of the Sapphire Spirit James Hicks, 2016-06-06 A little magic A little love sex A little religion philosophy mysticism And if I can remember only one explicit word though So scratch the third thing I said a lot of love and sex And the thing about the explicit the sex is kind of explicit kind of implied but oftentimes very explicit all without the use of an explicit word such as well they probably wouldn t want me to write an explicit word on the cover It s poetry Erotic poetry I suppose But that s my favorite genre of poetry when you read something after or during a bath and start to massage your nape and dream and still

feel clean afterward Two comedic poems if you can call them funny or maybe you might find different ones funny so This is a lovely world we live in You just have to see it that way The first few poems are in Spanish so don't feel bad to turn the page There is plenty in store for everyone Having dreamt often in the past of writing narratively but never being able to get myself to do so in a non poetic style there are also plenty of plots for your indulgences and my triumph over narratives We have to learn to treat sex and other venues of life like they are new like they have just come into the world that virgin wonder and fantasy as opposed to old and calculable Breathe and take it slow and breathe in every vapor of love That is why I go under the alias of The Virgin Poet
