Question Of Equality Lesbian And Gay Politics In America Since Stonewall:

The Question of Equality David Deitcher,1995 The Question of Equality accompanies the public television documentary series of the same name the first ever to deal with this subject and scheduled to air in October 1995 But this book has been conceived from the start to exceed the scope of the series with archival and contemporary photos works of art and poetry comic strips and original chapter length essays by four noted authors

Political Institutions and Lesbian and Gay Rights in the United States and Canada Miriam Smith,2008-08-18 This book examines why the US and Canada have produced such divergent policy outcomes in affording rights to their gay and lesbian citizens Smith s contribution will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond

The Politics of Gay Rights Craig A. Rimmerman,Kenneth D. Wald,Clyde Wilcox,2000-07 The contributors to this volume thoroughly investigate the politics of the gay and lesbian movement beginning with its political organizations and tactics The essays also address the strategies and ideology of conservative opposition groups

Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers,2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality

The A to Z of the Lesbian Liberation Movement JoAnne Myers,2009-08-20 The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy s assumption of male supremacy and heterosexuality Over the years much has been written on homosexuality and the Gay Liberation Movement yet much of the focus has been on male homosexuals especially male homosexual activity and the politics that activity raises The A to Z of the Lesbian Liberation Movement Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements the Lesbian Liberation Movement This book helps to make the still active movement visible the history successes setbacks controversies and issues This book is a good resource for those studying this social political movement containing a chronology contextual overview

dictionary entries that cover persons laws terminology issues and countries and an extensive bibliography of primary resources and current work

Queer Fictions of the Past Scott Bravmann,1997-10-09 In *Queer Fictions of the Past* Scott Bravmann explores the complexity of lesbian and gay engagement with history and considers how historical discourses animate the present Characterising historical representations as dynamic conversations between then and now he demonstrates their powerful role in constructing present identities differences politics and communities In particular his is the first book to explore the ways in which lesbians and gay men have used history to define themselves as social cultural and political subjects

Q & A Queer And Asian David L. Eng,Alice Y. Hom,1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned

the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation

Beyond the Closet Steven Seidman, 2013-10-18 Gay life has become increasingly open in the last decade In *Beyond the Closet* Steven Seidman a well known author and leading scholar in sexuality is the first to chronicle this lifestyle change and to look at the lives of contemporary gays and lesbians to see how their out status has changed This compelling well written and smart account is an important step forward for the gay and lesbian community

Good and Mad Rebecca Traister,2023-09-12 In the year 2018 it seems as if women's anger has suddenly erupted into the public conversation But long before Pantsuit Nation before the Women's March and before the MeToo movement women's anger was not only politically catalytic but politically problematic The story of female fury and its cultural significance demonstrates the long history of bitter resentment that has enshrouded women's slow rise to political power in America as well as the ways that anger is received when it comes from women as opposed to

when it comes from men **Gender, Ethnicity, and Sexuality in Contemporary American Film** Jude Davies, Carol R. Smith, 2013-09-13 Hollywood has devoted big budgets and established stars to films about controversial issues in the last ten years Identities considered marginal have come into prominence on the big screen The authors of this title look at the issues raised by these developments bring together debates in identity politics with film studies and launch an innovative theorization of the cinematic representation of identity Movies from Forrest Gump to Philadelphia from Malcolm X to Falling Down have been specifically concerned with multiculturalism and identity politics This book is concerned with the meanings put into circulation by these mainstream films and audiences reactions to them It provides an accessible introduction to issues such as arguments over positive and negative images and the relationship between cultural representation and political power in American life

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Rethinking Social Movements Jeff Goodwin, James M. Jasper, 2003-10-07 This landmark volume brings together some of the titans of social movement theory in a grand reassessment of its status For some time the field has been divided between a dominant structural approach and a cultural or constructivist tradition The gaps and misunderstandings between the two sides as well as the efforts to bridge them closely parallel those in the discipline of sociology at large This book aims to further the dialogue between these two distinct approaches to social movements and to show the broader implications for sociology as a whole as it struggles with issues including culture emotion and agency
