web represent constant values of both first derivatives within any element galerkin s method to derive element equations for equations 4 9a and 4 9b by galerkin s method we first express the approximate behavior of the temperature within each element according to equation 4 9d then applying galerkin s method we may write  $ff_n$

*the finite element method for engineers 3rd edition goodreads* - Jun 17 2022

web designed to serve as an introductory text which presents the finite element technique in a clear easy to understand manner the emphasis remains on establishing an accessible comprehension of fundamentals to facilitate using the method in research and or to solve practical existing problems
