Historical Film Jonathan Stubbs, 2013-03-28 Although precise definitions have not been agreed on historical cinema tends to cut across existing genre categories and establishes an intimidatingly large group of films In recent years a lively body of work has developed around historical cinema much of it proposing valuable new ways to consider the relationship between cinematic and historical representation However only a small proportion of this writing has paid attention to the issue of genre In order to counter this omission this book combines a critical analysis of the Hollywood historical film with an examination of its generic dimensions and a history of its development since the silent period Historical Film A Critical Introduction is concerned not simply with the formal properties of the films at hand but also the ways in which they have

been promoted interpreted and discussed in relation to their engagement with the past

[Sports History](#) Robert Edelman,Wayne Wilson,2017-04-06 Orwell was wrong Sports are not war without the shooting nor are they war by other means To be sure sports have generated animosity throughout human history but they also require rules to which the participants agree to abide before the contest Among other things those rules are supposed to limit violence even death More than anything else sports have been a significant part of a historical civilizing process They are the opposite of war As the historical profession has taken its cultural turn over the last few decades scholars have turned their attention to subject once seen as marginal As researchers have come to understand the centrality of the human body in human history they have come to study this most corporeal of human activities Taking early cues from physical educators and kinesiologists historians have been exploring sports in all their forms in order to help us answer the most fundamental questions to which

scholars have devoted their lives We have now seen a veritable explosion excellent work on this subject just as sports have assumed an even greater share of a globalizing world s cultural political and economic space Practiced by millions and watched by billions sports provide an enormous share of content on the Internet This volume combines the efforts of sports historians with essays by historians whose careers have been devoted to more traditional topics We want to show how sports have evolved from ancient societies to the world we inhabit today Our goal is to introduce those from outside this sub field to this burgeoning body of scholarship At the same time we hope here to show those who may want to study sport with rigor and nuance how to embark on a rewarding journey and tackle profound matters that have affected and will affect all of humankind
