Queer Globalizations Citizenship And The Afterlife Of Colonialism:

Queer Globalizations Arnaldo Cruz, Martin F. Manalansan, 2002-08-15 The essays in this volume bring together scholars of postcolonial and lesbian and gay studies in order to examine from multiple perspectives the narratives that have sought to define globalization

Technofuturos Nancy Raquel Mirabal, Agustín Laó-Montes, 2007-01-01 Technofuturos challenges conventional notions of Latina o identities histories and cultures by historicizing and differentiating the multiple discourses of Latinidad

Wagadu Kathryn Coffey, 2015-02-04 Traditionally transnational feminists have examined the fields of gender sexuality and Lesbian Gay Bisexual Transgender Queer LGBTQ studies by critically addressing issues of colonialism white supremacy globalization capitalism and heterosexism Like most fields within higher education gender and sexuality studies womens studies and LGBTQ studies are still dominated by white scholars moreover these are predominately scholars from colonial western cultures Many universities and activist groups are arguing for a global queer community and movement for rights protection and freedoms for LGBTQ communities From the academy to the streets members of the LGBTQ community and their allies are challenging global heterosexism This special issue of Wagadu is dedicated to an interdisciplinary intersectional multi movement and multi dimensional critique of heterosexism from a global social justice queer perspective Regardless of the topic or whether from a practical or theoretical perspective all authors challenge the current paradigm of heteronormality that exists locally nationally and or globally in this special issue of Wagadu

Trans/acting Jacqueline Eyring Bixler, Laurietz Seda, 2009 This collection offer a series of new essays authored by leading scholars of Latin American and U S Latino theater as well as the performance script *Mexterminator vs The Global Predator* written by Guillermo Gomez Pena The fourteen essays focus on contemporary Latin American and U S Latino plays and performances and challenge the meanings of genre gender race cultural identity and performance itself in the context of globalization and shifting borders The concept of trans acting a term that connotes negotiation and or exchange provides the framework for essays that include such topics as tansculturation transnationalism transgender transgenre translation and adaptation These individual studies of contemporary theater and performance arts are complimented by trans actor Gomez Pena s *Mexterminator vs The Global Predator* a striking transgressive script that underscores the performance nature of territorial and symbolic border crossings Jacqueline Bixler is Alumni Distinguished Professor of Spanish at Virginia Tech Laurietz Seda is Associate Professor of Spanish at the University of Connecticut Storrs

The Blackwell Companion to Globalization George Ritzer, 2018-05-16 This companion features original essays on the complexity of globalization and its diverse and sometimes conflicting effects Written by top scholars in the field it offers a nuanced and detailed examination of globalization that includes both positive and critical evaluations Introduces the major players theories and methodologies Explores the major areas of impact including the environment cities outsourcing consumerism global media politics religion and public health Addresses the foremost concerns of global inequality corruption

international terrorism war and the future of globalization Wide ranging and comprehensive an excellent text for undergraduate and graduate students in a range of disciplines **The Ashgate Research Companion to Queer Theory** Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom

Transtopia in the Sinophone Pacific Howard Chiang, 2021-04-06 As a broad category of identity transgender has given life to a vibrant field of academic research since the 1990s Yet the Western origins of the field have tended to limit its cross cultural scope Howard Chiang proposes a new paradigm for doing transgender history in which geopolitics assumes central importance Defined as the antidote to transphobia transtopia challenges a minoritarian view of transgender experience and makes room for the variability of transness on a historical continuum Against the backdrop of the Sinophone Pacific Chiang argues that the concept of transgender identity must be rethought beyond a purely Western frame At the same time he challenges China centrism in the study of East Asian gender and sexual configurations Chiang brings Sinophone studies to bear on trans theory to deconstruct the ways in which sexual normativity and Chinese imperialism have been produced through one another Grounded in an eclectic range of sources from the archives of sexology to press reports of intersexuality films about castration and records of social activism this book reorients anti transphobic inquiry at the crossroads of area studies medical humanities and queer theory Timely and provocative *Transtopia in the Sinophone Pacific* highlights the urgency of interdisciplinary knowledge in debates over the promise and future of human diversity *Postcolonialism: A Guide for the Perplexed* David A. Jasen, Pramod K. Nayar, 2010-12-23 Guide To The often complex area of postcolonial theory and literature from its historical origins to contemporary critical thinking and issues *The Bloomsbury Introduction to Postcolonial Writing* Jenni Ramone, 2017-11-16 Covering a wide range of textual forms and geographical locations The Bloomsbury Introduction to Postcolonial Writing New Contexts New Narratives New Debates is an advanced introduction to prominent issues in contemporary postcolonial literary studies With chapters written by leading scholars in the field The Bloomsbury Introduction to Postcolonial Writing includes Explorations of key contemporary topics from ecocriticism refugeeism economics faith and secularism and gender and sexuality to the impact of digital humanities on postcolonial

studies Introductions to a wide range of genres from the novel theatre and poetry to life writing graphic novels film and games In depth analysis of writing from many postcolonial regions including Africa South Asia the Caribbean and Latin America and African American writing Covering Anglophone and Francophone texts and contexts and tackling the relationship between postcolonial studies and world literature with a glossary of key critical terms this is an essential text for all students and scholars of contemporary postcolonial studies **Language and Woman's Place** Robin Tolmach Lakoff,2004 Widely recognized as having inaugurated feminist research on the relationship between gender and language this revised edition includes an introduction and annotations by the author in which she reflects on some of the most widely discussed issues it raises Public Modalities Daniel C. Brouwer,Robert Asen,2010-04-06 Public Modalities introduces a dynamic framework for understanding how publics are formed transformed and expressed Through interdisciplinary case studies the book explores how people engage in public life via protest consumerism and digital media challenging static models of public discourse and offering new insights into identity access and political participation Postcolonial Hauntings Sushmita Chatterjee,2024-09-10 Often examined separately play and hauntings in fact act together to frame postcolonial issues Sushmita Chatterjee showcases their braided workings in social and political fabrics Drawing on this intertwined idea of play and hauntings Chatterjee goes to the heart of conundrums within transnational postcolonial feminisms by examining the impossible echoes of translations differing renditions of queer and the possibilities of solidarity beyond the fraternal friendships that cement nation states Meaning plays or slippages through language systems as we move from one language to another play a pivotal role in a global world As Chatterjee shows an attentiveness to meaning plays discerns the past and present here and there and moves us toward responsive ethics in our theories and activisms Insightful and stimulating Postcolonial Hauntings centers the inextricable work of play and hauntings as a braided ethics for postcolonial transnational struggles *Postcolonialism: A Very Short Introduction* Robert J. C. Young,2020-10-22 Postcolonialism explores the political social and cultural effects of decolonization continuing the anti colonial deconstruction of western dominance This Very Short Introduction discusses both the history and key debates of postcolonialism and considers its importance as a means of changing the way we think about the world Robert J C Young examines the key strategies that postcolonial thought has developed to engage with the impact of sometimes centuries of western political and cultural domination Situating the discussion in a wide cultural and geographical context he draws on examples such as the status of indigenous peoples of those dispossessed from their land Algerian rai music and global social and ecological movements In this new edition he also includes updated material on race slavery and postcolonial gender politics Above all Young argues that postcolonialism offers a political philosophy of activism that contests the current situation of global inequality which in a new way continues the anti colonial struggles of the past and enables us to decolonize our own lives in the present ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of

titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

LGBT Transnational Identity and the Media Christopher Pullen, 2012-02-29 Offering a critical introduction into LGBT lesbian gay bisexual and transgender transnational identity in the media this book examines performances and representations within documentary and fiction oriented texts An interdisciplinary approach is put forward revealing new potentials for non western queer identity

Handbook of Gentrification Studies Loretta Lees, Martin Phillips, 2018-04-27 It is now over 50 years since the term gentrification was first coined by the British urbanist Ruth Glass in 1964 in which time gentrification studies has become a subject in its own right This Handbook the first ever in gentrification studies is a critical and authoritative assessment of the field Although the Handbook does not seek to rehearse the classic literature on gentrification from the 1970s to the 1990s in detail it is referred to in the new assessments of the field gathered in this volume The original chapters offer an important dialogue between existing theory and new conceptualisations of gentrification for new times and new places in many cases offering novel empirical evidence

Francophone Literature as World Literature Christian Moraru, Nicole Simek, Bertrand Westphal, 2020-06-25 Francophone Literature as World Literature examines French language works from a range of global traditions and shows how these literary practices draw individuals communities and their cultures and idioms into a planetary web of tension and cross fertilization The Francophone corpus under scrutiny here comes about in the evolving markedly relational context provided by these processes and their developments during and after the French empire The 15 chapters of this collection delve into key aspects moments and sites of the literature flourishing throughout the francosphere after World War II and especially since the 1980s from the French Hexagon to the Caribbean and India and from Qu bec to the Maghreb and Romania Understood and practiced as World Literature Francophone literature claims with particular force in the wake of the litt rature monde debate its place in a more democratic world republic of letters where writers critics publishers and audiences are no longer beholden to traditional centers of cultural authority

Kinship Across the Black Atlantic Gigi Adair, 2019 This book combines insights from postcolonial queer and diaspora studies to consider the meanings of kinship in contemporary black Atlantic fiction Diasporic displacement generates new understandings and new narratives of kinship An analysis of kinship is thus essential to understanding diasporic modernity at the turn of the twenty first century

Legally Straight Joe Rollins, 2018 Argues that cultural conceptions of children and childhood played a key role in legalizing gay marriage Legally Straight offers a critical reading of the legal debates over lesbian and gay marriage in the United States The book draws on key judicial opinions to trace how our understanding of heterosexuality and marriage has changed Upon closer inspection it seemed that the cultural value of marriage was becoming tarnished and the trouble appeared to center on one very specific issue reproduction As opponents of lesbian and gay marriage emphasized the link between marriage and accidental

pregnancy the evidence mounted the arguments proliferated and resistance began to turn against itself Heterosexuality it seemed for a moment was little more than a set of palliative prescriptions for the worst of human behavior and children became the victims It thus became the province of the courts to reinforce the cultural value of marriage by resisting what came to be known as the procreation argument the assertion that marriage exists primarily to regulate the unruly aspects of heterosexual reproduction Cultural conceptions of children and childhood were being put at risk as gays and lesbians were denied marriage so that writing lesbian and gay families into the marriage law became the better option The Cambridge Companion to American Gay and Lesbian Literature Scott Herring,2015-05-19 This Companion examines the connections between LGBTQ populations and American literature from the late eighteenth to twenty first centuries It surveys primary and secondary writings under the evolving category of gay and lesbian authorship and incorporates current thinking in US based LGBTQ studies as well as critical practices within the field of American literary studies This Companion also addresses the ways in which queerness pervades persons texts bodies and reading while paying attention to the transnational component of such literatures In so doing it details the chief genres conventional historical backgrounds and influential interpretive practices that support the analysis of LGBTQ literatures in the United States *The Oxford Handbook of Latin American Social Movements* Federico M.
