Between the Flowers Harriette Simpson Arnow,2005-10-11 Between the Flowers is Harriette Simpson Arnow s second novel Written in the late 1930s but unpublished until 1997 this early work shows the development of social and cultural

themes that would continue in Arnow's later work the appeal of wandering and of modern life the countervailing desire to stay within a traditional community and the difficulties of communication between men and women in such a community Between the Flowers goes far beyond categories of local color literary regionalism or the agrarian novel to the heart of human relationships in a modernized world Arnow who went on to write Hunter's Horn 1949 and The Dollmaker 1952 her two most famous works has continually been overlooked by critics as a regional writer Ironically it is her stinging realism that is seen as evidence of her realism evidence that she is of the Cumberland an area somehow more regional than others Beginning with an edition of critical essays on her work in 1991 and a complete original edition of Hunter's Horn in 1997 the Michigan State University Press is pleased to continue its effort to make available the timeless insight of Arnow's work with the posthumous publication of Between the Flowers

Unfair Adam Benforado, 2016-06-14 NEW YORK TIMES BESTSELLER

Unfair succinctly and persuasively recounts cutting edge research testifying to the faulty and inaccurate procedures that underpin virtually all aspects of our criminal justice system illustrating many with case studies The Boston Globe A child is gunned down by a police officer an investigator ignores critical clues in a case an innocent man confesses to a crime he did not commit a jury acquits a killer The evidence is all around us Our system of justice is fundamentally broken But it's not for the reasons we tend to think as law professor Adam Benforado argues in this eye opening galvanizing book Even if the system operated exactly as it was designed to we would still end up with wrongful convictions trampled rights and unequal treatment This is because the roots of injustice lie not inside the dark hearts of racist police officers or dishonest prosecutors but within the minds of each and every one of us This is difficult to accept Our nation is founded on the idea that the law is impartial that legal cases are won or lost on the basis of evidence careful reasoning and nuanced argument But they may in fact turn on the camera angle of a defendant's taped confession the number of photos in a mug shot book or a simple word choice during a cross examination In Unfair Benforado shines a light on this troubling new field of research showing for example that people with certain facial features receive longer sentences and that judges are far more likely to grant parole first thing in the morning Over the last two decades psychologists and neuroscientists have uncovered many cognitive forces that operate beyond our conscious awareness Until we address these hidden biases head on Benforado argues the social inequality we see now will only widen as powerful players and institutions find ways to exploit the weaknesses of our legal system Weaving together historical examples scientific studies and compelling court cases from the border collie put on trial in Kentucky to the five teenagers who falsely confessed in the Central Park Jogger case Benforado shows how our judicial processes fail to uphold our values and protect society's weakest members With clarity and passion he lays out the scope of the legal system's dysfunction and proposes a wealth of practical reforms that could prevent injustice and help us achieve true fairness and equality before the law

Encyclopedia of Gangs Louis Kontos, David C. Brotherton, 2007-11-30 In light of Los Angeles gang state of emergency ethnic and minority gangs are arguably more high

profile now than at any other time in our history News media typically focus on the crime and violence associated with gangs but not much else This encyclopedia seeks to illuminate the world of gangs including gang formations routine gang activities aberrations and current developments One hundred essay entries related to gangs in the United States and worldwide provide a diffuse overview of the gang phenomenon Each entry defines and explains the term provides an historical overview and explains its significance today As the following entries demonstrate gangs are part of the fabric of American society They are not only in our communities but also our schools and other social institutions Understanding the world of gangs is therefore needed to understand American society Entries include Bikers Bloods Cholas Crips gang mythology gang warfare graffiti Hell s Angels Hong Kong Triads Latin Kings law enforcement occultic gangs mafia media prison gangs rites Skinheads Streetgang Terrorism Omnibus Prevention Act tattoos trafficking Wanna bes West Side Story Witness Protection programs and youth gangs

Hex and Fortune Investigate (Book One) Aline Riva,2015-09-27 Book One in a new series of adventures telling the tale of psychic detective Aidan Hex and his partner Ivy Fortune and their encounter with kind but lustful ghost Tripp a Victorian spirit with more than a few incubus tendencies After fate throws Hex and Fortune together with Tripp the three of them will form a team investigating cases that will take them deeper and deeper into the mysterious sometimes frightening and sometimes humorous world of the paranormal Book One sees Hex and Fortune helped along by Tripp encounter all manner of the unknown including a murder victim an evil lake spirit a doppelganger and a phantom car driven by a demon whilst Ivy falls in love with Hex and Hex must come to terms with the fact that his new friend Tripp walked abroad on Halloween and is the father of Ivy s unborn child What follows will bond the three of them together as a family as their investigations will lead to uncovering fascinating tales of the supernatural

Let's Go (so We Can Get Back) Jeff Tweedy,2018 Wilco singer songwriter Jeff Tweedy tells stories about his childhood in Belleville Illinois the St Louis record store rock clubs and live music circuit that sparked his songwriting and performing career and the Chicago scene that brought it all together He discusses his collaborators in Uncle Tupelo Wilco and more and writes lovingly about his parents wife Susie and sons Spencer and Sammy

Get Up Mum Justin Heazlewood,2018-05-21 It s 1992 in Burnie Tasmania and 12 year old Justin lives alone with his mum When she is well Mum is perfect She knows he likes his carrots raw and his toast cooled and she knows how to sooth his growing pains But when she is sick she cries uncontrollably and never gets out of bed High school is on the horizon and Justin is bursting with adolescent energy But his mum s mental illness hangs over him like a shadow and he feels the need to grow up fast Told with youthful exuberance Get Up Mum is a wildly endearing entertaining and incredibly powerful memoir about love family and coming of age

Changeling Winds Angela White,2012-12-12 Angelica is Out of Time Terrified of snapping and killing innocent people the furious teenager signed up for the games She came to New Network City to find peace either by winning or dying The fight for freedom that her cousin Candice started may cause a revolution but Angelica won t be a part of it unless she can summon the strength to conquer herself Jason is Not

a Submissive Bachelor Jason was sold to the Network after witnessing the murder of his family He remembers his loving parents his freedom He is a rebel who desperately wants to join Baker in the safe zone With inside information to get him accepted all Jason needs is an escort through the post apocalyptic wastelands of New America Who better to protect him on that adventure than an honorable Pruett What he doesn't count on is the love that the infamous family gives to their males Will Jason be able to resist Angelica's charms or will he succumb to their romance and accept his legal place as her slave Sharing Control is No longer an Option Angelica and Candice aren't prepared for the Network's determination to eliminate both of them The Council has kept control for centuries with bread and circuses that have bloated an entire nation with fear and distraction Realizing they might be about to lose it all the enemy has decided to use this moment to free itself of not only the wild Pruett's and rebel males but also their sister council in the west The Network wants control over the warheads still hidden there to use against the north From there maybe against the rest of the world The rules of the past were well learned Those who have the power make the rules Will the Changeling Winds blow in favor of autonomy or autocracy

Masquerade Me E. M. McConnell, 2023-10-01 This is the seventh poetry collection from the poet E M McConnell Masquerade Me takes you on a journey through masks roles and ideas Who are we under the masks What did we leave behind Then we step back into myth and idea with Magic Me packed with poetry about Druidry Paganism and the soul Morph Me then looks at how we have been changed how love impacts us and how we as people create sparks inspiration and longing as we pass through our lives Finally Mellow Me is poetry about the quiet moments in life the moments that make us smile sing and sigh **Quake City** St John Karp, 2020-08-11 Andre met his best friend Amy on a night like tonight The way Amy tells it she had to stop him from climbing over the bar at Auntie Bob's to punch the bartender though if you ask Andre he'll say What That never happened I don't even know what you're saying to me right now Now Amy is worryingly missing in action and Andre goes to Auntie Bob's on a quest to find her No sooner does he walk in with his depressingly heterosexual date than his best hat is spirited away by a lesbian in the throes of breaking up with her girlfriend She in turn has it stolen from her when she starts a fight with two twinks at the bar The hat makes its way around Auntie Bob's from one head to another giving glimpses into the dozens of stories playing out at the same time unaware of each other but colliding in catastrophic ways Can Andre find Amy before this party devolves into a nightmare of broken hearts malevolent drag queens and spontaneous human combustion Or has it always happened this way every night at Auntie Bob's Quake City Club **The**

Road to Hell Julian Sher, William Marsden, 2010-06-11 In this definitive up to the minute account of the Hells Angels in Canada two veteran journalists investigate why the recent imprisonment of feared biker leader Maurice "Mom" Boucher is too little too late By the spring of 2002 Boucher was safely in prison but the Hells Angels had grown to 37 chapters with close to 600 members across the country They had taken over the drug trade and continued their rapid expansion into Ontario with a recent high profile enlistment or patchover of 168 members from other gangs In Winnipeg gang warfare turned ugly as the

Hells muscled out the competition and firebombed a policeman s home In Vancouver they secured a stranglehold on smuggling in the all important West Coast port The Road to Hell is the story of how the Hells have taken over the Canadian crime scene how politicians dithered while overburdened prosecutors burned out and lost major cases how police brass squabbled while a handful of dedicated cops worked years to amass their evidence how a few citizens stood up the bikers and paid for that bravery with their lives Murder plots drug deals money laundering and assassinations are brought to life through never before revealed police files wiretaps and surveillance tapes In gripping prose the authors tell all about Boucher s war on the justice system how he finally lost in Quebec thanks in part to Danny Kane a reluctant biker turned informer but how across Canada the Hells have succeeded in building a national crime empire The RCMP and then the police in Montreal would run Danny Kane as one of the most successful and most secretive agents ever to infiltrate organized crime Kane would climb all the way to the top from a lowly hangaround to a trusted confidante of the Quebec Nomads the elite chapter led by the top Hells Angels lieutenants of Maurice Mom Boucher And through his entire six year career as a spy few people even inside the police would ever know about his dangerous double life from The Road to Hell Pathfinder Tales: City of the Fallen Sky Tim Pratt,2015-08-18 Once a student of alchemy with the dark scholars of the Technic League Alaeron fled their arcane order when his conscience got the better of him taking with him a few strange devices of unknown function Now in hiding in a distant city he s happy to use his skills creating minor potions and wonders at least until the back alley rescue of an adventurer named Jaya lands him in trouble with a powerful crime lord In order to keep their heads Alaeron and Jaya must travel across wide seas and steaming jungles in search of a wrecked flying city and the magical artifacts that can buy their freedom Yet the Technic League hasn t forgotten Alaeron s betrayal and an assassin armed with alien weaponry is hot on their trail From Hugo Award winner Tim Pratt comes a new fantastical adventure set in the award winning world of the Pathfinder Role playing Game At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
