beautiful daughters of Mrs H de B Vincent who is herself still in the heyday of life and one of the loveliest of the society women I have met Though I have known her sisters several years I only met Torfrida for the first time a few months ago when she was superintending the nursing of her mother who had just undergone an operation for appendicitis One day when I was visiting my convalescent friend Torfrida informed me that she knew of a haunted house in Edinburgh a case which she felt sure would arouse my interest and enthusiasm It is unfortunate she added somewhat regretfully that I cannot tell you the number of the house but as I have given my word of honour to disclose it to no one I feel sure you will excuse me Indeed my friends the Gordons who extracted the promise from me have got into sad trouble with their landlord for leaving the house under the pretext that it was haunted and he has threatened to prosecute them for slander of title The house in question has no claim to antiquity It may be eighty years old perhaps a little older and was at the time of which I speak let out in flats The Gordons occupied the second storey the one above them was

*Scottish Ghosts* **Ghosts Go Haunting** Sorche Nic Leodhas, 2014-08-19 Ten Scottish ghost stories of ghastly ghouls and Gaelic superstitions Those who don't believe in ghosts simply have yet to see one for themselves Once doubters meet a spirit they will never return to their previous state of disbelief Ghost stories are everywhere if one is willing to listen In these eerie accounts Sorche Nic Leodhas presents a compilation of Gaelic ghost stories she has collected throughout her life With tales such as those of the lads who were robbed by a dead man the crofter who helped carry a coffin and the mother who came back from the dead to care for her baby *Ghosts Go Haunting* is sure to thrill even the firmest of nonbelievers *Scottish Ghost Stories* Elliot O'Donnell, 1975 *The Ghosts of Scotland* Charles River Charles River Editors, 2018-03-05 Includes pictures Includes online resources and a bibliography for further reading In Scotland beautiful as it is it was always raining Even when it wasn't raining it was about to rain or had just rained It's a very angry sky Colin Hay Scotland is a fascinating and ancient land filled with history It has produced explorers warriors inventors writers and more than a few murderers For many centuries it fought bitter wars against England to maintain its independence and even when those wars were finally lost Scotland retained its distinct culture and identity Though a part of the United Kingdom it would be a mistake to lump it in with England Wales and Northern Ireland as Scotland has its own tales to tell and traditions to maintain Not everything in Scotland is as it appears however Some Scots say this is a land haunted by spirits a place of strange disappearances and unexplained phenomena There is no shortage when it comes to the strange stories Scotland has to offer and the legends and lore have compelled many to dig a little deeper and even explore this wonderful land for themselves Some of those tales are downright grisly Scotland has always been a rival to its southern neighbor and the rivalry extends to the number of hauntings in its medieval castles stately homes and old cobblestone streets While many Englishmen claim that their country is the most haunted the Scots can point to their own stories of ghosts as evidence they may beat the English in this dubious distinction
