Scraps Of Paper Avalon Mystery:

Memories of My Childhood Kathryn Meyer Griffith, 2016-10-28 Have you ever wondered what a writer's childhood was like? Well, wonder no longer. These stories are about my childhood. I began writing when I was twenty-one in the year 1971 and have since seen not only the world change dramatically but the publishing world as well. When I published my first novel, a horror yarn titled *Evil Stalks the Night* in 1984 with Leisure mass market paperbacks, I was a loyal worker bee of the big publishing houses with a stingy boiler contract and a whopping 4 percent of the royalties. Now, thirty-two years later, I am self-publishing and am finally making a living at my craft for the first time in forty-five years of writing with 24 novels, 2 novellas, and many short stories to my name. Three of the four short stories in this collection were the VERY FIRST stories I ever had published, and they were printed in my local newspaper between 1977 and 1979 after the one titled *Michael*, a tale about my youngest brother who was murdered in 1971, won their short story contest over two hundred other submissions. I illustrated all the stories for the newspaper then and have included those original drawings in this book. The fourth short story was just recently written and is a composite of some of my childhood Christmases. All four are loosely based on my childhood in the 1950s and 1960s. After my musician/singer/songwriter brother Jim passed away last year from cancer, I felt the intense need to revive these old stories and memories and put them out there for all to read as a tribute to him and my family. These are my stories, my childhood, and some of my fondest memories.

What Lies Beneath the Graves (Spookie Town Mysteries, #5) Kathryn Meyer Griffith, The 5th Spookie Town Murder Mystery is finally out. Who wouldn't want to find a chest of buried treasure, ancient gold coins, and exquisitely priceless jewelry on their land? A treasure a sailor dead for over seventy years once found in the shallow waters of a distant island and later buried hid the remnants of at the end of his tragic life. The townspeople of Spookie have been searching, fighting, and killing each other over it for decades, and no one has ever unearthed it. Abigail Frank, Myrtle, and her psychic grandniece Glinda are on the hunt for the treasure, and they might just find it with Glinda's and the dead sailor's help. For Frank, ex-Chicago homicide detective, there's also a new and dangerous case that brings him temporarily out of retirement and back to Chicago because it threatens his adopted daughter Laura's safety at the art college she is attending. There are three missing college students, young women, one a close friend of Laura's, and the Chicago police force is feverishly searching for them before their abductors kill them. Can Frank, with a little help from Glinda's visions and his old partner Sam Cato, locate the abducted girls in time and save their lives? All the rest of the quirky characters are also back again to share in the adventures, the mysteries, and the small-town life of foggy Spookie. Come join them.

after his death But when she s wrongly blamed for a rash of ritualistic murders committed by a satanic cult she knows she can no longer hide She s the one the cult is after and she is the only one who can stop them and prove her innocence Yet as punishment for fighting and destroying the cult she s drawn back in time by the ghost of the dark witch Rachel Coxe who was drowned for practicing black magic in the 17th century Now as Amanda tries to rehabilitate Rachel s reputation in an effort to save lives as well as her own and falls in love all over again with Joshua her reincarnated dead husband from the future she has to rely on a sister s love and magical knowledge and a powerful sect of witches named the Guardians to help her get home safely
