monotremes and rodents through to bats seals and whales The new edition sees the addition of 14 newly described species and includes all the latest taxonomic treatments and many changes to names common and scientific and other features that have been accepted in the 14 years that have passed since the publication of the Third Edition Australia's Wild Places Roger McDonald, 2009 Drawing on the extensive collection of the National Library of Australia this book highlights the fingerprints humans have left on the landscape through the lenses of Australia's greatest photographers Roger McDonald has written an insightful introductory essay as well as extended captions describing his response Atlas Obscura: Wild Life Cara Giaimo, Joshua Foer, Atlas Obscura, 2024-09-17 From the bestselling authors of Atlas Obscura and Gastro Obscura comes a nature book like no other a dazzling over the top collection of the world's most extraordinary wild species that takes you to all seven continents and beyond It's more than a field guide it's an adventure From the curious minds of Atlas Obscura authors of 1 New York Times bestselling Atlas Obscura and Gastro Obscura comes an unputdownable celebration of the world's living wonders Learn how dung beetles navigate by the stars and trees communicate through their roots Meet one of the strongest animals in the world the puny peacock mantis shrimp Pay your respects to a 44 000 year old shrub float along flying rivers and explore a garbage dump overseen by endangered storks Examine old examples of bird song notation written on sheet music Also first person interviews hear from a honey hunter and his avian partners a scientist working to find the world's only ocean dwelling insects and an offshore radio DJ who is at the heart of the local fishing community Featuring over 500 extraordinary plants animals and natural phenomena with illustrations and photos on every page the book takes readers around the globe from Antarctic deserts to lush jungles and into the deepest fathoms of the ocean and the hearts of our densest cities Teeming with detail and wildly entertaining Wild Life reinvigorates our sense of wonder awe and amazement about the incredible creatures we share our planet with *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **Dingo Bold** Rowena Lennox, 2021-01-01 Dingo Bold is a thought provoking exploration of the relationship between people and dingoes At its heart is Rowena Lennox's encounter with a dingo on the beach on K gari Fraser Island a young male she nicknames Bold Struck by this experience and by the intense often polarised opinions expressed in public conversations about dingo conservation and control she sets out to understand the complex relationship between humans and dingoes Weaving together ecological data interviews with people connected personally and professionally with K gari's dingoes and Lennox's expansive reading of literary historical and scientific accounts Dingo Bold considers what we know about the history of relations between dingoes and humans and what preconceptions shape our attitudes today Do we see dingoes as native wildlife or feral dogs Wild or domesticated animals A

tourist attraction or a threat And how do our answers to these questions shape our interactions with them Dingo Bold is both a moving memoir of love and loss through Lennox s observations of the natural world and an important contribution to wider conversations about conservation and animal welfare Combining natural history Indigenous culture folklore memoir and environmental politics this is an elegantly written and affectionate tribute to Australia s most maligned and least understood native animal Jacqueline Kent Fuelled by empathy curiosity and passion and informed by research data and observation this moving and compelling book speaks to the heart and to the head Rowena Lennox poses questions about our relationship with dingoes and our role in the natural world that are as bold and lively as her subject Debra Adelaide *Australia's Poisonous Plants, Fungi and Cyanobacteria* Ross McKenzie,2020-05-01 Australia s Poisonous Plants Fungi and Cyanobacteria is the first full colour comprehensive guide to the major natural threats to health in Australia affecting domestic and native animals and humans The overriding aim of the book is to prevent poisoning as there are few effective treatments available particularly in domestic animals The species have been chosen because of their capacity to threaten life or damage important organs their relative abundance or wide distribution in native and naturalised Australian flora or because of their extensive cultivation as crops pastures or in gardens These include flowering plants ferns and cone bearing plants macrofungi ergot fungi and cyanobacteria The plant species are grouped by life form such as herbs grasses and sedges shrubs trees and for flowering plants by flower type and colour for ease of identification Species described have colour photographs distribution maps and notes on confusing species habitats toxins animals affected conditions of poisoning clinical signs and symptoms post mortem changes therapy prevention and control Symbols are used for quick reference to poisoning duration and available ways of managing poisoning As further aids to understanding poisoning hot spots are highlighted and the book lists plants under the headings of animals affected and organs affected A Digest gives brief details for all poisonous species in Australia This book is written in a straightforward style making it accessible to a wide audience including farmers veterinarians agricultural advisors gardeners horticulturists botanists and park rangers medical practitioners and paramedics teachers parents and pet owners First published in 2012 as a hardback and made available in eBook format in 2020 *Tariff Act of 1929* United States. Congress. Senate. Committee on Finance,1929 **The Slap** Roger McDonald,1996 A novel which spans a lifetime and tells of the power of love and friendship Tanner Hatton Finch is given a life giving blow as a baby boy but there seems little promise in his life He grows up wild in an isolated windswept countryside the child of misplaced artistic parents Obsessed with fire and explosives he lies cheats and steals his way through a childhood set on a course of opposition and destruction When he meets Ruby his life is transformed only to be changed absolutely with the appearance of Kel a boy with a talent for loyalty and a love of knives The author has written five novels including Slipstream Water Man and Rough Wallaby [Schedule 7](#) United States. Congress. Senate. Committee on Finance,1929 *When Colts Ran* Roger McDonald,2011 Life on the land is a study in contrasts shadow and light abundance and blight the transcendent moment

eroded by the persistence of time And it s against this backdrop in the shearing sheds of Eureka Station across the sweeping hills and lagoons of the Isabel district and the fleeting camaraderie of the Five Alls pub that men play out their fates conduct their affairs and hope for the best WHEN COLTS RAN written in Roger McDonald s inimitably rich and piercingly observant style charts the ebb and flow of human fortune and our fraught desire to leave an indelible mark on society and those closest to us It shows how loyalties shape us in the most unexpected ways It s the story of how men strike at beauty as they fall to the earth The Bulletin ,1993 **Where the Wild Books Are** Jim Dwyer,2010-04-01 As interest in environmental issues grows many writers of fiction have embraced themes that explore the connections between humans and the natural world Ecologically themed fiction ranges from profound philosophical meditations to action packed entertainments Where the Wild Books Are offers an overview of nearly 2 000 works of nature oriented fiction The author includes a discussion of the precursors and history of the genre and of its expansion since the 1970s He also considers its forms and themes as well as the subgenres into which it has evolved such as speculative fiction ecodefense animal stories mysteries ecofeminist novels cautionary tales and others A brief summary and critical commentary of each title is included Dwyer s scope is broad and covers fiction by Native American writers as well as ecofiction from writers around the world Far more than a mere listing of books Where the Wild Books Are is a lively introduction to a vast universe of engaging provocative writing It can be used to develop book collections or curricula It also serves as an introduction to one of the most fertile areas of contemporary fiction presenting books that will offer enjoyable reading and new insights into the vexing environmental questions of our time

Grasses of the NSW tablelands Harry Rose,Carol Rose,Clare Edwards,Jenene Kidston,2024-11-08 An easy to use reference to the grasses of the NSW tablelands including the methods of identifying species Beautiful colour photographs for each species Notes on appearance and management *Albert of Adelaide* Howard Anderson,2012-07-10 At once an old fashioned buddy novel shoot em up and a work of deliciously imagined fantasy Howard L Anderson s dazzling debut presents the haunting story of a world where something has gone horribly awry Having escaped from Australia s Adelaide Zoo an orphaned platypus named Albert embarks on a journey through the outback in search of Old Australia a rumored land of liberty promise and peace What he will find there however away from the safe confinement of his enclosure for the first time since his earliest memories proves to be a good deal more than he anticipated Alone in the outback with an empty soft drink bottle as his sole possession Albert stumbles upon pyromaniacal wombat Jack and together they spend a night drinking and gambling in Ponsby Station a rough and tumble mining town Accused of burning down the local mercantile the duo flees into menacing dingo territory and quickly go their separate ways Albert to pursue his destiny in the wastelands Jack to reconcile his past Encountering a motley assortment of characters along the way a pair of invariably drunk bandicoots a militia of kangaroos hordes of the mercurial dingoes and a former prize fighting Tasmanian devil our unlikely hero will discover a strength and skill for survival he never suspected he possessed Told with equal parts wit and compassion Albert of Adelaide

shows how it is often the unexpected route and the most improbable companions that lead us on the path to who we really are Who you journey with after all is far more important than wherever it is you are going **Plants of Western New South Wales** G. M. Cunningham, 2011-07-28 Now back in print Plants of Western New South Wales grew from the long experience and expertise which the authors acquired during their employment with their respective organisations in the arid and semi arid pastoral areas of the State Each author became aware of the need for a comprehensive record illustrating and describing the great array of plants in the area The need was identified both for people involved in research and advisory services and particularly for the landholders who need to manage the plants for their livelihood The book is a landmark because it draws together all of the existing knowledge of plants from the area adds to it the extensive collections and research of the authors and presents the whole as a comprehensive collation and description of the plants of the dry pastoral portion of the State Because of its comprehensive nature the work is significant to pastoralists and people concerned with plants throughout Australia The 1992 edition of Plants of Western New South Wales has been reprinted and published by CSIRO PUBLISHING with a one page appendix giving website addresses of various herbaria in Australia where the reader can readily access up to date information on botanical name changes United States Imports of Merchandise for Consumption , 1962
