opens, the charismatic monarch is in her final hours. From the fevered depths of her mind, Catherine recalls the fateful trajectory of her turbulent life: her precarious apprenticeship as Russia's Grand Duchess, the usurpers who seek to deprive her of a crown, the friends who beg more of her than she was willing to give, and her struggle to know whom to trust and whom to deceive to ensure her survival. We quarrel about power, not about love. Catherine would write to the great love of her life, Grigory Potemkin, but her days were balanced on the razor's edge of choosing her head over her heart. Power, she learns, is about resolve, strategy and direction; love must sometimes be secondary as she marshals all her strengths to steer her volatile country into a new century and beyond, to grow the Romanov empire, to amass a vast fortune and to control a scheming court in order to become one of history's greatest rulers. Gorgeously written with vivid detail and lyrical prose, *Empress of the Night* is an intensely intimate novel of a woman in charge of her fortunes who must navigate the sorrows, triumphs and hopes of both her soul and a nation. Praise for *Empress of the Night*: Eva Stachniak's absorbing novel opens readers' hearts to an extraordinary and misunderstood woman. Wonderfully lyrically written, Stachniak's story vibrates with passion, drama and intrigue. This is a feast for fans. RT Book Reviews: Stachniak's insight into the opulent lives of Russia's rulers continues in this reflective second novel. Historical fiction.

fans will appreciate this personal account of a formidable and indeed infamous ruler Library Journal The book takes on a dreamlike quality Ambitious moving structurally complex and psychologically intense vivid descriptions Quill Quire Stachniak brings to life one of the most fascinating and controversial female rulers of all time DuJour Empress of the Night casts light on Catherine s life with unflinching honesty and intimacy This fun novel of lovers intrigue and malicious and manipulative nobility keeps readers enthralled with every page Virtuoso Life
