Rose Is A Rose Is A Rose Gender Performa:

Gender, Writing, and Performance Helen J. Swift, 2008-02-28 This book explores the poetics of literary defences of women written by men in late medieval and early modern France It fills an important lacuna in studies of this polemic in imaginative literature by bridging the gap between Christine de Pizan and a later generation of women writers and male Neo Platonist writers who have recently all received due critical attention Whereas male authored defences composed between 1440 and 1538 have previously been dismissed as insincere or mere intellectual games Swift formulates reading strategies to overcome such critical stumbling blocks and engage with the particular rhetorical and historical contexts of these works Edited and as yet unedited texts by Martin Le Franc Jacques Milet Pierre Michault and Jean Bouchet catalogues of women allegorical narratives and debate poems are brought together and analysed in detail for the first time in order to explore for example how such works address the misogynistic spectre of Jean de Meun's *Roman de la rose* The book seeks to understand the contemporary popularity of the case for women *la querelle des femmes* as literary subject matter It investigates the publication history across this period from manuscript to print of Le Franc's *Le Champion des dames* Swift further aims to show how these texts hold interest for modern audiences A nexus of theoretical concerns centred on performance Judith Butler's gender performativity Derrida's re working of Austin's linguistic performativity through spectrality and dramatic performance is enlisted to articulate the interpretative engagement expected by *querelle* writers of their audience The reading strategies proposed foster a nuanced and enriched perspective on the question of a male author's sincerity when writing in defence of women *New York Magazine*, 1997-02-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Embodied Performance of Gender* Jack Migdalek, 2014-10-24 Norms of embodied behaviour for males and females as promoted in mainstream Western public arenas of popular culture and the everyday continue to work overtly and covertly as definitive and restrictive barriers to the realm of possibilities of embodied gender expression and appreciation They serve to disempower and marginalize those not inclined to embody according to such dichotomous models This book explores the ramifications of the way our gendered sexed and culturally constructed bodies are situated toward notions of difference and highlights the need to safeguard the social and emotional well being of those who do not fit comfortably with dominant norms of masculine feminine behaviour as deemed appropriate to biological sex The book interrogates gender inequitable machinations of education and performance arts disciplines by which educators and arts practitioners train teach choreograph and direct those with whom they work and theorizes ways of broadening personal and social notions of possible aesthetic and acceptable embodiment for all persons regardless of

biological sex or sexual orientation The author's own struggles as a performance artist educator and person in the everyday as well as the findings of empirical fieldwork with educators performance arts practitioners and high school students are employed to illustrate and advocate the need for self reflexive scrutiny of existing and hidden inequities regarding the embodiment of gender within one's own habitual perspectives taste and practices

Gender After Gender in Consumer Culture Elisabeth Tissier-Desbordes, Luca M. Visconti, 2020-12-23 *Gender After Gender in Consumer Culture* provides an updated discussion of how gender cuts across consumer culture in light of increasing gender fragmentation and integration with other identity positions Sex the biological distinction male female and gender which refers to a person's sense of being male female or any other combinations of these inform issues as varied as personal identity social interactions and market behaviours First contributions account for the increasing fluidity and or fragmentation of gender positions which reshape the interplay between consumers and marketers Second they provide a timely illustration of how consumption and markets concur in contrasting gender inequalities taken both individually and jointly e.g. at the intersection of ethnicity or positions of market marginalisation Third chapters question the role of gender in granting personal and societal well being as they reflect on the collective capacity of constantly undoing gender stereotypes Focusing on gender this book allows the reader to trace the links among cultural categories e.g. masculinity femininity gender identity social phenomena and market dis functioning The chapters in this book were originally published as a special issue in the journal *Consumption Markets Culture*

Women Entrepreneurs and the Global Environment for Growth Candida G. Brush, Anne de Bruin, Elizabeth J. Gatewood, Colette Henry, 2010-01-01 *Women's entrepreneurship research and the understanding of factors influencing the growth of women owned business advanced significantly over the last decade Yet challenges remain* *Women Entrepreneurs and the Global Environment for Growth* provides wide ranging insights on the challenges women entrepreneurs face growing their businesses and how these may be addressed This volume is rooted in research and considers growth challenges both contextually and firm specific provoking current thought and enriching the current literature on gender and entrepreneurship Part one highlights how contextual factors and especially social and familial settings of entrepreneurs have a differential impact on men and women Part two examines strategies constraints and enablers of growth and performance The authors aptly demonstrate that a well focused gender lens is necessary to better explain the phenomenon of women's entrepreneurship Extending previous studies about women's entrepreneurship this volume is unique in its application of research from the Diana Project a path breaking initiative dating from 1999 to study female entrepreneurial success Contributions from an international cast of authors make this a comprehensive and broadly appealing reference work

Performance: pt. 1. Identity and the self Philip Auslander, 2003 This collection reflects not only the multidisciplinary nature of current thinking about performance but also the complex and contested nature of the concept

itself *Performance, Feminism and Affect in Neoliberal Times* Elin Diamond, Denise Varney, Candice Amich, 2017-04-29

This book is a provocative new study of global feminist activism that opposes neoliberal regimes across several sites including Asia Australia Canada Europe Latin America and the United States The feminist performative acts featured in the book contest the aggressive unravelling of collectively won gains in gender sexual and racial equality the appearance of new planes of discrimination and the social consequences of political economies based on free market ideology The investigations of affect theory follow the circulation of intensities of political impingements on bodies subjective and symbolic violence and the shock of dispossession within and beyond individuals to the social and political sphere Affect is a helpful matrix for discussing the volatile interactivity between performer and spectator whether live or technologically mediated Contending that there is no activism without affect the collection brings back to the table the activist and hopeful potential of feminism

Monsters in Performance Michael Chemers, Analola Santana, 2022-06-01 *Monsters in Performance* boasts an impressive range of contemporary essays that delve into topical themes such as race gender and disability to explore what constitutes monstrosity within the performing arts These fascinating essays from leading and emerging scholars explore representation in performance specifically concerning themselves with attempts at social disqualification of undesirables Throughout the writers employ the concept of monstrosity to describe the cultural processes by which certain identities or bodies are configured to be threateningly deviant The editors take a range of previously isolated critical inquiries including bioethics critical race studies queer studies and televisual studies and merge them to create an accessible and dynamic platform which unifies these ranges of representations The global scope and interdisciplinary nature of *Monsters in Performance* renders it an essential book for Theatre and Performance students of all levels as well as scholars it will also be an enlightening text for those interested in monstrosity and Cultural Studies more broadly Self-(re)presentation now Nancy Thumim, 2020-05-18

Questions of presentation and representation of individuals groups and communities have become key sites of struggle as evidenced by the battles in both physical and digital spaces battles which have also thrown the roles of digital affordances systems industries and structures into relief This book shows that questions about the re presentation of the self in digital culture are now key to how the field of media and communication must engage with the political and demonstrates the wide range of scholarship focusing on presentation and representation of the self in recent times The contributors show that questions of self presentation and representation in digital culture are the focus of lively debate critique and investigation and that this is taking place from a number of theoretical perspectives and locations across the globe This book was originally published as a special issue of *Popular Communication*

Perverse Taiwan Howard Chiang, Yin Wang, 2016-12-19 This book enriches and reorients our understanding of postcolonial queer East Asia Challenging a heteronormative understanding of Taiwan's past and present it provides fresh critical analyses of a range of topics from queer criminality and literature in the 1950s and 1960s to the growing popularity of cross dressing performance and tongzhi gay and lesbian

cinema on the cusp of a new millennium Together the contributions provide a detailed account of the rise and transformations of queer cultures in post World War II Taiwan The Routledge Research Companion to Geographies of Sex and Sexualities Gavin Brown,Kath Browne,2016-05-20 Comprehensive and authoritative this state of the art review both charts and develops the rich sub discipline geographies of sexualities exploring sex gender sexuality and sexual practices Emerging from the desire to examine differences and exclusions as a key aspect of human geographies these geographies have engaged with heterosexual and queer lesbian gay bi and trans lives Developing thinking in this area geographers and other social scientists have illustrated the centrality of place space and other spatial relationships in reconstituting sexual practices representations desires as well as sexed bodies and lives This book reviews the current state of the field and offers new insights from authors located on five continents In doing so the book seeks to draw on and influence core debates in this field as well as disrupt the Anglo American hegemony in studies of sexualities sexes and geographies This volume is the definitive collection in the area bringing together many international leaders in the field alongside scholars that are well established outside the Anglophone academy and many emerging talents who will lead the field in the decades to come

Erotic Performance and Spectatorship Katy Pilcher,2016-11-10 Erotic dance is one of the most contentious issues in feminist debates today and a source of fascination in media and popular cultural representations Yet why is it that we currently know so little about those who perform erotic dance for female customers or the experiences of these spectators themselves The result of a unique investigation within two of the UK s leisure venues Erotic Performance and Spectatorship seeks to rectify the aforementioned lack of insight Through vivid ethnographies of a lesbian leisure venue and a male strip show Pilcher s research advances key debates about the gender and sexual politics of erotic dance whilst simultaneously relating these to debates about the sex industry more widely This book also subverts previous assumptions that only women perform erotic dance and only men spectate Thus this book stands out amongst other academic accounts developing the debate beyond the established focus on erotic dance as either empowering or degrading This new contribution to the study of erotic dance which provides a fresh theoretical perspective combining queer and feminist theorising in addition to rich empirical evidence will appeal to academic researchers and both undergraduate and postgraduate students within the fields of sociology gender studies sexuality studies gay lesbian studies feminism and other neighbouring disciplines It will also be of interest to feminist and sex work activists policy makers and practitioners **Performing Remains** Rebecca

Schneider,2011-03-01 At last the past has arrived Performing Remains is Rebecca Schneider s authoritative statement on a major topic of interest to the field of theatre and performance studies It extends and consolidates her pioneering contributions to the field through its interdisciplinary method vivid writing and stimulating polemic Performing Remains has been eagerly awaited and will be appreciated now and in the future for its rigorous investigations into the aesthetic and political potential of reenactments Tavia Nyong o Tisch School of the Arts New York University I have often wondered where

the big important paradigm changing book about re enactment is Schneider s book seems to me to be that book Her work is challenging thoughtful and innovative and will set the agenda for study in a number of areas for the next decade Jerome de Groot University of Manchester Performing Remains is a dazzling new study exploring the role of the fake the false and the faux in contemporary performance Rebecca Schneider argues passionately that performance can be engaged as what remains rather than what disappears Across seven essays Schneider presents a forensic and unique examination of both contemporary and historical performance drawing on a variety of elucidating sources including the America plays of Linda Musmann and Suzan Lori Parks performances of Marina Abramovic and Allison Smith and the continued popular appeal of Civil War reenactments Performing Remains questions the importance of representation throughout history and today while boldly reassessing the ritual value of failure to recapture the past and recreate the original

Camp TV Quinlan Miller,2019-04-04 Sitcoms of the 1950s and 1960s are widely considered conformist in their depictions of gender roles and sexual attitudes In Camp TV Quinlan Miller offers a new account of the history of American television that explains what campy meant in practical sitcom terms in shows as iconic as The Dick Van Dyke Show as well as in more obscure fare such as The Ugliest Girl in Town Situating his analysis within the era s shifts in the television industry and the coalescence of straightness and whiteness that came with the decline of vaudevillian camp Miller shows how the sitcoms of this era overflowed with important queer representation and gender nonconformity Whether through regular supporting performances Ann B Davis s Schultzy in The Bob Cummings Show guest appearances by Paul Lynde and Charles Nelson Reilly or scripted dialogue and situations industry processes of casting and production routinely esteemed a camp aesthetic that renders all gender expression queer By charting this unexpected history Miller offers new ways of exploring how supposedly repressive popular media incubated queer genderqueer and transgender representations

National Performance Erin Hurley,2011-01-01 In National Performance Erin Hurley examines the complex relationship between performance and national identity How do theatrical performances represent the nation in which they were created How is Quebecois performance used to define Quebec as a nation and to cultivate a sense of Quebec ness for audiences both within and outside the province In exploring Expo 67 the critical response to Michel Tremblay s Les Belles Soeurs Carbone 14 s image theatre Marco Micone s writing practices Celine Dion s popular music and feminist performance of the 1970s and 80s Hurley reveals the ways in which certain performances come to be understood as national while others are relegated to sub national or outsider status Each chapter focuses on a particular historical moment in Quebec s modern history and a genre of performance emblematic of the moment and uses these to elaborate the nature of the national performances Winner of the Northeast Modern Language Association s Book Prize National Performance is sophisticated yet accessible seeking to enlarge the parameters of what counts as Quebecois performance while providing a thorough introduction to changing discourses of nation ness in Quebec

Revealing Gender Inequalities and Perceptions in South Asian Countries

through Discourse Analysis Mahtab, Nazmunnessa, 2016-05-16 Misconceptions regarding gender identity and issues of inequality that women around the world face have become a predominant concern for not only the citizens impacted but global political leaders administrators and human rights activists *Revealing Gender Inequalities and Perceptions in South Asian Countries through Discourse Analysis* explores how an analysis of language use in the South Asian region exposes issues related to gender identity representation and equality Emphasizing emerging research and case studies focusing on the concept of gender in Malaysia Bangladesh and Nepal this publication is an essential resource for social theorists activists linguists media professionals researchers and graduate level students

Boys, Bodies, and Physical Education Göran Gerdin, 2017-01-12 Using visual ethnography this book explores the many forms of pleasures that boys derive in and through the spaces and their bodies in physical education Employing the works of Michel Foucault and Judith Butler Gerdin examines how pleasure is connected to identity schooling and power relations and demonstrates how discourses of sport fitness health and masculinity work together to produce a variety of pleasurable experiences At the same time the book provides a critique of such pleasurable experiences within physical education by illustrating how these pleasures can still for some boys quickly turn into displeasures and can be associated with exclusion humiliation bullying and homophobia *Boys Bodies and Physical Education* argues that pleasure can both be seen as an educational and productive practice in physical education but also a constraint that both engenders and privileges some boys over others as well as re producing narrow and limited conceptions of masculinity and pleasures for all boys This book works to problematize these pleasures and their articulations with gender bodies and spaces

Into the Closet Victoria Flanagan, 2013-08-21 *Into the Closet* examines the representation of cross dressing in a wide variety of children s fiction ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children s narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children s literature and film very little critical attention has been paid to this subject to date *Into the Closet* fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender *Into the Closet* is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children s literature and film as a strategy to educate or enculturate children about gender

Performance Art RoseLee Goldberg, 2025-09-23 An updated edition of the pioneering study in the acclaimed *World of Art* series this classic book surveys a full century of performance art from the Futurist manifesto of 1909 through the second decade of the new millennium The standard reference since its first publication in 1979 *Performance Art* continues its authoritative chronicling of one of the most important art forms to emerge in modern

times Art historian and curator RoseLee Goldberg has updated her magnum opus to reflect the current state of performance in an age where digital and web technologies are becoming increasingly dominant as she shows how a medium once used in sporadic bursts of artistic dissent has become a worldwide phenomenon Performance is now the medium of choice for many creatives entering the global conversation of art and culture As the medium has developed across Asia Africa Europe and the Americas it has become one of the most popular art forms for articulating difference whether dealing with issues of identity politics race or historical background Marina Abramovic Matthew Barney Sanford Biggers Tania Bruguera Patty Chang Rashid Johnson Autumn Knight Pierre Huyghe and Jacolby Satterwhite are among the many new and established artists whose work can now be seen in the context of other innovators in the field from the Futurists and Dadaists to Yves Klein and Laurie Anderson Goldberg explores contemporary artists approaches to politics tradition social engagement and the art world itself while evaluating the changing status of performance This revised edition includes an updated foreword an expanded reading list and a new chapter outlining developments in the second decade of the twenty first century in the fields of dance architecture technology and virtual performance
