Royo County Robert Roper,1973 **Ancestors, Virgins, and Friars** Eugenio Menegon,2020-10-26 Christianity is often praised as an agent of Chinese modernization or damned as a form of cultural and religious imperialism In both cases Christianity s foreignness and the social isolation of converts have dominated this debate Eugenio Menegon uncovers another story In the sixteenth century European missionaries brought a foreign and global religion to China Converts then transformed this new religion into a local one over the course of the next three centuries Focusing on the still active Catholic communities of Fuan county in northeast Fujian this project addresses three main questions Why did people convert How did converts and missionaries transform a global and foreign religion into a local religion What does Christianity s localization in Fuan tell us about the relationship between late imperial Chinese society and religion Based on an impressive array of sources from Asia and Europe this pathbreaking book reframes our understanding of Christian missions in Chinese Western relations The study s implications extend beyond the issue of Christianity in China to the wider fields of religious and social history and the early modern history of global intercultural relations The book suggests that Christianity became part of a preexisting pluralistic local religious space and argues that we have so far underestimated late imperial society s tolerance for heterodoxy The view from Fuan offers an original account of how a locality created its own religious culture in Ming Qing China within a context both global and local and illuminates the historical dynamics contributing to the remarkable growth of Christian communities in present day China The Origin of Certain Place Names in the United States Henry Gannett,1905

Fatal Mountaineer Robert Roper,2024-05-01 Vivid characterization gripping accounts of extreme mountaineering and cultural historical and philosophical reflection a rich tapestry San Francisco Chronicle Robert Roper s Fatal Mountaineer is a riveting look at Willi Unsoeld and the epic climbs that defined him a classic narrative blending action with ethics fame with tragedy a man s ambition with a father s anguish In 1963 Willi Unsoeld became an international hero for his conquest of the West Ridge of Everest A charismatic professor of philosophy Unsoeld was one of the greatest climbers of the twentieth century a man whose raw physical power and casual fearlessness inspired a generation of adventurers In 1976 during an expedition to Nanda Devi the tallest peak in India Unsoeld s philosophy of spiritual growth through mortal risk was tragically tested The outcome of that expedition continues to fuel one of the most fascinating debates in mountaineering history A provocative look at a still legendary climber Publishers Weekly A cautionary tale of how pursuit of a mountain at any cost and in any weather can have deadly consequences Lynn Arave Deseret News Salt Lake City UT The book s greatest
