Scripture Account Of The Faith And Practice Of Christians 1843

Kristin Waters, Carol B. Conaway

Scripture Account Of The Faith And Practice Of Christians 1843:

Black Women's Intellectual Traditions Kristin Waters, Carol B. Conaway, 2022-11-21 A new edition of a landmark work on Black women's intellectual traditions. An astonishing wealth of literary and intellectual work by nineteenth century Black women is being rediscovered and restored to print. In Kristin B. Waters's and Carol B. Conaway's landmark edited collection *Black Women's Intellectual Traditions*, sophisticated commentary on this rich body of work chronicles a powerful and interwoven legacy of activism based on social and political theories that helped shape the history of North America. *Black Women's Intellectual Traditions* meticulously reclaims this American legacy, providing a collection of critical analyses of the primary sources and their vital traditions. Written by leading scholars, this book is particularly powerful in its exploration of the pioneering thought and action of the nineteenth century Black woman lecturer and essayist Maria W. Stewart, abolitionist Sojourner Truth, novelist and poet Frances Ellen Watkins Harper, educator Anna Julia Cooper, newspaper editor Mary Ann Shadd Cary, and activist Ida B. Wells. The volume will interest scholars and readers of African American and women's studies, history, rhetoric, literature, poetry, sociology, political science, and philosophy. This updated edition features a new preface by the editors in light of current scholarship. *Faith and Practice, Illustrated and Enforced in Twenty Four Sermons* Thomas Sheppard (Rector of Clerkenwell.), Rev.
