experienced much pain through ministry but what I realized was that that was not what God wanted God wanted me to see that even though people can be cruel God is working God is shaping and molding each one of us to be more Christ like each day if we let Him work Not everyone listens to what the Lord is trying to speak into the very core of their being Some are taking jealousy anger pride lust and all things sinful into their heart instead of being transformed by the Lord Do not let those people stop you from being passionate daily for the Lord Do not give up Do the hard things and love God with every fiber of your being and then act on that every day Because of Christ Cody Adams *The Year We Left Home* Jean
