Scottish Bodysnatchers True Accounts

Joseph A. McCullough

Scottish Bodysnatchers True Accounts:

Scottish Bodysnatchers Geoff Holder, 2010-10-31 Graverobbing was a dark but profitable industry in pre Victorian Scotland criminals gravediggers and middle class medical students alike abstracted newly buried corpses to send to the anatomy schools Only after the trials of the infamous murderers Burke and Hare and the passing of the Anatomy Act of 1832 did the grisly trade end From burial grounds in the heart of Glasgow Dundee and Edinburgh to quiet country graveyards in the Scottish Borders and Aberdeenshire this book takes you to every cemetery ever raided and reveals where you can find extant pieces of anti resurrectionist graveyard furniture from mortsafes coffin cages and underground vaults to watchtowers and morthouses Richly illustrated filled with hundreds of stories of reanimated corpses daring thefts black hearted murders and children sold to the slaughter by their own mothers and with Robert Louis Stevenson s classic short story The Body Snatcher at the end this macabre guide will delight everyone who loves Scotland s dark past **The Guide to Mysterious**

Aberdeen Geoff Holder, 2010-11-23 Aberdeen is full of mysteries marvels and strangeness and this book is a comprehensive guide to them all Here you will encounter magic witchcraft folklore and superstitions contemporary urban legends gargoyles and graveyards graverobbers and murderers stone circles and prehistoric burial sites UFOs and freak weather and tales of horror madness humour and dangerous porridge Many forgotten aspects of the city s strange history are here from the disturbing spontaneous human combustion William Wallace s dismembered limbs the man who died of fright after a mock execution and the bodysnatching professors to the downright bizarre a talking statue a wedding celebration which was mistaken for an alien invasion fleet and golf with giant skulls The Guide to Mysterious Aberdeen is the tenth in Geoff Holder s acclaimed series As with the previous volumes it is profusely illustrated with over 100 photographs and draws on both ancient and modern sources Full access and location details are given for both driver and walker alike making this the indispensable companion for anyone exploring the Granite City **Perthshire Murders** Geoff Holder, 2010-10-15

Nineteenth century crime in Perthshire **Border Crossings** Lauren Clark, Colin Younger, 2013-11-13 Borderlands boundaries and frontiers are crucibles for diverse cultures and multiple alternative histories Nowhere is this truer than in the debateable lands between nation states in what is commonly known as the British Isles This collection takes the reader on an imaginative journey inside the borders offering a fresh perspective on the liminality of these porous and contested terrains and the liminal peoples therein Implicitly or explicitly the contributors to this volume in one way or another acknowledge that the term borderland is imprecise ambiguous and never neutral and due to its liminal status a crucible for multiple and competing identities As the essays in this collection show these borders don t have to be geographical but can extend to any cultural psychic or social terrain which exists beyond or between accepted categories power structures nations or states This collection concerns itself with Borders Theory in its multifarious manifestations from pre history to the present day Border Crossings draws together a number of key researchers in their respective fields and enables a dialogue between different

disciplines and theoreticians More generally in its disciplinary and theoretical scope the collection links with a number of other works whilst its focus on England Ireland and Scotland maintains its distinctiveness and addresses an area of comparative critical neglect

The Book of the Bizarre Varla Ventura, 2008-10-01 From enchanted animals to bizarre rock and roll stories discover hundreds of far out facts guaranteed to give your trivia game a whole new twist Did you know duck dander is hallucinogenic Or that Katherine Hepburn had a phobia of dirty hair Have you ever wondered about the Magical Skull of Doom or contemplated the mysterious Transylvanian Tablets The Book of the Bizarre is a veritable treasure trove of startling and stranger than fiction trivia that spans history continents even worlds Never before have so many truly frightful facts been gathered together in one place Teeming with the strange the shocking and the downright fantastic The Book of the Bizarre s thirteen chapters include Something Wicked Mysterious Objects Haunted Homes Tender Murderers and Malevolent Males Killingly Good Tales of Terror and Morbid Writers and Tortured Artists From Edgar Allan Poe to Vincent Van Gogh Terrifying topics range from Corpses on Campus to Strange Rock and Roll Stories to Medical Maladies Conspiracy Theories Superstitions Hexes and even UFOs The Book of the Bizarre is designed for the depraved outlandish enough for the eccentric and freaky enough for even the hardest trivia nut

The Methuen Drama Dictionary of the Theatre Jonathan Law, 2013-12-16 The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre going Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA With biographical information on playwrights actors and directors entries on theatres and theatre companies explanation of technical terms and theatrical genres and synopses of major plays this is an authoritative trustworthy and comprehensive compendium Included are synopses of 500 major plays biographical entries on hundreds of playwrights actors directors and producers definitions of nearly 200 genres and movements entries on over 100 key characters from plays information about more than 250 theatres and companies Unlike similar products The Methuen Drama Dictionary of the Theatre avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC s Top Gear programme and under advice to actors the sage words of Alec Guinness First wipe your nose and check your flies and the equally wise guidance from the master of his art No l Coward Just know your lines and don t bump into the furniture As a companion to everything from the main stage to the fringes of theatrical fact and folklore this will prove an irresistible book to all fans of the theatre

Scottish Pride Heather Duncan, 2004 Scottish Pride is a compendium of 101 reasons the Scots have to be proud of their heritage From the cuisine of the highlands to actors Sean Connery and artists John Duncan Fergusson to bagpipers golf courses kilts and Scotch Whiskey this book is a unique tribute to a fine and accomplished people Included here are profiles of great Scots like Alexander Hamilton and Scottish heroes like Robert the Bruce From royalty Mary Stuart to rock stars Rod Stewart to politicians David Hume these are the luminaries who have changed the face of

history Bioethics and Society Raymond G. De Vries, Janardan Subedi, 1998 For undergraduate graduate level courses in Medical Sociology Sociology of Health Medical Ethics Bioethics This reader features essays by leading medical sociologists anthropologists and medical ethicists who consider the full range of cultural economic and social dimensions of bioethics This is the first text to view the field of bioethics from a sociological viewpoint exploring how and why bioethics came to be a player in American medicine Cutting edge in perspective it provides a firsthand look at how a new discipline and its practitioners emerge and provides a model for applying sociology to a field of medicine The book is useful to students of medical sociology and medical ethics **Traveller Storytelling in Scotland** Robert Fell, 2024-08-19 This book unravels the complexities of traditional storytelling and uses creative analytical techniques to uncover the meanings of the stories we tell The reader is first acquainted with conceptualisations of how stories make meaning in our lives then guided through a selection of stories from the rich traditions of Scotland s Traveller and Nawken Nacken communities Beginning with a nuanced historical overview of the communities Traveller Storytelling in Scotland Folklore Ideology and Cultural Identity then draws on archives texts and interviews to introduce readers to the unique and vibrant folklore of Scotland s Travellers and Nawken Nacken It connects ethnology and literary criticism to contextualise folklore and reveal how its ideological priorities underpin cultural identity Utilising diverse analytical techniques this book is a timely examination of a folkloric idiom that has until now been sorely in need of further scrutiny It showcases the sophistication and enduring relevance of folkloric expressions to contemporary Scottish culture True Stories of CSI Katherine Ramsland, 2008-09-02 The bestselling forensic psychologist examines the true crimes that inspired the television smash hit C S I Katherine Ramsland follows the evidence and revisits some of the most absorbing episodes of the phenomenally popular C S I television franchise and explores the real life crimes that inspired them She also looks into the authenticity of the forensic investigations recreated for the dramatizations and the painstaking real life forensic process employed in every one of the actual cases from notorious mass murderer Richard Speck to the massacre of Buddhist monks in an Arizona Temple to a baffling case of apparent spontaneous combustion The Doctor Dissected Caroline McCracken-Flesher, 2012-01-27 In 1828 Robert Knox was Edinburgh s charismatic anatomist but eager medical students needed corpses to practice on and Knox was supplied by the murderers Burke and Hare The Doctor Dissected shows how this local crime became a trauma that echoes down the years as fact and fiction and into modern media particularly in Scotland Because Knox refused to speak and national author Walter Scott would not speak for him Scottish newspapers filled the silence with speculation Worse for a society that worried about the medical uncertainty of death and whether the dead might arise Knox s subjects loomed larger the longer their story remained untold Victorian attempts to end the story only gave it new energy evangelical writers could not account for the doctor Robert Louis Stevenson turned him into Jekyll and Hyde Melodramas tried to demonize Knox but by the 1930s his scandal had extended to implicate a complicit public in James Bridie s plays The 1970s could then read villains as victims of

society until Alasdair Gray gave contentious voice to actual victims in *Poor Things* Today Burke and Hare seem harmless populating detective stories for children they drive a national economy through Edinburgh Festival frolics not least those of Gunther von Hagens With Knox they feature internationally in movies manga and video games Yet canny Scots like Ian Rankin know the value of a dark past as a warning against complacency for twenty first century Scotland they show the use of a negative tale to chasten any too optimistically imagined community [The Infamous Burke and Hare](#) R. Michael Gordon,2009-10-21 Body snatchers and grave robbers were the stuff of Victorian lore but two real life culprits took the crimes out of shadowy cemeteries and into criminal court William Burke and William Hare aided Scottish surgeons competing for anatomical breakthroughs by experimenting on human corpses As the duo evolved from petty theft to premeditated murder they unwittingly brought attention to the medical practices of the era leading to Burke s death by hanging This account not only explores the work of the resurrectionists it reflects the nature of serial killers 1820s criminal law and Edinburgh s early role as a seat of European medical research Readers interested in the legal aspects of these crimes will find the trial testimony included to be a valuable resource *George Cole - The World Was My Lobster: The Autobiography* George Cole,2013-10-17 The World was my Lobster tells the story of George Cole s more than 70 years in the acting profession that began with a walk on part at the age of 14 in the stage musical The White Horse Inn in 1939 and continues today having included such roles as David Bliss in the radio and television versions of A Life of Bliss Flash Harry in the St Trinian s films and Arthur Daley in television s Minder Adopted when he was only 10 days old George Cole grew up in south London in the 1920s On the day he left school he saw a newspaper advertisement seeking a small boy to join the cast of The White Horse Inn and was selected the following day A year later he found himself in the West End play Cottage to Let playing a cheeky wartime evacuee Here he met legendary comic actor Alastair Sim who with his wife took him as an evacuee in their country house and coached him in the finer skills of acting A flurry of films and theatre performances in the late 1940s after his RAF service culminated in a memorable role as a young Ebenezer Scrooge in the classic 1951 film Scrooge alongside Sim Henry V Cleopatra with Elizabeth Taylor Don t Forget to Write Blott on the Landscape Henry Root and Dad are among other titles for which he is well known But it was in 1979 that he landed the role that would elevate him to international recognition when he was offered the role of Arthur Daley in Thames Television s new series Minder alongside Dennis Waterman In The World was my Lobster a title taken from a classic line in a Minder episode George Cole talks candidly humorously and sensitively about his adoption his life his roles and many of the people he has worked with throughout his long career [Conan Doyle and the Crimes Club](#) Stephen Wade ,2017-05-17 On 17 July 1904 an intimate group of like minded gentlemen sat down to dinner in London s Great Central Hotel They were united by one shared interest a fascination with crime and the workings of the criminal mind This meeting occurring in the golden age of literary dinners and good fellowship marked the birth of the Crimes Club a concept that quickly developed into a professional and academic

society boasting members of the legal and literary elite with Sir Arthur Conan Doyle creator of Sherlock Holmes and gregarious bon viveur at its heart Until now the exclusive nature of the club meant that little has been divulged about these aficionados of murder but Conan Doyle and the Crimes Club gives readers a thrilling insight into the previously veiled lives of these celebrated men of the time Recounting their detective investigations spying escapades and criminous journalism that no doubt inspired Doyle's own literary feats Stephen Wade explores all manner of criminal activities that were examined and discussed by the club ranging from wives buried in basements to bodies cast into the River Thames and lovers poisoned with arsenic A lively and compelling read Conan Doyle and the Crimes Club provides a unique window into the Edwardian clique of criminologists and gentleman sleuths Welcome to the club Illustrations 30 black and white photographs [Hunting Zombies](#) Joseph A. McCullough, 2016-12-15 Beginning with an explanation of the historical origins of zombies this book follows their history straight through to the threat they pose to the world today All varieties of zombie are cataloged and examined giving their strengths and weakness with a special emphasis on recognition and elimination Finally the book covers the tactics and equipment used in zombie fighting **Bloody Scotland** Malcolm Archibald, 2014-09-16 In the nineteenth century Scotland was renowned as a land of misty glens engineering innovation and inventive genius But it was also the home of brutal murder terrifying riots cruelty to children bank robbery and acid attacks Women as well as men were capable of horrendous acts and crime could strike anywhere at home on the road and even at sea From the Borders to the Northern Isles crime was never far away Edinburgh with its reputation for polite decorum was also the scene of poisoning and savagery the dark streets of industrial Glasgow and Dundee harboured thieves and muggers and the villages of coast and country hid wild men and vicious women Bloody Scotland exposes some of the crimes both remembered and forgotten that rocked Scotland in those lawless times and reveals not only the criminals who perpetrated them but also the law enforcers who fought hard to maintain order against a rising tide of crime **Zombies** Joseph A. McCullough, 2011-04-01 The dead have always stalked the dark corners of the earth Since World War II the number of zombie outbreaks has increased every year while governments desperately try to cover up the facts **Zombies A Hunter's Guide** contains all of the information necessary to recognize and combat this growing threat Beginning with an explanation of the historical origins of zombies it follows their history straight through to the threat they pose to the world today All varieties of zombie are cataloged and examined giving their strengths and weakness with a special emphasis on recognition and elimination Finally the book covers the tactics and equipment used in zombie fighting Accompanied by numerous full colour reconstructions to help with identification this book is a must for anyone on the frontlines of the Zombie Wars *The Scottish Police Officer* Daniel Donnelly, 2014-05-16 The structure of policing is undergoing change in Scotland at present and the profile of the police officer differs from that of the past This book takes an informative approach and offers a unique account and insight into the Scottish police organisation describing the Scottish police officer from the point of recruitment through to training

development and specialist policing Written by an ex senior police officer this book examines how the qualified police officer goes about his/her daily work policing and how this has changed over time as a result of organised crime terrorism and the changing priorities of the public and politicians The contribution of non police officers such as police civilian staff auxiliaries and the private sector plays a key role in the policing of Scotland in the 21st century and is considered at length As police supervision and management is crucial to the organisation's success the subjects of personnel development promotion and management in the police is examined with comment on the suitability of the system in the 21st century The book concludes with commentary on the future profile of the Scottish police officer and makes some general comparison with their colleagues in the rest of the UK and European Union This will be an essential text for police officers in Scotland and elsewhere and students and academics in the areas of law politics management police studies criminology and criminal justice

On the Trail of Queen Victoria in the Highlands Ian Mitchell, 2000 Award winning author and mountaineer follows in the footsteps of the woman as well as the monarch who came to see the Highlands as her retreat and solace This historical biography cum guide book has a wealth of new material about Mrs Brown From her short walks to her large scale expeditions and her days out on the mountains her experiences add to any walker's enjoyment of the region It includes maps line drawings and never before seen photographs from the Washington Wilson collection

Science Fiction Film

Directors, 1895-1998 Dennis Fischer, 2011-12-14 This enormous and exhaustive reference book has entries on every major and minor director of science fiction films from the inception of cinema circa 1895 through 1998 For each director there is a complete filmography including television work a career summary a critical assessment and behind the scenes production information Seventy nine directors are covered in especially lengthy entries and a short history of the science fiction film genre is also included
