Under Heaven's Brow Ward Hunt Goodenough,2002 For the people of Chuuk and for students of religion and Micronesian culture this book pulls together and makes available in English the somewhat scattered published accounts largely in German along with Goodenough s own as yet unpublished information about religious beliefs and ritual practices in pre Christian Chuuk The materials are presented in a way that seeks to document and illustrate a particular approach a functional one to understanding the kinds of human concerns that give rise to religious behavior Simply to describe traditional beliefs and rituals without the relevant social background information leaves the reader without any feeling for what were the emotional concerns engendered by life in Chuukese society that ritual practices helped people address Ward Goodenough offers a theoretical introduction the necessary background information about Chuuk and the ways in which members of Chuukese society experienced themselves and their fellows the world view and overall set of beliefs providing

the intellectual framework within which ritual practices were formulated and understood and the various bodies of ritual practices He concludes the book with a summary that pulls together how the rituals described appear to related to the emotional concerns that growing up and living in Chuuk tended to create *Beyond Heaven's River* Greg Bear,2014-04-29 A Japanese WWII soldier finds himself on an alien world in this novel from the bestselling master of the grand scale SF novel Booklist Yoshio Kawashita is a great warrior until aliens whisk him away during World War II They put him on a desolate planet far from his home where he is destined to remain forever leaving him alone in his new hell Then Anna Nestor appears This empress does not see planets as homes for their inhabitants she sees exploitable real estate Anna Nestor views Kawashita as a sideshow attraction until they fall in love But the two lovebirds cannot be free until they find out who kidnapped Kawashita and why Blue Heaven's Tent Markie Doczi,2023-03-07 Set in Berlin Germany in 1961 Blue Heaven s Tent tells the story of Klaus Franke whose life is changed forever when he wakes one morning to find himself separated from his family by barbed wire Now trapped in Communist East Germany Klaus grows increasingly desperate to escape as the barbed wire develops into the infamous Berlin Wall Meanwhile his wife Gerda is stuck in West Berlin raising their two children as a single parent When Klaus is thrown into political prison Gerda waits to hear but fears to learn of her husband s fate **Taxing Heaven's Storehouse** Paul J. Smith,2020-10-26 Tea growing was a prosperous industry in Sichuan when Wang Anshi s New Policies created a Tea Market Agency to buy up Sichuanese tea and trade it to Tibetan tribesmaen for cavalry horses At first the highly autonomous agency not only acquired the needed horses but made a profit After the Junchen conquest of Noth China however market realities changed and the combined Tea and Horse Agency s once successful policies ruined tea farmers failed to meet quotas for horses and ran a deficit Paul J Smith details the workings of Sichuan tea farming and the tea trade examines the geopolitical factors that forced the Song to buy horses and graphically describes the difficulties of driving them more than a thousand miles through rugged mountains with only inexperienced conscripts as trail hands In this study of fiscal sociology Smith also explains how the Tea and Horse Agency transformed the Sichuan local elite which was notorious for its resistance to state power into imperial civil servants eager to tax their own region He draws on modern theories of corporate behavior to explain what made the inner workings of the Agency an extraordinary departure for the Chinese civil service and he demonstrates how the agency put into practice the most radical New Policies theories of state economic activism The Agency made entrepreneurs out of bureaucrats but ultimately became ruinously tyrannical as the system of state rewards and punishments drove its personnel to actions that crippled key sectors of the economy **Vacations Can Be Murder** Connie Shelton,2009-09-11 **From Hell Street to Heaven's Gate** Aubrey Ray Vaughan,2025-01-30 Hell Street was located on an inner city street in Houston Texas For over twenty years while being the Pastor of the Church conducting a Christian school and conducting a skid row mission we were able to tell many fallen and lifeless addicted men and women that sweet old story that Jesus Christ saves sinners It is and was such a

thrilling experience to see hope come back into their lives and see their joy because their sins and their old life had been forgiven forever Starting over is difficult but it is not impossible Hell Street was the term adopted by some of the men in our rescue mission who had walked those streets It was the term that describes the area where our church buildings were located Con men party people prostitutes and drug pushers regularly walked by the buildings At any given time of the day one could see several drug deals transpiring across the street from the church buildings Approximately thirty legal beer joints bars strip clubs porn bookstores and nightclubs owned by the Chinese Mafia and other like groups and individuals lined the streets around our church buildings When we left the area we had witnessed several bars closing and one porn shop and one abortion clinic shut down The area had changed some but it was clear that the wicked would always have their places of amusement for any unsuspecting simple person Our new home in the country setting was given the street name Heaven s Gate which sparked the title for this book **The Reunion at Heaven'S Gate and Other Stories** Shel

Weissman,2017-12-18 The Reunion at Heavens Gate and Other Stories continues in the examination of the collision and complexities of survival redemption and change The author reveals the dark corners of characters and their immense desire to rise above what appears to be insurmountable odds Their burdens are deep yet their courage to triumph brings hope and revitalization Weissman is an optimist and is revealed through the veil of his characters which often appear in danger of losing it all Their need to move forward becomes greater than the twisted circumstances they have difficulty relinquishing The stories overflow with excitement compassion and truthfulness *Dialogues* Seneca,2015-10-06 Seneca s Dialogues as

Brent Johannsen, 2022-08-01 No matter who you are there is one simple question each of us must ultimately answer Where do you stand with Jesus It really is a very simple question with eternal final results that will at last determine where you spend eternity That was the simple question I asked my dad one day nearly thirty five years ago This simple question was met with an incredible and angry response from my mother who thought that I had no right asking such a question and that it was none of my business This was basically the same response that I got from my sister when she learned that I had the temerity to ask this question of my dad This simple little question began a familial discord between my mother and me that resulted in what ended up as largely a dysfunctional family relationship for almost thirty years In addition to this underlying cause of our family dysfunction I did more than my share to advance the cause of dysfunction in our family Over the course of years our family relationships remained strained and distant largely my fault until that day when we all learned that our mom had cancer From that point on things were very different in our family The steady treatment and advance of Mom's cancer seemed to take an oddly twisted and tangled route to a result that left all of us arguably stunned and even more so surprised This is the story of that twisted and tangled trip
