

REFRIGERATORS & REFRIGERATIONS

Refrigerators and Refrigerations

Refrigerators and Refrigerations are the most important of the modern household appliances. They are the only appliances that are used in the kitchen and the living room. They are the only appliances that are used in the bedroom and the bathroom. They are the only appliances that are used in the dining room and the parlor. They are the only appliances that are used in the study and the library. They are the only appliances that are used in the office and the factory. They are the only appliances that are used in the hospital and the school. They are the only appliances that are used in the church and the synagogue. They are the only appliances that are used in the government and the business. They are the only appliances that are used in the home and the world.
