Television Studies in Queer Times F. Hollis Griffin, 2023-05-09 This timely collection of accessible essays interrogate queer television at the start of the twenty first century The complex political cultural and economic milieu requires new terms and conceptual frameworks to study television and media through a queer lens Gathering a range of well known scholars the book takes on the relationship between sexual identity desire and television breaking new ground in a context where existing critical vocabularies and research paradigms used to study television no longer hold sway in the ways they used to The anthology sets out to confound conventional categories used to organize queer television scholarship like programming industry audience genre and activism Instead the anthology offers four interpretive frames historicity temporal play ideological limitation and industrial contextualization in the interest of creating new queer tools for studying digital television in the contemporary age This collection is suitable for scholars and students studying queer media studies television studies gender studies and sexuality studies **Queer Thriving in Catholic Education** Sean Whittle, Seán Henry, 2024-04-16 This book provides readers with the opportunity to go beyond anecdote and supposition in order to get a fuller grasp of research around Catholic education and LGBTQ matters This is an edited collection of chapters which explores LGBTQ matters in relation to Catholic education Although the field of Catholic Education Studies has grown exponentially over the past two decades little if any attention has been published specifically about the place of LGBTQ students and teachers in the context of Catholic education This edited book presents the various strands of research about Catholic education and LGBTQ inclusion More specifically this edited book of chapters addresses a number of broader themes including Is it possible for Catholic education to sit in harmony with the concerns of LGBTQ inclusive education What does it

mean to queer education at all How does this sit in relation to Catholic perspectives on the purpose of Catholic education When it comes to LGBTQ issues in relation to Catholic education what is the research agenda How might Catholic schools move beyond a pastoral accommodation approach to LGBTQ students What does the evidence from research in Catholic schools indicate Are they places of inclusion hospitality and welcome for LGBTQ young people

The Drag Queen of Elfland Lawrence Schimel, 2012 The Drag Queen of Elfland is a collection of fantastical stories imbued with a refreshingly queer sensibility These seventeen stories feature a lesbian werewolf taking back the night a gay vampire discovering the perils of going to the gym too many mirrors for starters a young lord's son undertaking a quest to obtain a magical sword and win the heart of the boy he loves and much more Sometimes funny sometimes moving sometimes sexy and always imaginative these stories show readers the secret worlds that lurk beneath the surface of our own

GenderQueer-Voices from Beyond the Sexual Binary Riki Wilchins, Joan Nestle, Clare Howell, Silvia Rivera, Susan Wright, Gina Reiss, 2020-08-12 When GenderQueer was first published in 2002 it was groundbreaking even inventing a new word for those whose voices had been hidden behind the walls of the gender binary Now finally it's republished and those voices are still fresh and compelling in a volume that can take its place as one of the field's early and most original classics Michael Kimmel SUNY Distinguished Professor of Sociology and Gender Studies Stony Brook University retired Perhaps more than any other issue gender identity has galvanized the queer community in recent years The questions go beyond the nature of male female to a yet to be traversed region that lies somewhere between and beyond biologically determined gender In this groundbreaking anthology first published nearly two decades ago three experts in gender studies and politics navigate around rigid societally imposed concepts of two genders to discover and illuminate the limitless possibilities of identity Thirty first person accounts of gender construction exploration and questioning provide the groundwork for cultural discussion political action and even greater possibilities of autonomous gender choices Joan Nestle is the cofounder of the Lesbian Herstory Archives in New York and the writer and editor of six books including the groundbreaking Women on Women series Riki Wilchins is the executive director of GenderPAC the national gender advocacy group and the cofounder of the Gender Identity Project of New York City's Lesbian and Gay Center She is the author of Read My Lips Sexual Subversion and the End of Gender Gender Theory Burn the Binary and TransGRESSIVE Clare Howell is a senior librarian at the Brooklyn Public Library

Q & A Queer And Asian David L. Eng, Alice Y. Hom, 1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q & A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and

gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation
