

Roses in December

Roses bloom, even in December's chill,
Defying frost with their gentle will.
In the cold, their colors vivid still,
A testament to nature's skill.

Through winter's grasp, they find a way,
Bringing warmth to the shortest day.
Their petals hold the sun's last ray,
In defiance, they stand, come what may.

The Informal Constitution Abhinav Chandrachud,2020-11-30 Enacted for historical reasons on 26 January 1950 the Constitution of India provided that the Supreme Court of India situated in New Delhi was to have one Chief Justice of India and not more than seven judges Today the Court has 33 judges in addition to the Chief Justice of India But who are these judges and where did they come from Its central thesis is that despite all established formal constitutional requirements there are three informal criteria which are used for appointing judges to the Supreme Court age seniority and diversity The author examines debates surrounding the Indian judicial system since the institution of the federal court during the British Raj This leads to a study of the political developments that resulted in the present collegium system of appointing judges to the Supreme Court of India Based on more than two dozen interviews personally conducted by the author with former judges of the Supreme Court of India this book uniquely brings to the fore the unwritten criteria that have determined the selection of judges to the highest court of law in this country for over six decades *December Rose* Maria Rachel Hooley,2018-09-16
