Evangelicals Engaging in Practical Theology Helen Morris, Helen Cameron, 2022-03-30 This book aims to introduce a distinctively evangelical voice to the discipline of practical theology Evangelicals have sometimes seen practical theology as primarily a liberal project This collection however actively engages with practical theology from an evangelical perspective both through discussion of the substantive issues and by providing examples of practical theology done by evangelicals in the classroom the church and beyond This volume brings together established and emerging voices to debate the growing role which practical theology is playing in evangelical and Pentecostal circles Chapters begin by addressing methodological concerns before moving into areas of practice Additionally there are four short papers from students who make use of practical theology to reflect upon their own practice Issues of authority and normativity are tackled head on in a way that will inform the debate both within and beyond evangelicalism This book will therefore be of keen interest to scholars of practical evangelical and Pentecostal theology Spiritual Capital Samuel D. Rima, 2017-07-05 Presenting a thorough comprehensive

theory of spiritual capital based on solid academic research Spiritual Capital serves to reinforce and amplify the notion of a moral economic core that is beginning to feature in contemporary economic arguments In this rare major work wholly dedicated to the subject of spiritual capital Sam Rima explains the desperate need for revolutionary and transformational thinking in the area of economic policy and practice and makes the case for a new moral foundation to business and economics that directly addresses today's financial and business crisis Writing in an accessible style and drawing on examples from several continents Rima explains spiritual capital theory in terms of the resources needed for its creation how it is formed how it can be invested and what the return on investment can be The book provides practical tools for measuring a personal or organizational store of spiritual capital along with clear guidelines on how to engage in spiritual capital formation These will benefit business leaders interested in developing viable and sustainable enterprises capable of avoiding the disconnection between economic policy and social reality There are also recommendations here for policy makers regarding the macro application of spiritual capital theory This important contribution to Gower's Transformation and Innovation Series will appeal to business leaders and policy makers academicians and students in the fields of sociology theology and economics and anyone interested in social and economic justice issues social innovation and corporate social responsibility

To Love and To Serve Brian O'Leary, 2021-02-28 Brian O'Leary an Irish Jesuit has been researching and writing on Ignatian spirituality since the 1970s Over that period he has authored five books the last of which *God Ever Greater* 2018 was a selection of his lectures and talks His new offering *To Love and To Serve* is also a selection this time of essays that have appeared in spirituality journals in a number of countries Since these are not easily accessible O'Leary made the decision to gather together the best of his work in this genre into one book so making that work more widely available The essays vary considerably in content purpose and style Some are short and aimed at a popular readership others tend to be more academic or written with practitioners of Ignatian spirituality in mind All are eminently readable and display great clarity of style Ignatian spirituality is most commonly associated with the Spiritual Exercises Consequently these figure largely in O'Leary's writings However the Exercises do not represent the totality of Ignatian spirituality and so there are a number of pieces on the Jesuit Constitutions a spiritual classic that is surprisingly relevant outside its original context The Constitutions are frequently quoted today in the context of spiritual formation and of leadership And then there is spiritual direction is there a specifically Ignatian model of this ministry There are also intriguing questions around St Ignatius Loyola himself perhaps most of all around his mysticism And what would such mysticism look like if lived out in the post modern world The range of topics is remarkable

Hospitality Leslie A. Hay, 2006-09-01 In this latest addition to the Spiritual Directors International Series professional spiritual directors and those in formation programs learn to extend traditional forms of hospitality by living out its deeper meaning as they explore ways in which the spirit of hospitality enriches the spiritual direction experience The Spiritual Directors International Series This book is part of a special series produced by

Morehouse Publishing in cooperation with Spiritual Directors International SDI a global network of some 6 000 spiritual directors and members

A Sense of the Heart Bill J. Leonard, 2014-11-18 For many people knowing about God is not enough they also want to feel God's presence Whether like St Paul's experience on the road to Damascus or like Wesley's strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities

Baptist Sacramentalism 2 Anthony R. Cross, Philip E. Thompson, 2009-04-01 This second collection of essays exploring various dimensions of sacramental theology from a Baptist perspective includes biblical historical and theological studies from scholars from around the world Subjects covered are sacraments and sacramentality sacrament and sacrifice in Hebrews the sacrament of fearful intimacy the church as sacrament baptism and the Lord's supper for post Christendom Baptists Pauline baptism and Roman Insulae open communion for the contemporary church penance sacred space recovering a biblical understanding of baptismal regeneration the Lord's supper and the spirituality of C H Spurgeon Southern Baptist eucharistic sacramentalism and soul competency re thinking ex opere operato sacramentalism the sacramentality of the word in Gregory of Nyssa and searching for a common theology of baptism between Baptists and the Churches of Christ This volume does not speak the final word on the subject but is a step along the way toward the recovery and reconstruction of a robust sacramentalism in a Baptist modality

Re-Envisioning Transformation David C. Scott, 2018-09-14 In today's church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re-Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision

Poetry, Practical Theology and Reflective Practice Mark Pryce, 2019-03-13 This groundbreaking study offers an innovative critical analysis of poetry as a resource for reflective practice in the context of continuing professional development In the contemporary drive in all professions for greater rigour in education training and development little attention is paid to the inner shape of learning and meaning making for individuals and groups especially ways in which individuals are formed for the task of their work Building on empirical research into the author's professional practice the book takes the use of poetry in clergy continuing ministerial development as a case study to examine the value of poetry in professional learning Setting out the advantages and limitations of poetry as a stimulant for imaginative critical reflexivity and formation within professional reflective practice the study develops a practical model for group reflection around poetry distilling pedagogical approaches for working effectively with poetry in continuing professional development Drawing together a number of strands of thinking about poetry Practical Theology and reflective practice into a tightly argued study the book is an important methodological resource It makes available a range of primary and secondary sources offering researchers into professional practice a model of ethnographic research in Practical Theology which embraces innovative methods for reflexivity and theological reflection including the value of auto ethnographic poetry

Narrative of Suffering: Meaning and Experience in a Transcultural Approach Lolita Guimarães Guerra, Jose A. Nicdao, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 This volume explores how people come to terms with suffering how they experience the mystery of this human condition and how future studies can shed some further light on the topic Various perspectives are represented here such as the use of narratives to delve into the reality of suffering the emotional trauma that suffering brings the narrative process which manifests phenomenology and intersubjectivity and the emergence of gendered models of suffering These approaches derive from multiple fields of research creating a multi perspectival view of suffering that transcend long held disciplinary boundaries and stimulate a broader dialogue within contemporary scholarship on suffering related themes Such plurality points out that in the end despite its negative connotations suffering positively affects individuals and society as it enables recognition of common bonds that link all people from all nations and all races Compassion and sympathy leads to a transcendence that this book seeks to highlight

Spiritual Capital Michael O'Sullivan, Bernadette Flanagan, 2017-07-05 *Spiritual Capital* seeks to refocus discussion on core social values on individuals value systems and the internal dynamics that impel human beings to live by truth goodness and love This book defines refines and disseminates the concept of spiritual capital Contributions by practitioner scholars in applied spirituality who have practical experience of spiritual capital at work in diverse human situations provide accounts of concrete expressions of spiritual capital and create an interdisciplinary discussion between spirituality practitioners artists ecologists sociologists and others on the frontiers of change in contemporary culture
