*Price of Exit* Tom Marshall, 2011-08-10 The risk of a fatal catastrophe was constant The NVA was the enemy but the ultimate opponent was quite simply death For assault helicopter crews flying in and around the NVA infested DMZ the U S pullout from Vietnam in 1970 71 was a desperate time of selfless

courage Now former army warrant officer Tom Marshall of the Phoenix C Company 158th Aviation Battalion 101st Airborne captures the deadly mountain terrain the long hours flown under enormous stress the grim determination of hardened pilots combat assaulting through walls of antiaircraft fire the pickups amid exploding mortar shells and hails of AK fire the nerve racking string extractions of SOG teams from North Vietnam And through it all the rising tension as helicopter pilots and crews are lost at an accelerating pace It is no coincidence that the Phoenix was one of the most highly decorated assault helicopter units in I Corps For as the American departure accelerated and the enemy added new more powerful antiaircraft weapons the helicopter pilots crew chiefs and gunners paid the heavy price of withdrawal in blood For more than 30 Percent of Tom Marshall s 130 helicopter school classmates the price of exit was their lives *Exit Us* Ben Larken,2019-10-04

Winter has come to Railston Shattered from the loss of his old life Thomas Pillar hides chilled by the past as much as the falling snow Ross Medford more media sensation than detective knows his days as head of the Pillar taskforce are numbered Both men have hit a standstill but that s about to change After a failed suicide attempt Pillar finds himself in the condemned hotel Elysian Falls living amongst Railston s homeless Vagrants are being picked off by a mercurial stranger wielding a sword their bodies carved with an otherworldly message EXIT US No one knows what it means but Pillar realizes the hunter is searching for something he possesses a key that will open a doorway to another realm As Ross and his team draw near demonic forces clash and a trail of murder blazes through the city a trail that leads straight to Pillar Can Pillar stop a madman obsessed with igniting a demon apocalypse How can he defeat an opponent who knows more about his purpose than he does One thing is certain If Pillar fails the world may never see another spring [The Scramble for China](#) Robert Bickers,2016-02-25 In the early nineteenth century China remained almost untouched by British and European powers but as new technology started to change this balance foreigners gathered like wolves around the weakening Qing Empire Would the Chinese suffer the fate of much of the rest of the world carved into pieces by Europeans Or could they adapt rapidly enough to maintain their independence This important and compelling book explains the roots of China s complex relationship with the West by illuminating a dramatic colourful and sometimes shocking period of the country s history [Scrambling Techniques for CDMA Communications](#) Byeong Gi Lee,Byoung-Hoon Kim,2005-12-17 This invaluable text addresses spreading scrambling and synchronization techniques for use in inter cell synchronous and asynchronous CDMA systems including the IMT 2000 It provides fundamental background material and introduces novel acquisition techniques that enable rapid and robust acquisition of inter cell synchronous and asynchronous IMT 2000 CDMA systems [The Ideological Scramble for Africa](#) Frank Gerits,2023-03-15 In *The Ideological Scramble for Africa* Frank Gerits examines how African leaders in the 1950s and 1960s crafted an anticolonial modernization project Rather than choose Cold War sides between East and West anticolonial nationalists worked to reverse the psychological and cultural destruction of colonialism Kwame Nkrumah s African Union was envisioned as a federation of liberation to challenge the extant imperial forces the US empire

of liberty the Soviet empire of equality and the European empires of exploitation In the 1950s the goal of proving the potency of a pan African ideology shaped the agenda of the Bandung Conference and Ghana's support for African liberation while also determining what was at stake in the Congo crisis and in the fight against white minority rule in southern and eastern Africa In the 1960s the attempt to remake African psychology was abandoned and socioeconomic development came into focus Anticolonial nationalists did not simply resist or utilize imperial and Cold War pressures but drew strength from the example of the Haitian Revolution of 1791 in which Toussaint Louverture demanded the universal application of Europe's Enlightenment values The liberationists of the postwar period wanted to redesign society in the image of the revolution that had created them The Ideological Scramble for Africa demonstrates that the Cold War struggle between capitalism and Communism was only one of two ideological struggles that picked up speed after 1945 the battle between liberation and imperialism proved to be more enduring **The scramble for the Eastern Mediterranean** Valeria Talbot, 2021-10-01

Over the past few years the Eastern Mediterranean has become a major hotspot for both natural gas and geopolitical competition Natural gas discoveries in the last decade have attracted growing interest from regional countries and beyond However recent escalations in tensions and outright confrontations suggest that competition goes beyond the scramble for energy Indeed natural gas is just one of the factors that contribute to shaping security and geopolitical dynamics in the Eastern Mediterranean which has emerged as a crucial strategic area in the broader Mediterranean and the Middle East Moving from the analysis of these interconnected factors this Report examines the strategy and the plethora of interests of regional and international players as well as the interplay between cooperative and competitive dynamics in the region What are the geopolitical security and energy interests of the countries involved What are the implications on the regional security context of the moves and policies of regional and international powers **The Last Exit to Normal** Michael
