Scottish Stories From Macgregors Gathering

Karen McAulay

Scottish Stories From Macgregors Gathering:

Scottish Stories from MacGregor's Gathering Jimmie Macgregor,1989 **MacGregor's Gathering** Nigel Tranter,2012-12-20 At the beginning of the eighteenth century one of the most exciting and romantic periods of British history the famous Rob Roy MacGregor and his gallant nephew Gregor a fierce young Highlander loyal to the cause led the MacGregor clan into battle against the English Army Outlawed and landless they still clung to Glengyle one small remaining corner of their ancient territories and held fast in their loyalty to the Stuart King over the water But in the midst of the political struggle young Gregor still managed to find time to pay court to Mary Hamilton a lovely girl who at first rejected his rough Highland ways Through his imaginative dialogue he provides a voice for Scotland s heroes Scotland on Sunday

Sketches and stories of Scotland ... and Shetland, with corrections and additions Catherine Sinclair,1859

Sketches and Stories of Scotland and the Scotch, and Shetland and the Shetlanders Catherine Sinclair,1859

MacGregor's Gathering Nigel Tranter,1957 **Tales of Scottish Highlands & Moors - 70+ Historical Novels, Adventure Classics & Victorian Romances** Robert Louis Stevenson,John Buchan,George MacDonald,Walter Scott,J. M. Barrie,2023-12-17 Tales of Scottish Highlands Moors 70 Historical Novels Adventure Classics Victorian Romances is a rich tapestry of evocative storytelling that explores the mystical beauty and complex history of Scotland s landscapes This anthology woven from the pens of revered authors captures the essence of Scottish culture and the Victorian era s fascination with adventure and romance From historical narratives with sweeping Highland vistas to captivating romantic entanglements amidst ancient ruins this collection showcases a profound diversity of styles and themes each story offering a unique glimpse into Scotland s storied past Standout pieces within the anthology capture the raw emotion and timeless romance intrinsic to the Scottish moors blending historical authenticity with imaginative allure The anthology features the luminaries of Scottish literature including Robert Louis Stevenson John Buchan George MacDonald Walter Scott and J M Barrie These authors known for their profound impact on the literary world enrich the collection with narratives deeply rooted in cultural nationalism and the Victorian literary tradition Their collective works speak to their life s passions whether it s the romance of the rugged Highlands the intrigue of historical adventures or the whimsical allure of Scotland s folklore contributing versatile perspectives to the anthology s central themes For readers seeking an immersive journey into Scotland s soul this anthology offers an exceptional opportunity to explore its multifaceted narratives Delight in the educational richness and cultural depth that emerges from these stories crafted by masterful storytellers with an innate understanding of the Scottish landscape and ethos This collection invites readers to experience a vibrant dialogue between timeless tales making it an indispensable addition to any literary enthusiast s collection **Sandison's Scotland** Bruce Sandison,2012-05-31 Sandison s Scotland is a wonderful collection of stories and tales about some of the country s most wild and evocative places From dark Loch Ness to the turbulent waters of the Pentland Firth join Bruce on the path less travelled

as he goes behind the scenes of Shetland's Up Helly Aa festival and the raucous Kirkwall Ba Game played for generations by the people of Orkney. There are also stops in remote townships Helmsdale in the east, distant Glenelg in the west, visiting the crofts and castles that make Scotland so special. Throughout these exceptional tales, Bruce Sandison's love for his native land shines through as he brings the people, culture, and history of Scotland to life. Sandison's Scotland is full of hidden gems and is a book for all times and all seasons. It will captivate, amuse, and delight anyone with a love for Scotland. **A List of Works**

Relating to Scotland New York Public Library, 1916 **Stories Behind Some of Burns' Songs and Other Scottish Songs** Norman Watters, 2000 Norman and Ann Watters have produced a fascinating investigative work detailing the stories behind some of the most famous Scottish songs, giving insights into Scottish history and culture. Hardback 0946294062 1997. Publication date changed from October 1999. **Our Ancient National Airs: Scottish Song Collecting from the**

Enlightenment to the Romantic Era Karen McAulay, 2016-05-13 One of the earliest documented Scottish song collectors actually to go into the field to gather his specimens was the Highlander Joseph Macdonald. Macdonald emigrated in 1760 contemporaneously with the start of James Macpherson's famous but much-disputed Ossian project, and it fell to the Revd Patrick Macdonald to finish and subsequently publish his younger brother's collection. Karen McAulay traces the complex history of Scottish song collecting and the publication of major Highland and Lowland collections over the ensuing 130 years. Looking at sources, authenticity, collecting methodology, and format, McAulay places these collections in their cultural context and traces links with contemporary attitudes towards such wide-ranging topics as the embryonic tourism and travel industry, cultural nationalism, fakery, and forgery, literary and musical creativity, and the move from antiquarianism and dilettantism towards an increasingly scholarly and didactic tone in the mid to late Victorian collections. Attention is given to some of the performance issues raised either in correspondence or in the paratexts of published collections, and the narrative is interlaced with references to contemporary literary, social, and even political history as it affected the collectors themselves. Most significantly, this study demonstrates a resurgence of cultural nationalism in the late nineteenth century. **The Songs of Scotland Chronologically Arranged, with Introduction and Notes** Scotland. [Appendix. - Miscellaneous.], 1872

Whitaker's Book List, 1991 **The Songs of Scotland**, 1893 **Forthcoming Books** Rose Arny, 1992 *Scottish Traveller Tales* Donald Braid, 2002 The Travelling People of Scotland are the traditionally nomadic minority group known also by the derogatory term tinkers. Traveling in groups or in their individual caravans along the high roads and byways of Scotland, they have established a distinct identity and mode of life for themselves that preserves centuries-old cultural beliefs. For their skill as storytellers as well as ballad singers, they are internationally recognized for the richest storytelling traditions of the world. One of their best-known storytellers is Duncan Williamson. He was fascinated by storytelling from an early age and dedicated himself to keeping the wisdom of traveller culture by learning as many stories as possible. While this book focuses on a number of individuals, both Duncan's skill as a storyteller and his extensive knowledge of traveller

storytelling traditions are prominently featured through a series of performance transcriptions and interview excerpts. Although their oral tales have been compiled and collected in other volumes, this book is the only full-length study that analyzes the stories of the Travelling People. Through an examination of their words, narratives, and songs, it brings readers close to Travellers' own voices and to their distinctive practice of storytelling. Indeed, this analytical appreciation of the culture shows how the story performances preserve the history of the Travelling People and reveal the shape and substance of the storytellers' own lives. It renders too the rich variety of stories, the interrelationship of stories and the community, the construction of the teller's identity within the story, and the story's way of understanding and shaping human experience. Although concentrated on these Scottish storytellers, this book imparts insights into the process of storytelling in general and contributes understanding of the place of stories in human communities and to human identity.

Donald Braid, assistant director of the Center for Citizenship and Community and a lecturer in English at Butler University in Indianapolis, Indiana, is a co-editor of *A Folklorist's Progress: Reflections of a Scholar's Life*. His work has been published in the *Journal of American Folklore*, *Text and Performance Quarterly*, and *The Encyclopedia of Folklore and Literature*.

The Cambridge History of English Literature: The nineteenth century Sir Adolphus William Ward, 1916 *The Cambridge History of English Literature* Sir Adolphus William Ward, Alfred Rayney Waller, 1916 **Story of the Hutchinsons (tribe of Jesse)** John Wallace Hutchinson, 1896 *British Books*, 1904 **The Highlands and Islands of Scotland** Alistair Moffat, 2024-06-06

Alistair Moffat tells the extraordinary story of the Highlands in the most detailed book ever written about this remarkable part of Scotland. This is the story of the Highlands and Islands of Scotland as it has never been told before. From the formation of the landscape millions of years ago to the twenty-first century, it brings to life the events and the people who have shaped Highland history: from saints, sinners, and outlaws to monarchs, clan chiefs, and warriors. Highly readable and informative, it mines a wide range of sources, including medieval manuscripts and sagas, poetry, and popular culture. Picts, Romans, Irish missionaries, Vikings, Jacobites, and the flood of emigrants who left to forge new lives abroad are just some of the important players in the drama. As he paints the bigger picture, Alistair Moffat also introduces many key aspects of Highland culture and explores the experience of ordinary Highlanders and Islanders over thousands of years.

The Enthralling Realm of Kindle Books: A Comprehensive Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility Kindle books, with their inherent mobility and simplicity of access, have freed readers from the constraints of physical books.
