

SHORT ANNUAL REPORT

on activities of Polish Committee on Theory of Machines and Mechanisms and Committee IFToMM-POLAND YEAR 2012

Polish Committee on Theory of Machines and Mechanism (PC TMM – this abbreviation is used underneath) has two affiliations i.e. - to:

- (a) Polish Academy of Science (Polish abbrev.: PAN),
- (b) IFToMM – International Federation of Promotion of the Mechanism and Machine Science.

According to (a), we are a section of the PAN Committee on Machine Building. Due to new regulations about the internal structure of The Academy - 'PAN' (e.g. restrictions on number of members), the Committee (PC TMM) consists of 19 members. Professor Józef Wojnarowski (Silesian TU) is the President of PC TMM. Due to the fact that the 'community' of scientists involved in the works of PC TMM has been wider since many years – the team (group) of so called 'PAN experts' could be appointed and the process of appointment is in progress. The approved list of experts will be established till the end of the year 2012.

According to (b), PC TMM is one of the national committees which created the Federation (IFToMM) in 1969 in Zakopane, Poland. Since the origins, Polish scientists have been actively involved in versatile IFToMM works, conferences, meetings, workshops etc. as well as they participated in IFToMM authorities of all levels. At present, Professor Teresa Zielińska (Warsaw TU) is the Secretary General of IFToMM. The members of PAN Polish Committee on TMM and the candidates for PAN experts decided to create common group called 'Committee IFToMM-POLAND' – aiming for continuation of works which previously were performed solely by bigger PC TMM – according to the previous law. The works will be continued when the candidates obtained formal letter of nomination for the PAN experts.

In year 2012, the following events took place:

- (i) plenary meeting no 1 (in Gliwice, Silesian TU);
- (ii) plenary meeting no 2 (in Kołobrzeg, during the TMM conference);
- (iii) conference on TMM in Kołobrzeg.
