Quest For Corvo Frederick Rolfe:

Quest for Corvo A. J. A. Symons, 1934 **The Quest for Corvo** A.J.A. Symons, 2001-03-31 One day in 1925 a friend asked A J A Symons if he had read Fr Rolfe s *Hadrian the Seventh* He hadn t but soon did and found himself entranced by the novel a masterpiece and no less fascinated by the mysterious person of its all but forgotten creator *The Quest for Corvo* is a hilarious and heartbreaking portrait of the strange Frederick Rolfe self appointed Baron Corvo an artist writer and frustrated aspirant to the priesthood with a bottomless talent for self destruction But this singular work subtitled an experiment in biography is also a remarkable self portrait a study of the obsession and sympathy that inspires the biographer s art **The Quest for Corvo** Alphonse James Albert Symons, 1955 **Weird of the Wanderer** Frederick Rolfe, 2003-02 Rolfe s book tells of explorations into various bizarre places such as the tombs of Egypt where his hero encounters a mummy Corvo: "saint Or Madman?" Donald Weeks, 1972 Biographical study of the life writings and eccentric personality of Frederick William Rolfe alias Baron Corvo Literature and the Politics of Post-Victorian Decadence Kristin Mahoney, 2015-06-09 In *Literature and the Politics of Post Victorian Decadence* Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de si cle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travelers from the previous century for whom twentieth century modernity was both baffling and disappointing However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women s sexual freedom and changing conceptions of sexual and gender identities *The Seduction of the Mediterranean* Robert Aldrich, 2002-09-11 Through an explanation of forty figures in European culture *The Seduction of the Mediterranean* argues that the Mediterranean classical and contemporary was the central theme in homoerotic writing and art from the 1750s to the 1950s Episodes of exile murder drug taking wild homosexual orgies and court cases are woven into an original study of a significant theme in European culture The myth of a homoerotic Mediterranean made a major contribution to general attitudes towards Antiquity the Renaissance and modern Italy and Greece **Wilde Discoveries** Joseph Bristow, 2013-12-06 The most significant resource for any researcher wishing to understand the finer details of Oscar Wilde s remarkable career the Oscar Wilde and His Circle archive at the University of California Los Angeles houses the world s largest collection of materials relating to the life and work of the gifted Irish writer Wilde Discoveries brings together thirteen studies based on research done in this archive that span the course of Wilde s work and shed light on previously neglected aspects of Wilde s lively and varied professional and personal life This volume offers fresh approaches to well known works such as *The Picture of Dorian Gray* while paying serious attention to his lesser known writings and activities including his earliest attempts at emulating the English Romantics his editing of *Woman s*

World and his fascination with anarchism A detailed introduction by the volume editor ties the essays together and illustrates the distinctive evolution of research on this great writer s extraordinary career *The Military Orders Volume VII* Nicholas Morton,2019-08-05 The Military Orders essay collections arising from the quadrennial conferences held at Clerkenwell in London have come to represent an international point of reference for scholars This present volume brings together twenty nine papers given at the seventh iteration of this event The studies offered here cover regions as disparate as Prussia Iberia and the Eastern Mediterranean and chronologically span topics from the Twelfth to the Twentieth century They draw attention to little used textual and non textual sources advance challenging new methodologies and help to place these military religious institutions in a broader context **Catholic Converts** Patrick Allitt,2018-08-06 From the early nineteenth to the mid twentieth century an impressive group of English speaking intellectuals converted to Catholicism Outspoken and gifted they intended to show the fallacies of religious skeptics and place Catholicism once again at the center of western intellectual life The lives of individual converts such as John Henry Newman G K Chesterton Thomas Merton and Dorothy Day have been well documented but Patrick Allitt has written the first account of converts collective impact on Catholic intellectual life His book is also the first to characterize the distinctive style of Catholicism they helped to create and the first to investigate the extensive contacts among Catholic convert writers in the United States and Britain Allitt explains how despite the Church s dogmatic style and hierarchical structure converts working in the areas of history science literature and philosophy maintained that Catholicism was intellectually liberating British and American converts followed each other s progress closely visiting each other and sending work back and forth across the Atlantic The outcome of their labors was not what the converts had hoped Although they influenced the Catholic Church for three or four generations they were unable to restore it to the central place in Western intellectual life that it had enjoyed before the Reformation [The Quest for Corvo](#) Alphonse James Albert Symons,1952 **Twentieth Century Fiction** George Woodcock,1983-04-01 *The Quest for Corvo* A.J.A. Symons,1992 **Child of Another Century** Ronald Waterhouse,2013-03-27 The 20th century saw a period of enormous legal and social change in Britain In these engaging memoirs Ronald Waterhouse who sat as one of Britain s leading High Court Judges provides fascinating frontline insights into the complex British legal system Waterhouse took silk in 1969 and became a High Court judge in 1978 in the Family Division transferring to the Queen s Bench in 1988 where he presided over well known trials such as those of Ken Dodd and Derek Hatton Libel including reading libel for Private Eye with Richard Ingrams and Paul Foot civil and personal injury work were a prominent part of his practice After his retirement he was appointed Chairman of the Tribunal of Inquiry into Child Abuse in North Wales Children s Homes in 1996 It was during this time that he went onto lead the biggest inquiry into child abuse ever held in Britain publishing the highly significant and influential report Lost in Care in 2000 From his early career as a barrister at Middle Temple which saw his involvement in high profile cases such as the notorious Moors Murders in the 1960s and Slater Walker in the 1970s to his

later work as a Judge Waterhouse here presents a detailed and authoritative narrative of British jurisprudence in the second half of the 20th century This unique insider s view will fascinate general readers and prove essential reading for specialists

69 Things To Do With A Dead Princess Stewart Home,2012-03-01 This is where the novel has a nervous breakdown Anna Noon is a twenty year old student with a taste for perverse sex involving an enigmatic older man and a ventriloquist s dummy Anna lives in Aberdeen and her sex life revolves around the ancient stone circles in the region The sublime grandeur of the stones provides a backdrop against which Anna is able to act out her provocative psychodramas The Counterfeiters Hugh Kenner,2005 Wide ranging enough to encompass Buster Keaton Charles Babbage horses and a man riding a bicycle while wearing a gas mask The Counterfeiters is one of Hugh Kenner s greatest achievements In this fascinating work of literary and cultural criticism Kenner seeks the causes and outcomes of man s ability to simulate himself a computer that can calculate quicker than we can and his world a mechanical duck that acts the same as a living one This intertwining of art and science of man and machine of machine and art is at the heart of this book He argues that the belief in art as a uniquely human expression is complicated and questioned by the prevalence of simulations or counterfeits in our culture Kenner with his characteristically accessible style and wit brings together history literature science and art to locate the personal in what is an increasingly counterfeit world Novelists and Prose Writers James Vinson,D.
