lead to a broader contextual understanding What thought experiments might aid in visualizing the play Ultimately this book draws back the curtain and shows how the antique machinery of Shakespeare s theatre works The imaginative time span begins from the moment you learn that on such and such date you will begin rehearsing such and such Shakespeare play Our narrative clock starts ticking the moment you put down the phone and stops when you arrive at the rehearsal hall and begin your first table read So much of what will be the success or failure of a director s project rests on this work that is done before rehearsals even begin

Shakespeare's Common Prayers Daniel Swift,2013 Societies and entire nations draw their identities from certain founding documents whether charters declarations or manifestos The Book of Common Prayer figures as one of the most crucial in the history of the English speaking peoples First published in 1549 to make accessible the devotional language of the late Henry the VIII s new church the prayer book was a work of monumental religious political and cultural importance Within its rituals prescriptions proscriptions and expressions were fought the religious wars of the age of Shakespeare This diminutive book continuously reformed and revised was how that age defined itself In Shakespeare s Common Prayers Daniel Swift makes dazzling and original use of this foundational text employing it as an entry point into the works of England s most celebrated writer Though commonly neglected as a source for Shakespeare s work Swift persuasively and conclusively argues that the Book of Common Prayer was absolutely essential to the playwright It was in the Book s ambiguities and its fierce contestations that Shakespeare found the ready elements of drama dispute over words and their practical consequences hope for sanctification tempered by fear of simple meaninglessness and the demand for improvised performance as compensation for the failure of language to fulfill its promises What emerges is nothing less than a portrait of Shakespeare at work absorbing manipulating reforming and struggling with the explosive chemistry of word and action that comprised early modern liturgy Swift argues that the Book of Common Prayer mediates between the secular and the devotional producing a tension that makes Shakespeare s plays so powerful and exceptional Tracing the prayer book s lines and motions through As You Like It Hamlet Twelfth Night Measure for Measure Othello and particularly Macbeth Swift reveals how the greatest writer of the age of perhaps any age was influenced and guided by its most important book

Five Short Courses of Reading in English Literature Caleb Thomas Winchester,1911

A Dictionary of Shakespeare's Sexual Puns and Their Significance Frankie Rubinstein,1989-12-11 Rubinstein is far from innocent and comes to our aid with a lot of learning and is quite right to urge that not to appreciate the sexiness of Shakespeare s language impoverishes our own understanding of him For one thing it was a strong element in his appeal to Elizabethans who were much less woolly mouthed and smooth tongued than we are For another it has constituted a salty preservative for his work among those who can appreciate it an enlightening book A L Rowse The Standard

William Shakespeare: A Brief Life Paul Menzer, 2023-03-23 This engaging and fresh biography begins by examining how Shakespeare's life turns into myth so comfortably as to seduce even the most sceptical scholar The early departure the late return Public success private loss A twilight of plays about family reunions a death at home in the biggest house in town the one he walked by as a schoolboy and eyed with envy or at least ambition Shakespeare led an orbital life everything returned to where it began He even had the dramatic good sense to die on his birthday One of the appealing dynamics of the Shakespeare myth is the contrast of his humble beginnings and his lofty achievements persuading us that genius might blossom anywhere William Shakespeare A Brief Life honours these myths but also explores some of the mysteries why Shakespeare left Stratford who he ran with in London why he put down his pen and at last came home again Ultimately the book explores the compelling contrast between the mere fifty two years Shakespeare lived with the prolonged after lives of his work and his story which show no sign of ending
