

Questioning Back The Overcoming Of Metaphysics In Christian Tradition

**John D. Caputo, Mark Dooley, Michael J.
Scanlon**

Questioning Back The Overcoming Of Metaphysics In Christian Tradition:

Questioning Back Joseph S. O'Leary, 2016-08-31 This is the first of three essays in fundamental theology along with *Religious Pluralism and Christian Truth* 1996 and *Conventional and Absolute Truth* 2015 which attempt to reassess the status of Christian doctrinal language within the contemporary regime of truth In light of Heidegger's overcoming of metaphysics it revisits the age old tension between Athens and Jerusalem between the metaphysical structures of the Greek mind and the texture of the biblical events of revelation and salvation A deconstructive reading that traces this tension in classical Christian texts continued in later studies including *Christianisme et philosophie chez Origene* Editions du Cerf 2011 clears the ground for a step back to biblical realities as they are apprehended in contemporary consciousness

Theology and Difference Walter Lowe, 1993-07-22 provocative and rewarding *Religious Studies Review* a tour de force *Theological Studies* *Theology and Difference* reconceives the options confronting modern theology and investigates the disputed questions that underlie it Pressing beyond the ready made enlightenment offered by the subject object framework Walter Lowe uncovers a number of remarkable convergences between the contemporary philosopher Jacques Derrida and the early twentieth century theologian Karl Barth

Questioning God John D. Caputo, Mark Dooley, Michael J. Scanlon, 2001-09-01 Jacques Derrida and other scholars explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift In fifteen insightful essays Jacques Derrida and an international group of scholars explore the implications of deconstruction for religion focusing on two topics God and forgiveness Among the themes addressed by contributors are the possibilities of imagining God as unthinkable imagining God as nonpatriarchal imagining a return to Augustine and imagining an age in which praise is far more important than narrative *Questioning God* moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context Contributors include John D Caputo Jacques Derrida Mark Dooley Francis Sch ssler Fiorenza Robert Gibbs Jean Greisch Kevin Hart Richard Kearney Cleo McNelly Kearns John Milbank Regina M Schwartz Michael J Scanlon and Graham Ward What sets this work apart from the majority of other publications on the subject of postmodern theology and prevents it from descending into a sanctimonious hagiography of Derrida's genius is the presence among the contributors of Graham Ward and John Milbank two of the founding members of the movement known as radical orthodoxy This present work is the first to document supporters of radical orthodoxy critically engaging with proponents of Derridean deconstruction

Perspectives [Reading the Bible Theologically](#) Darren Sarisky, 2019-01-17 Theological interpretation of the Bible is one of the most significant debates within theology today Yet what exactly is theological reading Darren Sarisky proposes that it requires identification of the reader via a theological anthropology an understanding of the text as a collection of signs and reading the text with a view toward engaging with what it says of transcendence Accounts of theological reading do not often give explicit focus to the place of the reader but this work seeks to redress this neglect Sarisky examines Augustine's

approach to the Bible and how his theological insights into the reader and the text generate an aim for interpretation which is fulfilled by fitting reading strategies He also engages with Spinoza showing that theological exegesis contrasts not with approaches that take history seriously but with naturalistic approaches to reading

Hosting the Stranger: Between Religions Richard Kearney, James Taylor, 2011-03-10 Hosting the Stranger features ten powerful meditations on the theme of interreligious hospitality by eminent scholars and practitioners from the five different wisdom traditions Jewish Christian Hindu Buddhist and Islamic By gathering thinkers from different religious traditions around the same timely topic of what it means to host the stranger this text enacts the hospitality it investigates facilitating a hopeful and constructive dialogue between the world's major religions

On Augustine Rowan Williams, 2016-04-07 Since his retirement as Archbishop of Canterbury and his return to academic life Master of Magdalene College Cambridge Rowan Williams has demonstrated a massive new surge of intellectual energy In this new book he turns his attention to St Augustine St Augustine not only shaped the development of Western theology he also made a major contribution to political theory City of God and through his Confessions to the understanding of human psychology Rowan Williams has an entirely fresh perspective on these matters and the chapter titles in this new book demonstrate this at a glance Language Reality and Desire Politics and the Soul Paradoxes of Self Knowledge Insubstantial Evil As with his previous titles Dostoevsky The Edge of Words and Faith in the Public Square this new study is sure to be a major contribution on a compelling subject

Theology and Literature after Postmodernity Zoë Lehmann Imfeld, Peter Hampson, Alison Milbank, 2015-03-12 This volume deploys theology in a reconstructive approach to contemporary literary criticism to validate and exemplify theological readings of literary texts as a creative exercise It engages in a dialogue with interdisciplinary approaches to literature in which theology is alert and responsive to the challenges following postmodernism and postmodern literary criticism It demonstrates the scope and explanatory power of theological readings across various texts and literary genres Theology and Literature after Postmodernity explores a reconstructive approach to reading and literary study in the university setting with contributions from interdisciplinary scholars worldwide

Jacques Derrida (Routledge Revivals) William Schultz, Lewis L.B. Fried, 2016-06-17 First published in 1992 this book represents the first major attempt to compile a bibliography of Derrida's work and scholarship about his work It attempts to be comprehensive rather than selective listing primary and secondary works from the year of Derrida's Master's thesis in 1954 up until 1991 and is extensively annotated It arranges under article type a huge number of works from scholars across numerous fields reflecting the interdisciplinary and controversial nature of Deconstruction The substantial introduction and annotations also make this bibliography in part a critical guide and as such will make a highly useful reference tool for those studying his philosophy

Karl Rahner Pádraic Conway, Fáinche Ryan, 2010 Pádraic Conway is Director of the UCD International Centre for Newman Studies and a Vice President of University College Dublin Book Jacket

Non-Metaphysical Theology After Heidegger Peter S. Dillard, 2016-06-20 Using

Martin Heidegger's later philosophy as his springboard Peter S Dillard provides a radical reorientation of contemporary Christian theology From Heidegger's initially obscure texts concerning the holy the gods and the last god Dillard extracts two possible non metaphysical theologies a theology of Streit and a theology of Gelassenheit Both theologies promise to avoid metaphysical antinomies that traditionally hinder theology After describing the strengths and weaknesses of each non metaphysical theology Dillard develops a Gelassenheit theology that ascribes a definite phenomenology to the human encounter with divinity This Gelassenheit theology also explains how this divinity can guide human action in concrete situations remain deeply consonant with Christian beliefs in the Incarnation and the Trinity and shed light on the Eucharist and Religious Vocations Seminal ideas from Rudolf Otto and Ludwig Wittgenstein are applied at key points Dillard concludes by encouraging others to develop an opposing Streit theology within the non metaphysical Heideggerian framework he presents

A Story of Shalom Philip A. Cunningham, 2001 Stimulus Books are volumes co sponsored by the Stimulus Foundation and Paulist Press that deal with topics of vital interest to the Jewish Christian dialogue This latest Stimulus Book A Story of Shalom is in the words of the author an experiment In it he takes the dawn of the millennium as an opportunity to retell the Christian story the origins of the church its purposes its doings over the centuries and its goals for the future in a way that envisions a positive relationship between the Christian and Jewish peoples He rejects the old story of creation as supersessionist believing that Christianity has replaced Judaism as God's chosen people And he tells the Christian story in a way that promotes Shalom by affirming Judaism's covenant with God and the validity of Jewish self understanding The Foundational Standpoint of Mādhyamika Philosophy Gadjin M. Nagao, 1989-03-07 The Madhyamika philosophy of Nagarjuna articulates the basic Mahayana insights in two themes the identity of emptiness dependent co arising and the two truths In The Foundational Standpoint of Madhyamika Philosophy Gadjin M Nagao one of the foremost Buddhist scholars in the world presents an in depth interpretation of this foundational philosophy of Mahayana Buddhism In this book the author has culled data from Sanskrit Tibetan Chinese Japanese and Western sources a rare feat which only a few scholars are capable of accomplishing The translation is faithful readable and masterful

Experiencing God in the Gospel of John Anthony Kelly, Francis J. Moloney, 2003 A theological study on the Gospel of John that is strongly determined by contemporary biblical scholarship World Christianity Tan, Jonathan Y., Tran, Anh Q., 2016-04-13

Through the Dark Field Susie Paulik Babka, 2017-01-13 Theological discourse in the West has consistently valued the word over the image Aesthetics which discerns the criteria and value of the beautiful and what pleases the senses is the discipline that prioritizes sensual intelligence over the rational this book advocates a reconsideration of the doctrine of the incarnation through an aesthetics of vulnerability in which the ethical optics of attention to the vulnerable other becomes the standpoint in which to ponder the significance of God became human Relying on such diverse thinkers as Emmanuel Levinas Maurice Blanchot Karl Rahner and Masao Abe Susie Paulik Babka explores visual art images and poetry as theological sources designating what Blanchot called

a region where impossibility is no longer deprivation but affirmation God's Ways with the World Daniel Hardy, 2005-01-01 This book is devoted to recovering the truth and vitality of Christian faith by attempting to trace the ways of God with the modern world Professor Hardy contends that the profundity of God's interaction with the world despite centuries of valuable contemplation can best be understood by addressing those aspects of human thought which often give modern life its vitality These are the very features with which theology has tended to lose touch but which here are explored as areas in which the character and purposes of God may be manifest Following the example of the great eras of theological understanding in the past this book seeks a new and deeper synthesis of faith theology and other disciplined forms of life and thought to recover the dynamic of God's life and work in and from them As it does so it concentrates on the heartlands of Christian faith worship the Triune God and the activity of God in the world in language and cultures in cosmology and the human being in society and the form of the Church and in the forms of human understanding scientific historical cultural religious and theological The result is an uncompromising study which attempts to show the possibilities for a theology which becomes more fully realised by discovering and following the ways of God with the modern world *Karl Barth* Christiaan Mostert, Geoff Thompson, 2001 Karl Barth A Future for Postmodern Theology What does the colon and the question mark in the title signify Does the collection colon denote relatedness or separation What is the effect of the question mark Does the interrogative question the future of Karl Barth's approach to theology make a claim for Barth as a postmodern theologian or **The Gift of Love** Andrew Staron, 2017-02-01 The Gift of Love explores the intelligibility of Augustine's claim that we come to know and encounter God in and through our love Building upon the discoveries of recent scholarship Andrew Staron reads Augustine's De Trinitate not as presenting the Trinity as a concept to be grasped but rather as a rational study of the limits of theological language and the possibility of coming to know the Trinity because of those limits Human dependence on God's initiative indicates that the Trinitarian God of love is knowable only through attention to how God's self-revelation transforms and saves us Therefore to see God one seeks to mark love's formative activity within the heart Jean Luc Marion's rigorous description of the gift of love offers to Augustine's theology a phenomenological texture by which the Trinitarian love given in revelation might be made incarnate in one's life The Gift of Love presents a reason for hope that while coming to know the Trinity that God is might be impossible for human beings it is made possible by God's antecedent gift of love given in the missions Son and Holy Spirit and iconically received in the particularity of one's own love **God, the Gift, and Postmodernism** John D. Caputo, Michael J. Scanlon, 1999-12-22 Pushing past the constraints of postmodernism which cast reason and religion in opposition God the Gift and Postmodernism seizes the opportunity to question the authority of the modern and open the limits of possible experience including the call to religious experience as a new millennium approaches Jacques Derrida the father of deconstruction engages with Jean Luc Marion and other religious philosophers to entertain questions about intention givenness and possibility which reveal the extent to which deconstruction is structured like religion

New interpretations of Kant Heidegger Husserl and Derrida emerge from essays and discussions with distinguished philosophers and theologians from the United States and Europe The result is that God the Gift and Postmodernism elaborates a radical phenomenology that stretches the limits of its possibility and explores areas where philosophy and religion have become increasingly and surprisingly convergent Contributors include John D Caputo John Dominic Crossan Jacques Derrida Robert Dodaro Richard Kearney Jean Luc Marion Frangoise Meltzer Michael J Scanlon Mark C Taylor David Tracy Merold Westphal and Edith Wyschogrod Basil of Caesarea, Gregory of Nyssa, and the Transformation of Divine Simplicity Andrew Radde-Gallwitz, 2009-10 Divine simplicity is the idea that as the ultimate principle of the universe God must be a non composite unity not made up of parts or diverse attributes Radde Gallwitz explores how this idea was appropriated by early Christian theologians from non Christian philosophy with particular reference to Basil of Caesarea and Gregory of Nyssa

Questioning Back The Overcoming Of Metaphysics In Christian Tradition Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Questioning Back The Overcoming Of Metaphysics In Christian Tradition**, a literary masterpiece that delves deep into the significance of words and their effect on our lives.
