Question Of Identity:

A Question of Identity Dikla Rivlin Katz, Noah Hacham, Geoffrey Herman, Lilach Sagiv, 2019-06-04 Who am I and Who are we are the existential foundational questions in our lives In our modern world there is no construct more influential than identity whether as individuals or as groups The concept of group identity is the focal point of a research group named A Question of Identity at the Mandel Scholion Interdisciplinary Research Center in the Humanities at the Hebrew University of Jerusalem The papers collected in this volume represent the proceedings of a January 2017 conference organized by the research group which dealt with identity formation in six contextual settings Ethno religious identities in light of the archaeological record Second Temple period textual records on Diaspora Judaism Jews and Christians in Sasanian Persia minorities in the Persian achaemenid period Inter ethnic dialogue in pre 1948 Palestine and redefinitions of Christian Identity in the Early Modern period

A Question of Identity Anne J. Kershen, 2019-01-15 Published in 1998 this book is a multi disciplinary exploration of one of the most vital issues in the contemporary world Never was this topic more relevant than now on the threshold of the twenty first century At a time when the global economy European citizenship and worldwide religion are the order of the day nationalism as in eastern Europe and the Balkans and regionalism Wales and Scotland provide perfect examples ride high on the agenda It is the problems and paradoxes that emerge immediately the subject is raised that form the core of this book A Question of Identity breaks new ground by drawing together eminent academics from a variety of disciplines including anthropology history law linguistics politics psychology and sociology to examine the way in which issues of identity have impacted on society and the way in which changes in society have resulted in a re evaluation of identity Topics covered include Britishness within the context of devolution language and identity religion gender and identity the political and legal problems of European citizenship elderly migrants and identity and German identity after reunification The book explores questions of identity in two sections British and global The main conclusion to be reached is that at any period of history the question of identity is complex composed of interacting facets which combine in larger or smaller proportions to create the whole be that individual group ethnic religious national or supranational This book sets out to identify some of the facets that contribute to the whole and by so doing answers some of the questions which are currently circulating around the question of identity

The Identity in Question John Rajchman, 2014-10-29 As virulent nationalism increases in Europe and the debate surrounding political correctness continues to rage in the US this volume provides a theoretical analysis of these events and the questions they raise for critical theory

Identity in Question Anthony Elliott, Paul du Gay, 2009-02-27 A spectacular collection of essays by the most noted theorists of identity The book well frames the issues around identity that presently are defining living in the early 21st century A must read Patricia Ticineto Clough City University New York A wonderfully disparate and impressively distinguished set of authors to address the question of identity The result is exciting and fruitful No other book connects so elegantly sociological notions of individualization with

the psychoanalysis of melancholy Scott Lash Goldsmiths University of London *Identity in Question* brings together in a single volume the world's leading theorists of identity to provide a decisive account of the debates surrounding self and identity. Presenting incisive analyses of the impact of globalization postmodernism psychoanalysis and post feminism upon our imaginings of self this book explores the complexity contentiousness and significance of current debates over identity in the social sciences and the public sphere. As these contributions make clear mapping the contours and consequences of transformations in identity in our globalizing world is not simply an academic exercise. It is a pressing concern for public and political debates. As identity continues its move to the centre of political life so too do the possibilities for creatively reimagining how we choose to live both individually and collectively in an age of uncertainty and insecurity. *Identity in Question* is essential reading for all students of self identity individualism and individualization.

Identity in Question: The Study of Tibetan Refugees in the Indian Himalayas Swati Akshay Sachdeva, Yumnam Surjyajeewan, 2021-01-05 *Identity in Question: The Study of Tibetan Refugees in Indian Himalayas* focuses on the socio economic profile and the question of identity among the diasporic Tibetan communities particularly those settled in Indian Himalaya. Through incorporating the notion of integration essential in the formation and formulation of an individual's identity this book explores Tibetan refugees' feelings as to whether a shared consensus between themselves and others exists or whether a sense of dislocation is experienced. This important and timely work also sheds light on the question of identity crisis among Tibetan youths as well as conflicting gender role identity of the Tibetan women refugees. Delving into such topics is essential for the increased understanding of the various situations encountered by the diasporic communities of Tibet. Therefore individuals who are seeking to understand the issue by means of academic engagement and through a policy framework process will benefit from this work.

Identity in question The Open University, 1992-01-01 This 12 hour free course explored how identity can be categorised including in terms of gender socio economic categories race and place of birth.

[The Kurdish Question: Identity, Representation and the Struggle for Self-Determination](#), 2015-07-15 The book examines several models which have been advocated for a workable and acceptable solution to the Kurdish problem which would be absolutely necessary for stability in the West Asian region. The book evaluates how the more than two decade long experience of Kurdish self rule in a democratic framework in Iraqi Kurdistan affects the debate over the other Kurdish regions in West Asia. With Turkey's European Union accession process contributing to the opening of the political space to ethno nationalism there is a need for a non military solution to the Kurdish issue. The book analyses the role of Kurdish diaspora which plays a significant part in placing the Kurdish question on the European political agenda. It also examines the role of the Kurds in the aftermath of the Arab Spring and the changing geopolitics in the region. Now the Kurds maintain the strongest platform in battling against the ISIS.
