Rose City And Other Stories:

The Rose City David Ebershoff, 2002-04-30 A Lambda Literary Award Finalist Winner of The Ferro Grumley Award for Gay Fiction Award winning short stories from the author of *The Danish Girl* and *Pasadena* Passion for us all will remain a troublesome thing *The Rose City* combines a collection of unforgettable characters with Ebershoff's trademark emotional insight and intelligent prose in seven stories about young men and boys as they discover and rediscover themselves in a world that never really works out as planned Often tragic but lacking in despair *The Rose City* delves into the tribulations of youth identity sexuality and longing for something just out of reach Written with compassion and truth these stories present characters who live at the margins of the world at the moment they take their first steps toward acceptance and love *The Valentine Rose & Other Stories* Pradeep Kumar Panda, 2018 This album of eleven short stories tries to portray true to life situations in the current milieu The writer has used his creative prowess in building them basing on his observation of social complexities Written in lucid style the satirical undertone in these stories can be well perceived by the reader who may find the latter both musing and amusing Though written in Indian context the stories may be enjoyed by the non Indian reader as well The author Pradeep Kumar Panda has some years of editorial experience in the print media newspapers periodicals and books He has produced several essays which have been published in newspapers and periodicals Also a translator and grant writer Mr Panda lives in Cuttack city in India's Odisha state **Rose & Witch and Other Stories** □□□□, 1925 *Lost Rose. And Other Stories* Katharine Sarah Macquoid, 1876 *Hermie's rose-buds: and other stories* Elizabeth Thomasina Meade, 1883 **Leaving L. A. and Other Stories** , **Lost Rose, and Other Stories** Katharine Sarah Macquoid, 2024-06-11 **Rose City Tales** Grant Keltner, 2024-03-14 *Rose City Tales* The following collection of verse includes short stories that were inspired from my recollections with events fables and yarns that cover my upbringing while living here in Portland Oregon It's my intent to remember the times that meant the most to me and pass them down to others to enjoy These stories are dedicated in memory to those that shared their lives with me directly or indirectly and in memory to those that helped shape these foibles I want to thank my friends and family in helping create these stories for their inspiration and love *A Rose for Emily and Other Stories* William Faulkner, 2012-04-18 Here is a classic collection from one of America's greatest authors Though these short stories have universal appeal they are intensely local in setting With the exception of *Turn About* which derives from the time of the First World War all these tales unfold in a small town in Mississippi William Faulkner's birthplace and lifelong home Some stories such as *A Rose for Emily* *The Hound* and *That Evening Sun* are famous displaying an uncanny blend of the homely and the horrifying But others though less well known are equally colorful and characteristic The gently nostalgic *Delta Autumn* provides a striking contrast to *Dry September* and *Barn Burning* which are intensely dramatic As the editor Saxe Commins states in his illuminating Foreword These eight stories reflect the deep love and loathing the tenderness and contempt the identification and repudiation William Faulkner has felt

for the traditions and the way of life of his own portion of the world

The Voyage of the Rose City John

Moynihan, 2011-10-04 A gripping beautifully told story of a young man's coming of age at sea When John Moynihan decided to ship out in the Merchant Marine during the summer of his junior year at Wesleyan University his father Senator Daniel Patrick Moynihan was not enthusiastic As a young man before joining the U S Navy Pat Moynihan had worked the New York City docks and knew what his son would encounter However John's mother Elizabeth an avid sailor found the idea of an adventure at sea exciting and set out to help him get his Seaman's Papers When John was sworn in he was given one piece of advice to not tell the crew that his father was a United States senator The job ticket read forty five days from Camden New Jersey to the Mediterranean on the Rose City a supertanker As the ship sailed the orders changed and forty five days became four months across the equator around Africa across the Indian Ocean and up to Japan a far more perilous voyage than John or his mother had imagined The physical labor was grueling and outdated machinery aboard the ship including broken radar jeopardized the lives of the crew They passed through the Straits of Malacca three times with hazardous sailing conditions and threats of pirates But it was also the trip of a lifetime John reveled in the natural world around him listened avidly to the tales of the old timers and even came to value the drunken camaraderie among men whose only real family was one another A talented artist John drew what he saw and kept a journal on the ship that he turned into his senior thesis when he returned to Wesleyan the following year A few years after John died in his early forties the result of a reaction to acetaminophen his mother printed a limited edition of his journal illustrated with drawings from his notebooks Encouraged by the interest in his account of the voyage she agreed to publish the book more widely An honestly written story of a boy's coming into manhood at sea The Voyage of the Rose City is a taut thrilling tale of the adventure of a lifetime
