within Rosicrucians emerged as an antidote to the material side of alchemy Helena Petrovna Blavatsky,2020-11-13 Rosicrucians emerged in Europe as an antidote to the material side of alchemy and to stem the tide of the folly From this point of view the Rosicrucians are group of Reformers The spiritual side of man must be awakened and utilised before the Philosopher s Stone or the Elixir of Life can be discovered Wonder seekers then as now craving for power and wealth did not appreciate that higher ethics are prerequisite to real wisdom The Rosicrucians were alchemists in the spiritual sense and professors of divine magic which is devoid of selfishness love of power ambition and lucre Most divergent are the lines of thought between Christian and Occultist **The Secret Doctrine of the Rosicrucians** William Walker Atkinson, The student of the history of occultism and the esoteric teachings and even the average reader of current books and magazines finds many references to The Rosicrucians a supposed ancient secret society devoted to the study of occult doctrines and the manifestation of occult powers But when such person seeks to obtain detailed information concerning this supposed ancient order he finds himself baffled and defeated Before acknowledging the futility of the quest however he usually investigates one or more so called orders having as a part of their title the word Rosicrucian only to find himself invited to join such order upon the payment of a fee or fees ranging from a small amount in some cases to quite large amounts in others each order claiming to be the only original order and asserting that all the others are base imitators This book will give you all the insights on this secret order *MARTINIST, COHEN AND ROSICRUCIAN RITUALS* Joël DUEZ, **Reincarnation** ,1921

The Tree of Life and the Holy Grail Sylvia Francke,2007 Recent works of fiction and popular history have promoted the idea that the Holy Grail symbolizes a physical bloodline that resulted from a union of Jesus Christ and Mary Magdalene It is claimed by some that this is the secret kept tirelessly by certain esoteric movements for the past two millennia Based on her groundbreaking research Sylvia Francke exposes this notion as a blatant misinterpretation of the mystery traditions that preceded and ran parallel to the birth of Christianity She traces the ancient spiritual paths of knowledge from the Cathars the Knights Templar and the enigmatic Rosicrucians to the work of Rudolf Steiner in the twentieth century Here she concludes is true Grail knowledge the Tree of Life and the Holy Grail itself explained in their metaphysical context She suggests a solution to the mystery of sudden wealth and the strange behavior of B renger Sauni re the mysterious priest of Rennes le Ch teau in southern France True Grail knowledge Francke concludes has nothing to do with bloodlines or worldly status rather it is an ancient lifeline to the spiritual origins of creation Its energetic forces radiate out from the Earth and in from the constellations and planets while interacting with human individuals It represents the key to fulfilling humanity s quest and the next step in human evolution The recent explosion of interest in revisionist Christianity history the shadow Grail prompted Sylvia Francke to revise *The Tree of Life and the Holy Grail* first published in 1996 The result is a completely reworked and expanded book that offers a powerful and convincing refutation of distorted esoteric truths Rosicrucianism Samuel Shepherd,101-01-01 Rosicrucianism Esoteric Tradition Philosophy and Legacy of the Rosicrucian Order Unlock the

Rosicrucianism was one of many offshoots of Oriental Occultism Helena Petrovna Blavatsky, 2022-03-28 Rosicrucianism was not a sect it was but one of many branches of the same tree Rosicrucians no longer exist the last of that fraternity having departed in the person of Cagliostro Occultism is a double edged weapon for one who is unprepared to devote his whole life to it The theory of it unaided by serious practice will always remain a foolish and ignorant speculation He who rejects the immortality of man's soul cannot perceive the unity of homogeneity of his Creator through the plurality of heterogeneity and he therefore condemns himself to live hand by hand with death in the vale of tears Any attempt to learn about Occultism by book study alone will always prove insufficient even to the analytical mind trained to extract the quintessence of truth scattered throughout myriads of contradictory statements unless supported by practice and experience As primitive Christianity split into numerous sects so the science of Occultism gave birth to a variety of doctrines and brotherhoods For example the Egyptian Ophites became the Christian Gnostics shooting forth the Basilideans of the second century And the original Rosicrucians created the Paracelsists or Fire Philosophers the European Alchemists and other branches of their sect The Brotherhood of the Rosy Cross was not founded until the middle of the thirteenth century by Christian Rosenkreuz a reformed sorcerer The Rosicrucians gave birth to the early Theosophists at whose head was Paracelsus and to the Alchemists one of the most celebrated of whom was Thomas Vaughan who wrote the most practical things on Occultism under the name of Eugenius Philalethes The Welsh Alchemist was definitely made before he became Unlike the European Rosicrucians who in order to become and not be made have struggled alone violently robbing Nature of her secrets the Oriental Rosicrucians in the serene beatitude of their divine knowledge are ever ready to help the earnest student struggling to become with practical knowledge which dissipates like a heavenly breeze the darkest clouds of sceptical doubt Whereas the lofty principles and doctrines of Christ and Buddha were calculated to embrace the whole of humanity Confucius confined his attention solely to his own countrymen without troubling his head about the rest of mankind Intensely Chinese in patriotism and views his philosophical doctrines are as much devoid of the purely poetic element which characterizes the teachings of Christ and Buddha as the religious tendencies of his people lack in that spiritual exaltation which we find for instance in India Confucius did not have the depth of feeling and spiritual striving of his contemporary Lao tzu The heavy childish cold sensual nature of the Chinese explains the peculiarities of their

history Marginal are the differences between the Rosicrucian and the Oriental Kabbalah American Spiritualism which has proved such a sore in the side of the materialists will soon become a science of mathematical certitude instead of being regarded only as the crazy delusion of epileptic monomaniacs The Zohar is an inexhaustible mine of hidden wisdom and mystery for all subsequent Kabbalists All recent Kabbalahs are copies of the God s Splendour While the Oriental Kabbalah remained in its pure primitive shape the Mosaic or Jewish one is full of drawbacks and with the keys to many secrets purposely misinterpreted If the primitive Rosicrucians learned their first lessons of wisdom from Oriental Masters that was not so with their direct descendants the Paracelsists the Kabbalah of the latter Illuminati degenerated into the twin sister of the Jewish The custodians of the real Kabbalah of primitive humanity are certain Oriental philosophers Their location will not be revealed until the day when humanity shall awake from its spiritual lethargy and open its blind eyes to the dazzling rays of Truth Thus the light of Truth will finally dissipate the unhealthy mists of the battalions of religious sects which disgrace our times They will warm up and recall into new life the millions of wretched souls who shiver and are half frozen under the icy hand of deadly scepticism Occultism without practice will ever be like the statue of Pygmalion that no one can animate without infusing into it a spark of the Sacred Divine Fire The Jewish Kabbalah the only authority of the European Occultist is based on the secret meanings of the Hebrew scriptures which afford no hope for the adepts to solve them practically More The likelihood of anyone becoming a practical Kabbalist Rosicrucian through studying the Jewish Kabbalah single handed without being initiated and so being made such by someone who knows is as foolish as to hope to thread the Cretan labyrinth without a clue or to open the secret locks of the ingenious inventors of the mediaeval ages without having possession of the keys The Seventh Rule of the Rosicrucian who became but was not made has its secret meaning like every other phrase left by the Kabbalists to posterity The Rosicrucian has to struggle alone and toil long years in the hope of finding out some of the lesser secrets of the great Kabbalah His mental moral and physical fitness will be tested to the extreme His spirit will have to pass through the ordeal of incarnation and life and be baptised with matter before he could attain inner knowledge There is nothing new under the Sun There is not a science nor a modern discovery in any section of it which was not known to the Oriental Occultists of the hoary antiquity What would not modern physicians practitioners of their blind and lame science of medicine give for a part of the knowledge of botany and plants The hope of finding remnants of such wisdom as Ancient Asia possessed ought to tempt our conceited modern science to explore that territory assiduously Religions and sciences laws and customs they are all the direct products of Oriental Occultism disguised by the hand of time and palmed upon us under new pseudonyms The time is near when the old superstitions and the errors of centuries will be swept away by the hurricane of Truth There is scarcely a rite or ceremony of the Christian Church that does not descend from Occultism When the devout worshippers of the Vatican lift up their eyes in mute adoration upon the head of their God on Earth their Pontifex Maximus what they admire the most is the caricatured head dress the Amazon like helmet of Pallas Athene the heathen goddess
