Screaming With The Cannibals:

Screaming with the Cannibals Lee Maynard, 2003 Screaming with the Cannibals gets its title when the central character of Crum whose Christian name is revealed in this novel finds himself in an evangelical service in Kentucky on the other side of the Tug River from his native West Virginia As the folks touched by the Spirit rave and howl he remembers how back in Crum the folks used to tell him to stay on his side of the river because the people on the other side were known to eat their children And now here he is in a Kentucky holy roller church screaming right along with the cannibals Since the first novel our protagonist has visited the West Virginia holler where his family lived before he moved up to the greater sophistication of Crum and there he discovers that his favorite uncle has disappeared from the face of the earth in a moon shining accident He then meets the girls who makes the earth or at least the hay loft move for him and quite literally he falls for her From there he goes to Kentucky and then to Myrtle Beach where he gets hired as a life guard although he cannot swim a stroke BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **CANNIBALS** Jeff
