Queer Commentary And The Hebrew Bible

Jo Henderson-Merrygold

Queer Commentary And The Hebrew Bible:

Queer Commentary and the Hebrew Bible Ken Stone, 2001-01-01 Essays exploring and explaining how queer reading makes a difference to biblical exegesis As with feminism theoretical questions arise such as whether such readings are characterized by certain questions or can only legitimately be done by gay or lesbian readers The contributors are drawn from a range of backgrounds and a variety of interests Jewish Christian agnostic male female heterosexual gay and lesbian and mostly concentrate on individual passages and books But the volume also contains some theoretical reflections and it ends with three critical responses from scholars with interdisciplinary interests on the place of queer reading of the Bible in broader contexts A book for anyone interested in contemporary issues of bible interpretation or in queer theory generally

The Queer Bible Commentary Deryn Guest, 2006 A uniquely comprehensive volume of queer theology that covers every book of both testaments It introduces students to a range of hermeneutical principles and strategies employed in queer interpretations of biblical texts

Practicing Safer Texts Kenneth Stone, 2005-05-30 This book uses the ubiquitous comparison between food and sex as a framework for examining a number of texts from the Hebrew Bible as well as later readings of those texts and interpretive issues raised by the texts A range of biblical texts in which both food and sex appear are analyzed in an interdisciplinary fashion with the help of both traditional tools of biblical scholarship and less traditional tools such as Queer studies and cultural anthropology By utilizing a reading lens that relates food and sex to one another intentionally rather than treating them separately the book will among other things question the tendency of readers of the Bible to overstress the gravity of sexual matters in relation to other matters of potential ethical theological exegetical and cultural concern such as food At the same time as the title Practising Safer Texts indicates the book also proposes a pragmatic approach to biblical interpretation that uses strategies of safer sex as a sort of loose model Such an approach assesses texts and readings of the Bible not in a universalizing fashion but rather in terms of their likely effects for good or ill on particular readers in particular contexts and situations just as notions of safer sex ask us to assess sexual acts not in a moralizing fashion but rather in terms of their likely effects on particular persons

The Queer Bible Commentary, Second Edition Mona West, Robert Shore-Goss, 2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture

The Oxford Handbook of Feminist Approaches to the Hebrew Bible Susanne Scholz, 2020-12-31 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading

international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies Organized into four major areas globalization neoliberalism media and intersectionality the essays collectively provide vibrant relevant and innovative contributions to the field The topics of analysis focus heavily on gender and queer identity with essays touching on African Korean and European feminist hermeneutics womanist and interreligious readings ecofeminist and animal biblical studies migration biblical studies the role of gender binary voices in evangelical egalitarian approaches and the examination of scripture in light of trans women s voices The volume also includes essays examining the Old Testament as recited in music literature film and video games The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally hermeneutically and exegetically cutting edge path for the ongoing development of biblical studies grounded in feminist womanist gender and queer perspectives

Torah Queeries Gregg Drinkwater, Joshua Lesser, David Shneer, 2009-10-28 A modernized queer reading of the Torah In the Jewish tradition reading of the Torah follows a calendar cycle with a specific portion assigned each week These weekly portions read aloud in synagogues around the world have been subject to interpretation and commentary for centuries Following on this ancient tradition *Torah Queeries* brings together some of the world s leading rabbis scholars and writers to interpret the Torah through a bent lens With commentaries on the fifty four weekly Torah portions and six major Jewish holidays the concise yet substantive writings collected here open up stimulating new insights and highlight previously neglected perspectives This incredibly rich collection unites the voices of lesbian gay bisexual transgender and straight allied writers including some of the most central figures in contemporary American Judaism All bring to the table unique methods of reading and interpreting that allow the Torah to speak to modern concerns of sexuality identity gender and LGBT life *Torah Queeries* offers cultural critique social commentary and a vision of community transformation all done through biblical interpretation Written to engage readers draw them in and at times provoke them *Torah Queeries* examines topics as divergent as the Levitical sexual prohibitions the experience of the Exodus the rape of Dinah the life of Joseph and the ritual practices of the ancient Israelites Most powerfully the commentaries here chart a future of inclusion and social justice deeply rooted in the Jewish textual tradition A labor of intellectual rigor social justice and personal passions *Torah Queeries* is an exciting and important contribution to the project of democratizing Jewish communities and an essential guide to understanding the intersection of queerness and Jewishness

Introducing a Hermeneutics of Cispicion Jo Henderson-Merrygold, 2024-06-13 A hermeneutics of cispicion challenges cisnormative presuppositions that shape and at times occlude the variations in gender and sex exhibited by key characters in the ancestral narrative of Genesis 12-50 It charts the progression from Paul Ricoeur s hermeneutics of suspicion through liberation feminist and queer approaches Focusing on Deryn Guest s queer and trans hermeneutics Henderson Merrygold then offers a new strategy for reading against fixed binary gender assumptions where a character s sex always matches that assigned at birth The initial case study addresses Sarah who is the proto matriarch of the ancestral narratives in Genesis Masculinities

contrast with femininities and Sarah's own agency makes the picture of a consistent gender hard to identify. By closely reading the text different facets of Sarah's story emerge to emphasise how much the narrative directs the reader towards a cisnormative reading. However, Henderson Merrygold shows it is not only the images of Sarah as feminine woman and mother that remain visible. The subject of the second case study Esau is regularly judged to be a hypermasculine character due to his bodily appearance but repeatedly fails to fulfil the expectations related to that appearance. Though often condemned as a poor example of hyper masculinity a cispositive reading identifies a richer and more nuanced figure. Attending to Esau's actions his rejection of the gendered expectations appears intentional allowing him to settle more comfortably into his own identity. This project advocates for and demonstrates the value of creative interpretations of biblical texts that challenge both malestream and feminist gender assumptions.

New Testament Masculinities Stephen D. Moore, J. C. a. Anderson, 2004

This collection considers themes of Christology patriarchy violence colonialism family structures and sexual practices as it explores the construction and performance of masculinity in the New Testament and related early Christian texts. Examining the Gospels Romans the Pastorals Revelation and the Shepherd of Hermas it situates diverse masculinities within a Greco-Roman matrix and introduces biblical scholarship to a rich vein of classical scholarship on gender. The contributors include Janice Capel Anderson David J. A. Clines Colleen M. Conway Mary Rose D'Angelo Page duBois Chris Frilingos Jennifer A. Glancy Maud W. Gleason Stephen D. Moore Jerome H. Neyrey Seong Hee Kim Jeffrey L. Staley Diana M. Swancutt Tat-siong Benny Liew and Eric Thurman. Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

[The Oxford Encyclopedia of the Bible and Gender Studies](#) Julia M. O'Brien, 2014

As the first major encyclopedia of its kind *The Oxford Encyclopedia of the Bible and Gender Studies* OEBGS is the go-to source for scholars and students undertaking original research in the field. Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is constructed in the diverse texts cultures and readers that constitute the world of the Bible. With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists classicists archaeologists and ancient historians this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible. The two-volume Encyclopedia contains more than 160 entries ranging in length from 1,000 to 10,000 words. Each entry includes bibliographic references and suggestions for further reading as well as a topical outline and index to aid in research. The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible.

Human Rights, Race, and Resistance in Africa and the African Diaspora Toyin Falola, Cacee Hoyer, 2016-10-04

Africans and their descendants have long been faced with abuse of their human rights most frequently due to racism or racialized issues. Consequently understanding shifting conceptualizations of race and identity is essential to understanding how people of color

confronted these encounters This book addresses these issues and their connections to social justice discrimination and equality movements From colonial abuses or their legacies black people around the world have historically encountered discrimination and yet they do not experience injustice opaquely The chapters in this book explore and clarify how Africans and their descendants struggled to achieve agency despite long histories of discrimination Contributors draw upon a range of case studies related to resistance and examine these in conjunction with human rights and the concept of race to provide a thorough exploration of the diasporic experience Human Rights Race and Resistance in Africa and the African Diaspora will appeal to students and scholars of Ethnic and Racial Studies African History and Diaspora Studies **The ^AOxford**

Handbook of the Prophets Carolyn Sharp,2016-09-01 This volume engages the cultural norms and theological convictions of ancient Israel in the shadow of the Egyptian Babylonian and Persian empires Essays explore ancient Near Eastern historical contexts interpret prophetic narratives and poetry offer feminist materialist and postcolonial readings and more Indispensable for scholars and students of the prophets **Polyamory and Reading the Book of Ruth** Deborah

Kahn-Harris,2023-11-02 Polyamory and Reading the Book of Ruth is based on a simple premise what if the Book of Ruth isn t a love story in the vein of modern rom coms but a different sort of love story Many people are conditioned to read romance stories as resolving into happily married dyadic couplings most often heterosexual But what if that s not how to read the Book of Ruth This book identifies a polyamorous hermeneutic and explores how it might be helpful in interpreting the Book of Ruth Drawing on developments in both feminist and queer biblical studies Deborah Kahn Harris offers a close textual reading that focuses in on a triadic basis for examining the relationships in the Book of Ruth The book closes with a contemporary targumic reimaging of the Book of Ruth that defines more clearly this polyamorous reading **Feminist Interpretation Of The Bible** Silvia Schroer,Sophia Bietenhard,2004-01-01 Since its origins in the women s liberation movement feminist

exegesis has been subject not only to the demand to identify the oppressive functions of biblical texts but also to contribute to the liberation of women What biblical texts can serve this process of liberation for which women under what conditions and in what manner What roles do categories such as woman gender liberation freedom Holy Scripture church and theology play This book originated from a symposium with feminist biblical experts from over twenty countries from five continents It provides a striking and imaginative depiction of the questions central to feminist exegesis and the hermeneutics of liberation It also provides a lively example of the kind of global discussion of the Bible and liberation that can take place among women from around the world Typical of this discussion is the confrontation with questions such as contextuality or the diversity of feminist biblical interpretation whether of theological or non theological nature and clear positions are taken with regard to issues such as the termination of anti Judaism in feminist biblical interpretation or the dangers of neo colonial domination in feminist theological studies **New Meanings for Ancient Texts** Steven L. McKenzie,John Kaltner,2013-01-01 As newer

approaches to biblical criticism become more established and influential it is essential that students and other serious

readers of the Bible be exposed to them and become familiar with them That is the main impetus behind the present volume which is offered as a textbook for those who wish to go further than the approaches covered in *To Each Its Own Meaning* by exploring more recent or experimental ways of reading from the introduction This book is a supplement and sequel to *To Each Its Own Meaning* edited by Steven L McKenzie and Stephen R Haynes which introduced the reader to the most important methods of biblical criticism and remains a widely used classroom textbook This new volume explores recent developments in and approaches to biblical criticism since 1999 Leading contributors define and describe their approach for non specialist readers using examples from the Old and New Testament to help illustrate their discussion Topics include cultural criticism disability studies queer criticism postmodernism ecological criticism new historicism popular culture postcolonial criticism and psychological criticism Each section includes a list of key terms and definitions and suggestions for further reading

The Bible and Posthumanism Jennifer L. Koosed, 2014-03-31 What does it mean and what should it mean to be human In this collection of essays scholars place the philosophies and theories of animal studies and posthumanism into conversation with biblical studies Authors cross and disrupt boundaries and categories through close readings of stories where the human body is invaded possessed or driven mad Articles explore the ethics of the human use of animals and the biblical contributions to the question Other essays use the image of lions animals that appear not only in the wild but also in the Bible ancient Near Eastern texts and philosophy to illustrate the potential these theories present for students of the Bible Contributors George Aichele Denise Kimber Buell Benjamin H Dunning Heidi Epstein Rhiannon Graybill Jennifer L Koosed Eric Daryl Meyer Stephen D Moore Hugh Pyper Robert Paul Seesengood Yvonne Sherwood Ken Stone and Hannah M Str mmen present an open invitation for further work in the field of posthumanism Features Coverage of texts that explore the boundaries between animal human and divinity Discussion of the term posthumanism and how it applies to biblical studies Essays engage Derrida Foucault Wolfe Lacan i ek Singer Haraway and others

A Handbook to Old Testament Exegesis William P. Brown, 2017-03-17 Designed for both Hebrew and non Hebrew students A Handbook to Old Testament Exegesis offers a fresh hands on introduction to exegesis of the Old Testament William P Brown begins not with the biblical text itself but with the reader helping students to identify their own interpretive lenses before engaging the biblical text Brown guides the student through a wide variety of interpretive approaches including modern methodologies feminist womanist Latino a queer postcolonial disability and ecological approaches alongside more traditional methods This allows students to critically reflect on themselves as bona fide interpreters While covering a wide range of biblical passages Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in depth

Studying Paul's Letters Joseph A. Marchal, 2012-04 Joseph A Marchal leads a group of scholars who are also experienced teachers in courses on Paul More than a series of how to essays in

interpretation each chapter in this volume shows how differences in starting point and interpretive decisions shape different ways of understanding Paul Each teacher scholar focuses on what a particular method brings to interpretation and applies that method to a text in Paul s letters aiming not just at the beginning student but at the tough choices every teacher must make in balancing information with critical reflection **Thinking Sex with the Great Whore** Luis

Menéndez-Antuña,2018-04-17 Many scholars in Biblical and Revelation studies have written at length about the imperial and patriarchal implications of the figure of the Whore of Babylon However much of the focus has been on the links to the Roman Empire and ancient attitudes towards gender This book adds another layer to the conversation around this evocative figure by pursuing an ideological critique of the Great Whore that takes into account contemporary understandings of sexuality and in so doing advances a de moralization of apparent sexual deviancy both in the present and in the past Offering an emancipatory reading of Revelation 17 18 using Foucauldian postcolonial and queer historiographies this study sets out alternative paths for identity construction in Biblical texts By using these alternative critical lenses the author argues that the common neglect of the ethical and political impact of Biblical texts in the present can be overcome This in turn allows for fresh reflection on the study of the Bible and its implications for progressive politics Situated at the intersection of Revelation Studies Biblical Studies and Hermeneutics as well as Contextual Liberationist Theologies and Queer and Postcolonial Criticism this is a cutting edge study that will be of keen interest to scholars of Theology and Religious Studies *Creation in Jewish and Christian Tradition* Henning Graf Reventlow,Yair Hoffman,2002-03-01 This volume brings together Jewish and Christian scholars with perspectives on Creation in the Bible Tanakh Old Testament New Testament in ancient Egypt and Israel and at Qumran as well as contemporary theological philosophical and political issues raised by the biblical Jewish and Christian concepts of creation **Adam, Eve, and the Genome** Susan Brooks Thistlethwaite, Explores the ethical issues posed by genetic engineering
