Everest Media, 2022-04-29T22:59:00Z. Please note This is a companion version not the original book. Sample Book Insights 1 I was moved again this time to a house with my sisters Camille Gi and Norm. We were wards of the state and our mother had abandoned us. We were all very skinny because we were constantly hungry. 2 I was the eldest of three girls and we had survived a lot in our short lives. We had seen and experienced a lot but we rarely cried. Until that day when my sister couldn't stop crying. 3 My sisters and I were a single entity. We were a family and we were all together. We loved each other and we were happy. Then one day our mother came home with a carton of milk and a box of macaroni and cheese. She was drunk and angry because she had just fought with her latest boyfriend. There were no hellos or kisses. 4 When I was placed in foster care I was terrified of my mother who was extremely violent with me and my sisters. I was also terrified of the man who took me and my sisters to the car as we had heard Cookie say she would get us back. *Love, Rosie* Cecelia Ahern, 2005-02-01.
