Catalogue of printed books. 31 December 1885 Foreign office libr,1864 *British imperialism in Cyprus, 1878-1915* Andrekos Varnava,2017-03-01 This book explores the tensions underlying British imperialism in Cyprus Much has been written about the British Empire s construction outside Europe yet there is little on the same themes in Britain s tiny empire in Europe This study follows Cyprus progress from a perceived imperial asset to an expendable backwater by explaining how the Union Jack came to fly over the island and why after thirty five years the British wanted it lowered Cyprus importance was always more imagined than real and was enmeshed within widely held cultural signifiers and myths British Imperialism in Cyprus fills a gap in the existing literature on the early British period in Cyprus and challenges the received and monolithic view that British imperial policy was based primarily or exclusively on strategic military considerations The combination of archival research cultural analysis and visual narrative that makes for an enjoyable read for academics and students of Imperial British and European history *Catalogue of the library of the Peabody institute of the city of Baltimore ...* Andrew Troeger,John Parker,2024-01-06 Reprint of the original first published in 1883 **Catalogue of the Library of the Peabody Institute of the City of Baltimore** Anonymous,2025-08-01 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Toward a Usable Past* Paul Finkelman,Stephen E. Gottlieb,2009-09-01 The United States Supreme Court s relegation of many rights to definition under state constitutional law combined with the tendency of recent administrations to entrust the states with the task of preserving individual rights is increasingly making state constitutions the arena where the battles to preserve the rights to life liberty property due process and equal protection of laws must be fought Ranging in time from the late 1700s to the late 1900s *Toward a Usable Past* offers a series of case studies that examine the protection afforded individual rights by state constitutions and state constitutional law As it explores the history of liberty at the state level this volume also investigates the promise and risks of turning to state constitutions to guarantee and expand individual rights In this book major scholars and legal practitioners discuss state protections of civil liberty and ponder the contemporary implications of the state record The cases examined cover topics ranging from religion in schools during the Federalist era to criminal justice in the late nineteenth century from racial integration in Kansas before *Brown v Board of Education* to legal battles over birth control in the Connecticut Supreme Court The introduction presents the historical and contemporary significance of the topic and traces the evolution of the federal constitutional law establishing the parameters of state regulation of individual rights Bulletin of the United States Geological and Geographical Survey of the Territories Geological and Geographical Survey of the Territories (U.S.),1880 Synopsis of the Cactaceae of the Territory of the United States and Adjacent Regions George Engelmann,1856 **Report of the United States Entomological Commission for the Years ...** United States
