Vision's Quest Alice Emma Sauerwein Lord,1899 **The Historical Jesus of the Gospels** Craig S. Keener,2012-04-13
The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in
their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by
many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the
material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of
the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish
setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a
fuller portrait of the Jesus who lived in history
