Searchers J. J. Mathews, 2023-08-01 Year 998 P E Post Earth What s the worst part about the end of the world You might think it s having to live in one of thirteen Arks orbiting a dead planet Or that the last vestiges of humanity are only one point three million people one hundred thousand per Ark No more no less closed loop until the Searchers find us a new home But no the absolute worst part is turning eighteen Because that s when you re forced to marry a random stranger It s called Selection when Oversight assigns you a life partner a new job and you re required to produce a child in your first year of marriage What if he hates me What if my job stinks And should I try and kiss Zac before Selection As if Selection wasn t bad enough Miya soon fears for her life when she discovers that things are not as they seem and people are disappearing

Individual Tactics Ron Danielowski, Mike Smock, Bill Tallen, 2014-11-07 Individual tactics for the defense of life home business school church and community *An Easy Mark* Innis Gardner Osborn, 1910 **Chosen Prey** John Sandford, 2001-05-07 He seems like such a nice man You d never guess what was going on in his mind Art history professor James Qatar has a hobby he takes secret photographs of women to fuel more elaborate fantasies When he s alone Behind locked doors Then one day he goes a step further and well one thing leads to another Qatar has no choice He has to kill her And you know something He likes it When Deputy Chief Lucas Davenport takes the case he assumes it ll be straightforward police work He couldn t be more wrong As the investigation trail takes some unexpected turns it becomes clear that nothing is straightforward about this killer his victims or his motives And to stop him Lucas has no choice but to walk right into his lair WITH A NEW INTRODUCTION BY JOHN SANDFORD **High-Risk Patrol** Gerald W. Garner, 2020-05-28 This book provides a general orientation for survival using the author s everyone goes home approach as in previous editions to keep the police officer safe and secure It details the specifics the intelligent police professional must master in order to survive the many types of risky situations he will be exposed to over a career The book is painstakingly thorough in its approach to officer survival in an era where peacekeepers are required to be highly transparent and accountable in all their actions Every use of force by a law enforcement officer will be closely scrutinized This is one reason why it is important that today s officer has access to every viable tactic and technique that may prevent the need for force in the first place The book details everything from searching an arrested individual to searching a building arresting a 300 pound outlaw biker to a surly teenager Techniques and strategies discussed in the book include personal preparation for risk reduction vehicle stops and contacts defusing disturbances domestic violence burglaries and structure searching barricades and hostage takers vehicle pursuits ambush attacks emotionally disturbed and mentally ill persons prisoner control and transport terrorist threats off duty confrontations and reducing the emotional risks involved At the end of each vital chapter a quick and concise Risk Reduction Checklist is presented These chapter summaries are excellent for review and merit rereading by the police professional intent on surviving to a healthy retirement An Appendix has been included containing informative accounts of

police deaths culled from the Law Enforcement Officers Killed and Assaulted Report put together by the Federal Bureau of Investigation Other accounts are also found at the end of each chapter Each one makes a point by way of grim example yet every tragedy described can help save the life of an alert police officer who might otherwise become one more statistic This unique and comprehensive text will be invaluable to all law enforcement professionals investigators policymakers and police academics

Votes & Proceedings New South Wales. Parliament. Legislative Council,1912 Dead Men Risen Toby Harnden,2014-11-17 Dead Men Risen winner of the prestigious Orwell Prize for Books is the epic story of a beleaguered British battle group fighting desperately to prevent the Taliban from seizing Afghanistan s Helmand province just as the U S Marines arrive to take over Bestselling author Toby Harnden describes how men from the coal mining valleys and slate quarry villages of Wales found themselves in the most intense combat faced by British troops for a generation Underequipped and overstretched the fighting prowess of the Welsh Guards in the killing fields of Sangin and Nawa awed the U S Marines NATO commander General Stanley McChrystal who was awaiting a response to his urgent request to President Barack Obama for more troops hailed their burn in your gut passion Harnden was on the ground with the Welsh Guards in Helmand in 2009 He gained access to a trove of secret military documents and conducted nearly three hundred interviews in Afghanistan England Wales and the United States to produce this timeless and profound account of men at war Commanding the Welsh Guards was Lieutenant Colonel Rupert Thorneloe a passionate believer in the justness of the war who was dismayed by the military and political incompetence surrounding it In chilling detail Harnden reveals how and why Thorneloe the first British battalion commander to die in action since the 1982 Falklands War was killed by an IED during Operation Panther s Claw By the time the fighting was over almost no rank had been spared From the searing heat of the poppy fields and the mud compounds of Helmand to the dreaded knock on the door back home the reader is transported there Harnden weaves the experiences of the soldiers their historical forbears and the flawed NATO strategy into a masterly narrative No other book about modern conflict succeeds on so many levels Dead Men Risen is essential for anyone who wants to understand the reality of the Afghan war for the U S and its allies
