Scooter Boys:

Scooter Boys Gareth Brown, 2019-12-27 Thirty years have passed since Gareth Brown's homage to a two wheeled two stroke way of life was published. The first edition of his acclaimed book *Scooter Boys* highlighting youth culture spanning half a century was first published when Margaret Thatcher's reign as the Eighties Iron Lady was drawing to a close. Now three decades on Brown's book is back to enlighten and entertain a new generation and rekindle memories for those who were scooter boys and girls back in the day. His informed knowledge of the initial Scooter Boy era has resulted in the 30th Anniversary Edition of *Scooter Boys* being refreshingly updated and published by Mortons the home of Scootering and Classic Scooterist magazines. Brown has been a face on the scooter scene since the 1970s when he was legally able to ride a motor scooter on the road and scooter ownership and riding scooters has been a passion ever since. He rose to prominence in the 1980s as the scooter rally correspondent and later editor of *Scootering* magazine which led to his book a unique take on the Scooter Boy movement history traditions and culture. *Scooter Boys* charts the development of the early scooters and the post Second World War arrival of the Italian scooters from Vespa and Lambretta followed by the chronicling of the rise of 1950s teenage consumerism which led to the Mod versus Rocker riots of the 1960s. It outlines the intervening years before the massed Mod revival of 1979 onwards when the Northern Soul scene kept the scooter movement alive and traces the emergence of the unsung street heroes of the late 20th century and beyond. **Scooters** Pixel Pete, Eric Dregni, Peter Martin, 1995

Boys of Africa Linda Pierce Plues, 2012-03-06 Eric and Adam are two normal American boys except they are growing up throughout Africa. Even though their mother tries to keep their enthusiasm in check the boys seek adventure in every single country they live. With a diplomat for a father there's always somewhere new to go. In a series of vignettes shared by their mother author Linda Pierce Plues the boys display a knack for making friends. The first one they meet in Kinshasa is a baby pigmy chimp which they don't hesitate bringing home. They also run into other animals including a chameleon that bites and holds onto Eric's nose. But nothing surprises their mother more than a giant rat that Adam hunts down in Abidjan. The boys exploit go beyond the imaginable including a harrowing one hundred mile ride from the Kano airport to their new home in Kaduna, Nigeria. Most families would have turned right around and headed back to the United States but the Plues family press on until they must say goodbye to their beloved African friends. *Scootermania* Josh Sims, 2015-11-05

From its origins the Italian battlefields of the Second World War to movie roles as Audrey Hepburn's transport in *Roman Holiday* and Sting's stylish companion in *Quadrophenia* and on through the current vintage revival the classic Italian motor scooter is an enduring design classic from the 20th century. *Scootermania* celebrates the superbly simple vehicles that are so symbolic of freedom style and the modern world. Originating in the 1940s in Milan and Pontedera, Tuscany the scooter became an enduring transport choice for young people and urban environments. Early chapters look at scooter racing and long distance attempts and their role as an anti tank weapon in the French army. There is engaging coverage of place of scooters in popular

culture from films music and fashion including the way that a host of disparate groups has made the bikes their own from the British Mods of the 1960s and 1980s to their role in American and Japanese fashion and in their Italian homeland The evolution and design of classic models as the Vespa 150 GS and the Lambretta Li 150 Series 3 are covered while scooter stars such as Enrico Piaggio and Georges Monneret are celebrated in their own words The book also includes a number of specially photographed features on modern scooter designers collectors and artists **Boys' Life** ,1958-04 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **The Stone Roses And The Resurrection Of British Pop** John
