ROTHSCHILD AND EARLY JEWISH COLONIZATION

Rothschild And Early Jewish Colonization In Palestine

Gregory S. Mahler, Reuven Y. Hazan

Rothschild And Early Jewish Colonization In Palestine:

Rothschild and Early Jewish Colonization in Palestine Ran Aharonson, 2000 It is commonly accepted that the initial Jewish resettlement of the Holy Land in the late nineteenth century laid the foundations of the State of Israel But what were the key elements of that process and who implemented it What did the new enterprise look like and what was its significance These important yet often poorly understood issues are reconstructed and analyzed in this unique study Ran Aaronsohn provides fresh insight into the role played by Baron Edmond de Rothschild through his many and diverse agents Othe administrationO in the Jewish settlement movement and places the endeavor in global perspective by comparing it to the phenomenon of colonization throughout the world The author draws upon a wide array of sources _including primary archival material from Israel and France _and illustrates his narrative with maps and historical photos to create a richly detailed picture of a crucial period in Jewish history

The Making of Eretz Israel in the Modern Era Yehoshua Ben-Arieh, 2020-03-09 Napoleon s invasion of the Middle East marks the beginning of the modern era in the region This book traces the developments that led to the making of a new and separate geographical political entity in the Middle East known as Eretz Israel and the establishment of the State of Israel within its bounds Thus its time frame runs from Napoleon s invasion of Eretz Israel Palestine in 1799 to the establishment of Israel in 1948 1949 Eretz Israel as the formal name of a separate entity in the modern era first appeared in the early translations into Hebrew of the Balfour Declaration while in the original document the country was referred to as Palestine During the period of Ottoman rule the territory that would in time be called Eretz Israel Palestine was not a separate political unit Among Jews use of Eretz Israel increased only after the beginning of Zionist aliyot Had the Zionist movement not arisen it is doubtful whether the development to which this study is devoted would have occurred The motivating force behind that process is without doubt the Zionist element That is why Jews are the major protagonists in this book

Lawrence and Aaronsohn Ronald Florence, 2007-07-19 The rivalry that presaged the world s most tenacious conflict As the Arab Israeli conflict continues to plague the Middle East historian Ronald Florence offers extraordinary new insights on its origins This is the story of T E Lawrence the young British officer who became famous around the world as Lawrence of Arabia Aaron Aaronsohn an agronomist from Palestine and the antagonism that divided them over the fate of the dying Ottoman Empire during World War I a clash of visions that set Arab nationalism and Zionism on a direct collision course that reverberates to this day

Zionism and Melancholy Nitzan Lebovic, 2019-04-24 Nitzan Lebovic claims that political melancholy is the defining trait of a generation of Israelis born between the 1960s and 1990s This cohort came of age during wars occupation and intifada cultural conflict and the failure of the Oslo Accords The atmosphere of militarism and conservative state politics left little room for democratic opposition or dissent Lebovic and others depict the failure to respond not only as a result of institutional pressure but as the effect of a long lasting left wing melancholy In order to understand its grip on Israeli society Lebovic turns to the novels and short stories of Israel Zarchi For

him Zarchi aptly describes the gap between the utopian hope present in Zionism since its early days and the melancholic reality of the present Through personal engagement with Zarchi Lebovic develops a philosophy of melancholy and shows how it pervades Israeli society **The Encyclopedia of the Arab-Israeli Conflict** Spencer C. Tucker, Priscilla

Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

The Oxford Handbook of the Jewish Diaspora Hasia R. Diner, 2021-11-05 For as long as historians have contemplated the Jewish past they have engaged with the idea of diaspora Dedicated to the study of transnational peoples and the linkages these people forged among themselves over the course of their wanderings and in the multiple places to which they went the term diaspora reflects the increasing interest in migrations trauma globalism and community formations The Oxford Handbook of the Jewish Diaspora acts as a comprehensive collection of scholarship that reflects the multifaceted nature of diaspora studies Persecuted and exiled throughout their history the Jewish people have also left familiar places to find better opportunities in new ones But their history has consistently been defined by their permanent lack of belonging This Oxford Handbook explores the complicated nature of diasporic Jewish life as something both destructive and generative Contributors explore subjects as diverse as biblical and medieval representations of diaspora the various diaspora communities that emerged across the globe the contradictory relationship the diaspora bears to Israel and how the diaspora is celebrated and debated within modern Jewish thought What these essays share is a commitment to untangling the legacy of the diaspora on Jewish life and culture This volume portrays the Jewish diaspora not as a simple unified front but as a population characterized by conflicting impulses and ideas The Oxford Handbook of the Jewish Diaspora captures the complexity of the Jewish diaspora by acknowledging the tensions inherent in a group of people defined by trauma and exile as well as by voluntary migrations to places with greater opportunity **The Woman Who Fought an Empire** Gregory J. Wallance, 2018-03-01 Though she lived only to twenty seven Sarah Aaronsohn led a remarkable life The Woman Who Fought an Empire tells the improbable but true odyssey of a bold young woman the daughter of Romanian born Jewish settlers in

Palestine who became the daring leader of a Middle East spy ring Following the outbreak of World War I Sarah learned that her brother Aaron had formed Nili an anti Turkish spy ring to aid the British in their war against the Ottomans Sarah who had witnessed the atrocities of the Armenian genocide by the Turks believed that only the defeat of the Ottoman Empire could save the Palestinian Jews from a similar fate Sarah joined Nili eventually rising to become the organization's leader Operating behind enemy lines she and her spies furnished vital information to British intelligence in Cairo about the Turkish military forces until she was caught and tortured by the Turks in the fall of 1917 To protect her secrets Sarah got hold of a gun and shot herself *The Woman Who Fought an Empire* set at the birth of the modern Middle East rebukes the Hollywood stereotype of women spies as femme fatales and is both an espionage thriller and a Joan of Arc tale *From Coexistence to Conquest* Victor Kattan, 2009-06-20 This book shows how the Arab Israeli conflict developed by looking beyond the legality argument to the men behind the policies It argues that Zionism was adopted by the British Government in its 1917 Balfour Declaration primarily as a way to control immigration The book places the violent reaction of the Palestinians to mass Jewish immigration in the context of Zionism and revisits the controversies over the question of self determination and the partition of Palestine Arguing that Israel was created through an act of conquest and subjugation the book concludes with a sobering analysis of the conflict arguing that neither Jews nor Arabs were to blame for starting it **World War I** Spencer C.

Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United States to becoming the world's leading economic power Its effects were profound and lasting and included outcomes that led to World War II This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers *World War I The Definitive Encyclopedia and Document Collection* offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use The set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography A fifth volume provides chronologically arranged documents and an A Z index

Sephardi Entrepreneurs in Jerusalem Joseph B. Glass, Ruth Kark, 2007 Here is the fascinating story of one of Jerusalem's founding families *Tangled Roots* Israel Bartal, 2020-02-12 A new interpretation of the roots of Israeli culture In *Tangled Roots* The Emergence of Israeli Culture Israel Bartal traces the history of modern Hebrew culture prior to the emergence of political Zionism Bartal examines how traditional and modernist ideals and Western and non European Jewish cultures

merged in an unprecedented encounter between an ancient land Israel and a multigenerational people the Jews Premodern Jewish traditionalists Palestinian locals foreign imperial forces and Jewish intellectuals writers journalists and party functionaries each affected the Israeli culture that emerged As this new Hebrew culture was taking shape the memory of the recent European past played a highly influential role in shaping the image of the New Hebrew that mythological hero who was meant to supplant the East European exilic Jew Features A critical revision of most contemporary politicized histories of Jewish nationalism An examination of the history of modern Hebrew culture prior to political Zionism *Shared Histories* Paul Scham, Walid Salem, Benjamin Pogrund, 2016-09-17 There is no single history of the development of the Israeli Palestinian conflict The Israeli historical narrative speaks of Zionism as the Jewish national movement of building a refuge from persecution and of national regeneration The Palestinian narrative speaks of invasion expulsion and oppression Its no wonder peace remains elusive This volume attempts to present both histories with parallel narratives of key points in the 19th and 20th centuries to 1948 The histories are presented by fourteen Israeli and Palestinian experts joined by other historians journalists and activists who then discuss the differences and similarities between their accounts By creating an appreciation understanding and respect for the other the first steps can be made to foster a shared history of a shared land The reader has the opportunity to witness first hand a respectful confrontation between the competing versions of the Israeli Palestinian conflict **The Oldest Guard** Liora R. Halperin, 2021-08-10 The Oldest Guard tells the story of Zionist settler memory in and around the private Jewish agricultural colonies moshavot established in late nineteenth century Ottoman Palestine Though they grew into the backbone of lucrative citrus and wine industries of mandate Palestine and Israel absorbed tens of thousands of Jewish immigrants and became known as the first wave First Aliyah of Zionist settlement these communities have been regarded and disregarded in the history of Zionism as sites of conservatism lack of ideology and resistance to Labor Zionist politics Treating the First Aliyah as a symbol created and deployed only in retrospect Liora R Halperin offers a richly textured portrait of commemorative practices between the 1920s and the 1960s Drawing connections to memory practices in other settler societies The Oldest Guard demonstrates how private agriculturalists and their advocates in the Zionist center and on the right celebrated and forged the First Aliyah past revealing the centrality of settlement to Zionist collective memory and the politics of Zionist settler firstness **Engineering Nature** Jessica B. Teisch, 2011-02-01 Focusing on globalization in the late nineteenth and early twentieth centuries Jessica Teisch examines the processes by which American water and mining engineers who rose to prominence during and after the California Gold Rush of 1849 exported the United States growing technical and environmental knowledge and associated social and political institutions In the frontiers of Australia South Africa Hawaii and Palestine semiarid regions that shared a need for water to support growing populations and economies California water engineers applied their expertise in irrigation and mining projects on behalf of foreign governments and business interests Engineering Nature explores how controlling the vagaries

of nature abroad required more than the export of blueprints for dams canals or mines it also entailed the problematic transfer of the new technology s sociopolitical context Water engineers confronted unforeseen variables in each region as they worked to implement their visions of agrarian settlement and industrial growth including the role of the market government institutions property rights indigenous peoples labor and not last the environment Teisch argues that by examining the successes and failures of various projects as American influence spread we can see the complex role of globalization at work often with incredibly disproportionate results

Homeland Yael Allweil,2016-09-19 As Yael Allweil reveals in her fascinating book housing has played a pivotal role in the history of nationalism and nation building in Israel Palestine She adopts the concept of homeland to highlight how land and housing are central to both Zionism and Palestinian nationalism and how the history of Zionist and Palestinian national housing have been inseparably intertwined from the introduction of the Ottoman Land Code in 1858 to the present day

Sculpting a Life Paula Birnbaum,2023-02-07 The first biography of sculptor Chana Orloff and the first to include stories from her unpublished memoir which focus on the artist s early life in Ukraine her family s move to Palestine and Orloff s life there 1905 1910 and her subsequent years between Paris and Tel Aviv

Politics and Government in Israel, Fourth Edition Gregory S. Mahler,Reuven Y. Hazan,2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel s history authors Gregory S Mahler and Reuven Y Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel s foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise *Politics and Government in Israel* provides an invaluable starting point for all readers needing a cogent introduction to Israel today

Palestine Albert M. Hyamson,2022-06-01 First published in 1942 Palestine is a brief history of Zionism interspersed with a wealth of observation stimulation for the seeker of objective truth The author develops his own theories of Jewish racialism nationalism and colonization and elaborates on the role of Britain with respect to Zionism in Palestine He also expands on the binary of a spiritual Zionism and a territorial neo Zionism stating that former believed in peaceful coexistence with the Arab population in Palestine while the latter is only invested in aggressive nationalism The language used is a reflection of its era and no offence is meant by the Publishers to any reader by this republication This book will be of interest to students of history political science international relations and geography

Jews and Leftist Politics Jack Jacobs,2017-03-24 The relationships past and present between Jews and the political left remain of abiding interest to both the academic community and the public *Jews and Leftist Politics* contains new and insightful chapters from world renowned

scholars and considers such matters as the political implications of Judaism the relationships of leftists and Jews the histories of Jews on the left in Europe the United States and Israel contemporary anti Zionism the associations between specific Jews and Communist parties and the importance of gendered perspectives It also contains fresh studies of canonical figures including Gershom Scholem Gustav Landauer and Martin Buber and examines the affiliations of Jews to prominent institutions calling into question previous widely held assumptions The volume is characterized by judicious appraisals made by respected authorities and sheds considerable light on contentious themes

The Life and Thought of Ze'ev Jawitz

Asaf Yedidya, 2021-03-05 Ze ev Jawitz 1847 1924 was one of the foremost intellectuals of the First Aliyah and a leader of the religious faction within the Hibbat Zion movement and the Zionist Organization During his life he experienced the transition from living in the Diaspora to settling in the homeland and he faced complex problems along with rare opportunities The Life and Thought of Ze ev Jawitz To Cultivate a Hebrew Culture is based on rich archival material most of which has never been published It moves along two axes historically it follows Jawitz s life through the places where he lived Jerusalem Russia Germany and England and intellectually it analyzes Jawitz s literary and philosophical work against the backdrop of his time
