Queens University And Not To Yield:

Queen's University Hilda Neatby, 1978-12-01 The figure of Grant inevitably dominates this volume but full recognition is given to other builders and preservers of Queen's notably William Snodgrass the pilot who weathered the storms of the Sixties and Seventies and Daniel Miner Gordon who presided over the secularization of the university in the early years of this century Outstanding scholars teachers and administrators such as Watson Williamson MacKerras Macnaughton Dupuis Shortt Cappon Goodwin and Chown also figure prominently The author examines in detail the role of the Board of Trustees the Senate and the undergraduate Alma Mater Society in the development of Queen's and explores the complex relationships with the Presbyterian Church the sister institutions in Toronto and the provincial government She shows how the distinctive character of Queen's was shaped by the Scottish heritage evident in an emphasis upon flexible curricula close faculty student relations and the virtues of student self government as well as in a sturdy independence in the face of repeated pressure for the concentration of higher education in Ontario Imbued with a warm appreciation of the traditions of Queen's University and a scholar's critical detachment this book is an important contribution to the history of institutional growth in Canada

Queen's University Frederick W. Gibson, 1983-10-01 The author emphasizes the role of individuals and yet makes it quite evident that by the time of her centenary in the early days of World War II Queen's had developed an organic vitality through which the vicissitudes occasioned by external fortunes or by internal tensions could be transcended Throughout the period covered by this volume Queen's faced a long hard struggle for adequate resources for research in terms of space equipment and most importantly faculty time the gradual development of graduate work and the building of library resources There was firm and creative leadership through the crises of the war and its aftermath and a renewal of optimism through the final decades of this history

Queen's University, Volume III, 1961-2004 Duncan McDowall, 2016-04-01 Founded in 1841 by a royal charter Queen's University evolved into a national institution steeped in tradition and an abiding sense of public service Propelled initially by its Presbyterian instincts and an attachment to Gaelic culture Queen's has prospered and adapted over the years to match Canada's ever changing dynamics In this third volume of Queen's University's official history Duncan McDowall demonstrates that the late twentieth century was a contest between expediency and tradition waged through crisis and careful evolution Testing Tradition calibrates the durability of Queen's vaunted traditions in the face of shifts in the broader Canadian society During this time of massive postsecondary expansion Queen's grew sevenfold from a small collegial campus of 3 100 students to a sprawling cosmopolitan place of more than 20 000 students from over 120 countries engaged in undergraduate graduate and professional programs Measuring Queen's University's responses to concerns over social diversity human rights and gender equity through the eyes of its trustees administrators students faculty and the Kingston community this volume pays particular attention to the experiences of women and visible minorities at the university Copiously illustrated with photographs of important people events and aspects of campus life this volume shows how Queen's

in having its traditions tested has worked to retain the best of its past while accepting the inevitability of change **Youth, University, and Canadian Society** Paul Axelrod, John G. Reid, 1989 Paul Axelrod and John Reid take the reader through one hundred years of the complex and turbulent history of youth university and society Contributors explore the question of how students have been affected by war and social change and discuss who was able to attend university and who was not showing how access to privilege has changed over the years **Getting Down to Business** Mervin Daub, Bruce Buchan, 1999 The year 1919 saw the death of former Prime Minister Laurier the birth of future Prime Minister Trudeau and at Queen's University in Kingston Ontario the introduction of Canada's first degree based program in business the Bachelor of Commerce by economist and later architect of Canada's public service O D Skelton *No Ordinary Academics* Shirley Spafford, 2000-01-01 Describes the circumstances and people that turned a department in an isolated prairie university into a thriving intellectual community that would nurture some of Canada's best minds *The Americanization of the Apocalypse* Donald Harman Akenson, 2023 In *The Americanization of the Apocalypse* Creating America's Own Bible Donald Harman Akenson examines the creation and spread of Dispensationalism a belief system that produced *The Scofield Reference Bible* the ur text of American apocalyptic evangelicalism **Gael Force** Mervin Daub, Bruce Buchan, 1996-08-22 *Gael Force* provides a wealth of interesting facts and engaging anecdotes as well as profiles and photographs of the coaches captains and players Merv Daub takes the reader through a century of Queen's football from the first Dominion championship in 1893 with Curtis and his boys through three consecutive Grey Cup wins in the 1920s the 1934-35 victory of the Fearless Fourteen the 1955 season when Gus Braccia Ronnie Stewart Gary Schreider Lou Bruce Al Kocman Jocko Thompson and the rest of that band of merry men brought Queen's back into the limelight the golden years of the 1960s to the 1978 and 1992 Vanier Cup championship seasons *Gael Force* is a tribute to the long standing football legacy at Queen's and an important historical and sociological study of college sport in Canada **Gael Force, Second Edition** Merv Daub, 2018-02-02 Football at Queen's University has one of the richest and longest histories of any sport in Canada The Golden Gaels have been a presence in Canadian football at both the amateur and professional levels since 1882 *Gael Force* traces this history chronicling the team's ups and downs and integrating them within the history of the university the country and the sport in general Providing a wealth of interesting facts and engaging anecdotes as well as profiles and photographs of the coaches captains and players Merv Daub takes the reader through more than a century of Queen's football Drawing from a wealth of sources Daub recounts the team's key milestones including their first Dominion championship in 1893 with Curtis and his boys three consecutive Grey Cup wins in the 1920s the 1934-35 victory of the Fearless Fourteen the 1955 season when Gus Braccia Ronnie Stewart Gary Schreider Lou Bruce Al Kocman Jocko Thompson and the rest of that band of merry men brought Queen's back into the limelight the golden years of the 1960s and the 1978 and 1992 Vanier Cup championship seasons Adding twenty more years of football history since *Gael Force* was first published in 1996 this new edition includes the 2016 season

played at the revitalized Richardson Stadium It is both a tribute to a long standing football legacy at Queen s and an important historical and sociological study of college sport in Canada **Cultures, Communities, and Conflict** Euthalia Lisa Panayotidis,Paul James Stortz,2012-01-01 Contributing to the social intellectual and academic history of universities the collection provides rich approaches to integral issues at the intersection of higher education and wartime including academic freedom gender peace and activism on campus and the challenges of ethnic diversity The contributors place the historical university in several contexts not the least of which is the university s substantial power to construct and transform intellectual discourse and promote efforts for change both on and off campus **Notes to the University of Toronto** Martin L. Friedland,2002-12-15 Two histories of the University of Toronto have been published one in 1906 and one in 1927 Since the latter volume appeared no comprehensive history of the University has been published Given the size of the University and the complexity of the task this is not entirely surprising But after sixty six years this gap in the intellectual history of Canada has been filled and we are delighted to announce publication in March of 2002 of Martin Friedland s new history of one of Canada s most important educational and cultural institutions The author of several books on legal history Professor Friedland brings to this task an accomplished eye and ear and a status as a long time member of the University community Professor Friedland s text is accompanied by over 200 maps drawings and photographs Published to coincide with the University s 175th anniversary The University of Toronto A History tells the story of the university in the context of the history of the nation of which it is a part weaving the stories of the people who have been a part of this institution people who make up a who s who in the history of Canada Anyone who attended the University or who is interested in the growth of Canada s intellectual heritage will enjoy this compelling and magisterial history Women in Higher Education, 1850-1970 E. Lisa Panayotidis,Paul Stortz,2017-09-19 This edited collection illustrates the way in which women s experiences of academe could be both contextually diverse but historically and culturally similar It looks at both the micro individual women and universities and macro level comparative analyses among regions and countries within regional national trans national and international contexts The contributors integrally advance knowledge about the university in history by exploring the intersections of the lived experiences of women students and professors practices of co education and intellectual and academic cultures They also raise important questions about the complementary and multidirectional flow and exchange of academic knowledge and information among gender groups across programmes disciplines and universities Historical inquiry and interpretation serve as efficacious ways with which to understand contemporary events and discourses in higher education and more broadly in community and society This book will provide important historical contexts for current debates about the numerical dominance and significance of women in higher education and the tensions embedded in the gendering of specific academic programs and disciplines and university policies missions and mandates The Lancet London ,1872 **Research Reporting Series** ,1972 **Livestock and the Environment** M. L. Rowe,Linda

Merryman,1976 *Parliamentary Papers* Great Britain. Parliament. House of Commons,1903 **Sessional Papers** Great Britain. Parliament. House of Commons,1903 Modern Church ,1892 The Queen's university calendar. 1876. ,1876

Plant Nutrition for Sustainable Food Production and Environment Tadao Ando,Kounosuke Fujita,Tadahiko Mae,Hideaki Matsumoto,Satoshi Mori,Jiro Sekiya,2012-12-06 In the history of the International Plant Nutrition Colloquium from its first meeting in 1954 this meeting the 13th Colloquium is the first to be held in Asia and will be the last in the 20th century The 20th century has seen huge changes in the number and activities of mankind Our population has increased from around 1 7 billion to more than 5 8 billion and technological innovations have completely altered our way of living As a consequence of such rapid change we are facing many problems including changes in our environment of a global scale But while food shortage has been a serious concern to mankind throughout our history serious food shortages in the 20th century have been confined to limited times and areas As Lester Brown discusses in this volume farmers have increased food production heroically on demand We the plant nutritionists should be proud of our support to the world s farmers which has helped them make their achievement possible During the 20th century the science of plant nutrition also has achieved great progress as described by Jack Loneragan it became established as a discipline firmly based in science defined the chemical elements supporting plant growth and has contributed to improvements in plant production and environmental quality as readers will find in many contributions in this volume
