Joyce,2000 Building on his bestselling Celtic Christianity Timothy Joyce shows how the spiritual worldview of the ancient Celtic church might breathe renewal and healing into the lives of Christians today Joyce begins by tracing the traumas that transformed the culture of Celtic Christianity into the more familiar Irish Catholicism of the past century For many people this form of Christianity is associated with feelings of anger shame and guilt Many have responded by turning their backs on a tradition that was often intolerant moralistic and closed Father Joyce addresses these restless seekers showing how the ancient traditions of Celtic Christianity offer hope for a contemporary life giving spirituality The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski,2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today s world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely The Bloomsbury Guide to Christian Spirituality Peter Tyler,Richard Woods,2012-08-30 A scholarly yet accessible introduction to Christian Spirituality What is Christian Spirituality How does it relate to non Christian traditions Where does it arise from and where is it going These are some of the key questions addressed in this innovative new guide from Bloomsbury The Bloomsbury Guide to Christian Spirituality is written by foremost academics in their fields who distill their knowledge for a wide intelligent audience They do this with huge skill and attention to the needs of modern readers Appealing equally to those studying the tradition for religious formation or those wishing to acquaint themselves with this fascinating subject this guide is destined to become an essential text in the field **The Cambridge Dictionary of Christianity, Volume One** Daniel Patte,2021-10-06 The Cambridge
