# Round Dance A Century Of Waltzing

**Henry T. Finck**

## **Round Dance A Century Of Waltzing:**

**The Round Dance Book** Lloyd Shaw,1985-09      *The round dance book* Lloyd Shaw,1950 Century of waltzing with over a hundred old time American round dances and circle mixers      **Waltzing Through Europe: Attitudes towards Couple**

**Dances in the Long Nineteenth-Century** Egil Bakka,Theresa Jill Buckland,Helena Saarikoski ,Anne von Bibra Wharton,2020-09-10 From folk devils to ballroom dancers *Waltzing Through Europe* explores the changing reception of fashionable couple dances in Europe from the eighteenth century onwards A refreshing intervention in dance studies this book brings together elements of historiography cultural memory folklore and dance across comparatively narrow but markedly heterogeneous localities Rooted in investigations of often newly discovered primary sources the essays afford many opportunities to compare sociocultural and political reactions to the arrival and practice of popular rotating couple dances such as the Waltz and the Polka Leading contributors provide a transnational and affective lens onto strikingly diverse topics ranging from the evolution of romantic couple dances in Croatia and Strauss s visits to Hamburg and Altona in the 1830s to dance as a tool of cultural preservation and expression in twentieth century Finland *Waltzing Through Europe* creates openings for fresh collaborations in dance historiography and cultural history across fields and genres It is essential reading for researchers of dance in central and northern Europe while also appealing to the general reader who wants to learn more about the vibrant histories of these familiar dance forms      *The Round Dance Book; a Century of Waltzing, with a Foreword by Thomas Hornsby Ferril; with Over a Hundred Old-time American Round Dances and Circle Mixers* Lloyd Shaw,1948

**The Waltzing Body in Victorian Literature** Sabrina Gilchrist Hadyk,2025-03-27 *The Waltzing Body in Victorian Literature Narratives of Sexuality and Power* traces the evolution of the waltz from a taboo dance in the early nineteenth century to a gracefully nostalgic practice that must be preserved by the century s end While Sabrina Gilchrist Hadyk references eighteenth century authors to frame the waltz s initial reception in England the study focuses primarily on Victorian authors who shaped how and why this dance was paradoxically viewed as elegant effeminate and sterile Hadyk explores female sexuality and the concept of choice in the ballroom a shifting and sometimes contradictory understanding of masculinity through male performance the erasure of and reclamation of queer desire in heterosexual courting spaces and the rhetoric of new technologies that attempted to contain shape and memorialize a temporal art form A brief epilogue considers how late Victorian and heavily sanitized and romanticized depictions of the waltz reverberate today in popular films and reality TV which perpetuate Victorian assumptions about class gender sexuality and more By understanding the history of the waltz the reader is invited to examine the dizzying discomfort that many Victorians expressed about forging ahead into a modern and modernizing world particularly at the turn of the century With comparatively little scholarship around understanding dance scenes and dance semiotics in literature this book articulates a new interpretive path for familiar and unfamiliar nineteenth century narratives offering new ways of understanding and engaging with the role and

culture of dance      **Undisciplined Women** Pauline Greenhill, Diane Tye, 1997 Redressing a neglect of women's traditions and feminist perspectives in Canadian folklore studies 20 contributions discuss female experiences of traditional culture from feminist viewpoints The authors look at the effect of gender on the collecting and interpreting of women's folklore negative and positive images of women in traditional and popular culture and women's use of creativity in their everyday lives Some contributors are nonacademics Annotation copyrighted by Book News Inc Portland OR      **Romantic Love and Personal Beauty** Henry T. Finck, 2022-09-15 In *Romantic Love and Personal Beauty* Henry T Finck explores the intricate interplay between ideals of beauty and the nature of romantic love presenting a compelling examination rooted in the aesthetic movements of the late 19th century Finck employs a lyrical prose style blending philosophical discourse with personal anecdotes and cultural critiques He situates love within the broader context of beauty as an essential human experience navigating through historical and contemporary perspectives that reveal how societal norms shape personal relationships and self perception Henry T Finck was a noted American author and lecturer with a profound interest in aesthetics and cultural criticism His extensive travels and deep engagement with European art and literature influenced his perspectives on beauty and love leading him to contemplate their intimate connection Finck's work reflects a transitional period where the Romantic ideals of the 19th century faced the emerging realism of the 20th showcasing his unique ability to synthesize these influences into a coherent narrative This book is an essential read for anyone interested in the philosophical underpinnings of love and beauty Finck's insights resonate throughout history and remain relevant today compelling readers to reflect on how personal beauty shapes and is shaped by the experience of romantic love      *Darwin's Unfinished Symphony* Kevin N. Lala, 2018-09-11 Humans possess an extraordinary capacity for culture from the arts and language to science and technology But how did the human mind and the uniquely human ability to devise and transmit culture evolve from its roots in animal behavior Darwin's *Unfinished Symphony* presents a captivating new theory of human cognitive evolution This compelling and accessible book reveals how culture is not just the magnificent end product of an evolutionary process that produced a species unlike all others it is also the key driving force behind that process Kevin N Lala tells the story of the painstaking fieldwork the key experiments the false leads and the stunning scientific breakthroughs that led to this new understanding of how culture transformed human evolution It is the story of how Darwin's intellectual descendants picked up where he left off and took up the challenge of providing a scientific account of the evolution of the human mind      **Hoedowns, Reels, and Frolics** Phil Jamison, 2015-07-15 In *Hoedowns Reels and Frolics* old time musician and flatfoot dancer Philip Jamison journeys into the past and surveys the present to tell the story behind the square dances step dances reels and other forms of dance practiced in southern Appalachia These distinctive folk dances Jamison argues are not the unaltered jigs and reels brought by early British settlers but hybrids that developed over time by adopting and incorporating elements from other popular forms He traces the forms from their European African American and Native American roots to the modern day On

the way he explores the powerful influence of black culture showing how practices such as calling dances as well as specific kinds of steps combined with white European forms to create distinctly American dances From cakewalks to clogging and from the Shoo fly Swing to the Virginia Reel Hoedowns Reels and Frolics reinterprets an essential aspect of Appalachian culture

The Wicked Waltz and Other Scandalous Dances Mark Knowles,2009-06-08 The waltz perhaps the most beloved social dance of the 19th and early 20th centuries once provoked outrage from religious leaders and other self appointed arbiters of social morality Decrying the corrupting influence of social dancing they failed to suppress the popularity of the waltz or other dance crazes of the period including the Charleston the tango and animal dances such as the Turkey Trot Grizzly Bear and Bunny Hug This book investigates the development of these popular dances considering in particular how their very existence as taboo cultural fads ultimately provided a catalyst for lasting social reform In addition to examining the impact of the waltz and other scandalous dances on fashion music leisure and social reform the text describes the opposition to dance and the proliferation of literature on both sides

**Revolutions in American Music: Three Decades That Changed a Country and Its Sounds** Michael Broyles,2024-02-20 The story of how unexpected connections between music technology and race across three tumultuous decades changed American culture How did a European social dance craze become part of an American presidential election Why did the recording industry become racially divided Where did rock n roll really come from And how do all these things continue to reverberate in today s world In *Revolutions in American Music* award winning author Michael Broyles shows the surprising ways in which three key decades the 1840s the 1920s and the 1950s shaped America s musical future Drawing connections between new styles of music like the minstrel show jazz and rock n roll and emerging technologies like the locomotive the first music recordings and the transistor radio Broyles argues that these decades fundamentally remade our cultural landscape in enduring ways At the same time these connections revealed racial fault lines running through the business of music in an echo of American society as a whole Through the music of each decade we come to see anew the social cultural and political fabric of the time Broyles combines broad historical perspective with an eye for the telling detail and presents a variety of characters to serve as focal points including the original Jim Crow a colorful Hungarian dancing master named Gabriel de Korponay Empress of the Blues Bessie Smith and the singer Johnnie Ray whom Tony Bennett called the father of rock n roll Their stories and many others animate Broyles s masterly account of how American music became what it is today
