Scientific Thought 1900-1960 A Selective Survey:

Scientific Thought 1900-1960 Rom Harré, 1969 In preparing this collection of essays the aim has been to capture something of the main currents of scientific thought since the beginning of this century Preface *Modern England 1901-1970* Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth

Modern England, 1901-1984 Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England [National Library of Medicine Current Catalog](#) National Library of Medicine (U.S.), 1971 **Science And Society** John Scales Avery, 2016-09-14 The latest advances and discoveries in science have made and continue to make a huge impact on our lives This book is a history of the social impact of science and technology from the beginnings of civilization up to the present The book explains how the key inventions agriculture writing and printing with movable type initiated an explosive growth of knowledge and human power over the environment It also shows how the Industrial Revolution changed the relationship between humans and nature and initiated a massive use of fossil fuels Problems related to nuclear power nuclear weapons genetic engineering information technology exhaustion of non renewable resources use of fossil fuels and climate change are examined in the later chapters of the book Finally the need for ethical maturity to match our scientific progress is discussed *Reader's Guide to the History of Science* Arne Hessenbruch, 2013-12-16 The Reader's Guide to the History of Science looks at the literature of science in some 550 entries on individuals Einstein institutions and disciplines Mathematics general themes Romantic Science and central concepts Paradigm and Fact The history of science is construed widely to include the history of medicine and technology as is reflected in the range of disciplines from which the international team of 200 contributors are drawn [Scientific Thought: 1906-1960](#), 1969 **Standardizing Pharmacology: Assays and Hormones** Michael J. Parnham, Clive Page, Jacques Bruinvels, 2023-02-23 Standardizing Pharmacology Assays and Hormones Volume Two in the Discoveries in Pharmacology series presents selected articles from historic discoveries that are enhanced with commentary from contemporary scholars who present discussions on the importance of each chapter along with an updated bibliography on the subject and contributions from a Nobel Prize winner and other pioneers in pharmacology Academic and industry researchers in pharmacology and medicine as well as advanced students will find this series a useful teaching tool and launch to new discoveries Sections cover key discoveries in receptor theory pharmacological methods and the development of hormone therapy including J Parascandola on the development of receptor theory R S Yalow on radioimmunoassay M van Rossum and J T L A Hurkmans on bioassays M Tausk on androgen therapy and C Djerassi on oral contraceptives with commentaries from experts such as T H Kfelt and V C Jordan Contains primary source documents currently unavailable elsewhere Presents the

science behind major pharmacological breakthroughs by those who discovered them Includes commentary contextualizing the importance of discoveries and related readings National Park Science Jane Carruthers,2017-08-17 South Africa is renowned for its wildlife and environmental conservation in iconic national parks such as the Kruger one of the world s first formal protected areas However this is the first book to thoroughly analyse and explain the interesting and changing scientific research that has been accomplished in South Africa s national parks during the twentieth century Providing a fascinating and thorough historical narrative based on an extensive range of sources this text details the evolution of traditional natural history pursuits to modern conservation science in South Africa covering all research areas of conservation biology and all the national parks around the country It reveals the interaction between the international context government learning institutions and the public that has shaped the present conservation arena A complex story that will interest and inform not only those involved in conservation science of South Africa but worldwide Bibliography of the History of Medicine ,1972 **After the Victorians** A. N. Wilson,2015-05-05 The distinguished historian A N Wilson has charted in vivid detail Britain s rise to world dominance a tale of how one small island nation came to be the mightiest richest country on earth reigning over much of the globe Now in his much anticipated sequel to the classic *The Victorians* he describes how in little more than a generation Britain s power and influence in the world would virtually dissolve In *After the Victorians* Wilson presents a panoramic view of an era stretching from the death of Queen Victoria in 1901 to the dawn of the cold war in the early 1950s He offers riveting accounts of the savagery of World War I and the world altering upheaval of the Communist Revolution He explains Britain s role in shaping the destiny of the Middle East And he casts a bright new light on the World War II years Britain played a central role in defeating Germany but at a severe cost The nation would emerge from the war bankrupt and fatally weakened sidelined from world politics while America would assume the mantle of dominant world power facing off against the Soviet Union in the cold war Wilson s perspective is not confined to the trenches of the battlefield and the halls of parliament he also examines the parallel story of the beginnings of Modernism he visits the novelists philosophers poets and painters to see what they reveal about the activities of the politicians scientists and generals Blending military political social and cultural history of the most dramatic kind A N Wilson offers an absorbing portrait of the decline of one of the world s great powers The result is a fresh account of the birth pangs of the modern world as well as a timely analysis of imperialism and its discontents **The Ecology of Preschool Behaviour** Peter K. Smith,Kevin J. Connolly,1980 This study examines the preschool years in a child s development education and their deployment in preschool institutions **British Book News** ,1969 **Bibliography of British History, 1851-1914** American Historical Association,Royal Historical Society (Great Britain),1976 Journal of the British Interplanetary Society British Interplanetary Society,1969 Bound with vol 1 1934 is the Society s annual report and list of members 1934 **Subject Index of Modern Books Acquired** British Library,1982 **Books for College Libraries: Psychology, science,**
