Rosey An Autobiography The Gentle Giant:

Rosey, an Autobiography Rosey Grier, Dennis Baker, 1986-01-01 *Jet*, 1986-09-29 The weekly source of African American political and entertainment news

Focus On: 100 Most Popular African-American Players of American Football Wikipedia contributors, *Queering the Subversive Stitch* Joseph McBrinn, 2021-04-08 The history of men's needlework has long been considered a taboo subject This is the first book ever published to document and critically interrogate a range of needlework made by men It reveals that since medieval times men have threaded their own needles stitched and knitted woven lace handmade clothes as well as other kinds of textiles and generally delighted in the pleasures and possibilities offered by all sorts of needlework Only since the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men's needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men's needlework as well as visual representations of the male needleworker in museum collections from artist's papers and archives in forgotten magazines and specialist publications popular novels and children's literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history

Chuckin' Charlie Conerly and the New York Football Giants Lew Freedman, 2023-06-15 All American quarterback Charlie Conerly's college career was interrupted by World War II He started at University of Mississippi in 1942 fought in the Battle of Guam in 1944 then led Ole Miss to their first conference championship in 1947 He went on to play for the New York Giants from 1948 to 1961 ultimately leading them to an NFL title

A College Football Hall of Famer Conerly was a professional All Star and the lynchpin of the Giants offense at time when the team was loaded with Hall of Famers who unduly overshadowed him during his heyday New York won repeat divisional crowns under the soft spoken Conerly and participated in the suspenseful first ever sudden death NFL title game in 1958 This first ever full length biography chronicles his life and career in detail **Jet**,1986-09-29 The weekly source of African American political and entertainment news Hedonizing Technologies Rachel Maines,2009-06-09 The book addresses basic issues in the history of labor and industry and makes an original contribution to the discussion of how technology and people interact **Bobby Kennedy** Larry Tye,2017-05-09 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough The Washington Post NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN s American Dynasties The Kennedys We are in Larry Tye s debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy s enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy In Bobby Kennedy Larry Tye peels away layers of myth and misconception to capture the full arc of his subject s life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for forty years He conducted hundreds of interviews with RFK intimates many of whom have never spoken publicly including Bobby s widow Ethel and his sister Jean Tye s determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and controversial member of the Kennedy family Praise for Bobby Kennedy A compelling story of how idealism can be cultivated and liberalism learned Tye does an exemplary job of capturing not just the chronology of Bobby s life but also the sense of him as a person Los Angeles Review of Books Captures RFK s rise and fall with straightforward prose bolstered by impressive research USA Today Tye has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail Michiko Kakutani The New York Times Nuanced and thorough RFK s vision echoes through the decades The Economist *African Americans in Sports* David K. Wiggins,2015-03-26 This two volume set features 400 articles on African Americans in sports including biographical entries as well as entries on events tournaments leagues clubs films and associations The entries cover all professional amateur and college sports such as baseball tennis and golf *American Legacy* C. David Heymann,2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if

not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John s and Caroline s childhood in the White House the dark aftermath of their father s assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John s and Caroline s loving but at times trying relationship with their larger than life mother as well as Jackie s own emotional struggles romantic relationships and financial concerns following JFK s death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr s romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline s rise to become one of the wealthiest women in America and her life now as the sole keeper of her family s magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family

Pigskin Nation Jesse Berrett, 2018-04-11 Cast as the ultimate hardhats football players of the 1960s seemed to personify a crewcut traditional manhood that channeled the Puritan work ethic Yet despite a social upheaval against such virtues the National Football League won over all of America and became a cultural force that recast politics in its own smashmouth image Jesse Berrett explores pro football s new place in the zeitgeist of the 1960s and 1970s The NFL s brilliant harnessing of the sports media complex combined with a nimble curation of its official line brought different visions of the same game to both Main Street and the ivory tower Politicians meanwhile spouted gridiron jargon as their handlers co opted the NFL s gift for spectacle and mythmaking to shape a potent new politics that in essence became pro football Governing entertainment news elections celebrity all put aside old loyalties to pursue the mass audience captured by the NFL s alchemy of presentation television and high stepping style An invigorating appraisal of a dynamic era *Pigskin Nation* reveals how pro football created the template for a future that became our present
