such as Francis de Sales John of the Cross C S Lewis Flannery O Conner Marten Luther and Soren Kierkegaard Each letter concludes with a Scripture Meditation Thought for the Day and Prayer Ascetic Pneumatology from John Cassian to Gregory the Great Thomas L. Humphries Jr., 2013-10-24 Ascetic Pneumatology from John Cassian to Gregory the Great presents three interconnected arguments The first argument concerns scholarly readings of antiquity there are developments in 5th and 6th century Latin pneumatology which we have overlooked Theologians like John Cassian and Gregory the Great were engaged in a significant discussion of how the Holy Spirit works within Christian ascetics to reform their inner lives Other theologians like Leo the Great participate to a lesser extent in a similar project They applied pneumatology to theological anthropology Thomas L Humphries Jr labels that development ascetic pneumatology and beings to track some of the late antique schools of thought about the Holy Spirit The second argument concerns the reception of Augustine in the two centuries immediately after his death different people read Augustine differently Augustine s theology was known and understood to varying degrees in various regions Humphries demonstrates significant engagements with Augustine s theology as it was relevant to Pelagianism evidenced in Prosper of Aquitaine as it was relevant to Gallic Arians evidenced with the L rinian theologians and as it was relevant to African Arians and certain questions posed of Nestorianism evidenced with Fulgentius of Ruspe Instead of attempting to rank various theologians as better and worse Augustinians Humphries argues that there were different kinds of Augustinianisms even in the years immediately after Augustine The third argument concerns Gregory the Great and his sources Once we see that ascetic pneumatology was a strain of thought in this era and see that there are different kinds of Augustinianisms we can see that Gregory depends on both Augustine and Cassian In the closing chapters Humphries argues that Gregory uses Cassian s ascetic pneumatology and this allows Gregory s synthesis of Cassian and Augustine to stand in greater relief than it has before The study begins with Cassian ends with Gregory and is attentive to Augustine throughout Scripture in Doctrinal Dispute Frances M. Young, 2024-08-13 How did Scripture function in early arguments about doctrine Historical criticism has revealed a gap between scripture and the mainstream doctrines that define Christianity today Not the least of these are the Trinity and two natures of Christ widely accepted since the fifth century but seemingly unfounded in historical readings of Scripture How did these dogmas become so integral to the faith in the first place Frances M Young tackles this monumental question in a culmination of decades of biblical and patristic research The second of two volumes Scripture in Doctrinal Dispute illuminates the role of biblical hermeneutics in the debates that forged Christian dogma on the nature of God Young shows how the theological commitments to God as the sole creator of all else from nothing shaped fourth and fifth century disputes over Christology and the Trinity Played out in the great councils of the fourth century and beyond these conflicts drove the need to discern doctrinal coherence in scripture The different sides relied on different prooftexts and the rule of faith served as the criterion by which scriptural interpretation was measured thereby forming the basis of the creeds Nuanced and ecumenical Scripture in Doctrinal Dispute

completes Young's magnum opus closing the gap between scripture and Christian tradition Young's magisterial study holds widespread implications for not only patristics but also exegesis and systematic theology

The Doctrine of the Incarnation Opened Edward Irving, 2023-08-31 In *The Doctrine of the Incarnation Opened* an abridgement of Edward Irving's 1792-1834 sermons readers have fresh access to and insightful comment on Irving's distinctive views regarding the person of Jesus Christ The book follows the sermons in a logical progression the goal and method of the incarnation the events of the incarnate life and the death of Christ and the effects of the incarnation For Irving God the Son's assumption of a fallen human nature was of the utmost importance and garnered most attention This view also dominates Irving's soteriology according to which the incarnate Son takes over the human will reforming the very origin of sin and offers obedience to the Father as a sacrifice of praise Irving's radical Christological thought informed the thinking of notable theologians such as John McLeod Campbell Thomas F Torrance and Karl Barth With an introduction by G McFarlane and a critical response by J D Cameron *The Doctrine of the Incarnation Opened* provides an accessible format to engage with Irving's influential thoughts and ideas

Margaret Avison one of Canada's premier poets is a highly sophisticated and self-conscious writer both charming and intimidating at the same time She calls to mind her more famous predecessors the religious poets George Herbert Gerard Manley Hopkins and T S Eliot as she vigorously engages both heart and intellect She has forged a way to write against the grain some of the most humane sweet and profound poetry of our time write the judges of the 2003 Griffin Poetry Prize

Becoming a Christian in her mid forties her life and her vocation were transformed and her lyrics record that shift In *Muse of Danger* she writes to Christian college students But in His strange and marvelous mercy God nonetheless lets the believer take a necessary place as a living witness in behavior with family and classmate and stranger in conversation or in a poem How she blends her twin passions of poetry and Christian faith becomes a story of a kind of perseverance Readers who respond with understanding and empathy recognize both the distinctive mystery of poetic witness and the mystery inherent in Christ's saving work to which it points Her enduring witness becomes an implicit call for us to persevere in what Avison identifies as the mix of resurrection life and marred everyday living
