Bowker's Complete Video Directory 2001 , 2001 *Challenging Contextuality* , 2024-07-31 Challenging Contextuality Bibles and Biblical Scholarship in Context provides a new and innovative contribution to the study of biblical texts by bringing together current approaches to biblical interpretation The volume sets the agenda for the future of the field and provides a synthesis of approaches to date In doing so it aligns itself with the broadly shared hermeneutical conviction that contextuality is a catalyst for interpretation This applies in equal measure to approaches and methods that are often framed as traditional or mainstream e g the methodological canon of the historical critical approach as the offspring of the European Enlightenment and those that are often dubbed contextual e g forms of feminist or indigenous interpretation The volume grounds contextual biblical interpretation within the broader landscape of biblical studies and the chapters are all interested in the contexts in which bibles are read Rather than a series of examples of contextual biblical interpretation this book is concerned with what it means to do contextual biblical interpretation how contextual biblical interpretation challenges biblical scholarship and what chances there are for this mode of inquiry What contexts are engaged and elucidated when it comes to bible use What contexts are made visible and invisible How can different contexts be theorized and understood The volume argues that it is not context that matters rather contemporary contexts should be a challenge and a chance for biblical scholarship its present and its future **Catalog of Copyright Entries. Introducing Story-Strategic Methods Robert Strauss, 2017-03-17 The purpose of Introducing Story Strategic Methods is to awaken us in the cross cultural context Our natural tendency is to be asleep to our own cultural values and core worldview assumptions This tendency applies as well to our expectations in the cross cultural context For example in what ways would a justice pattern of culture orient our speech and behavior To what degree is a justice pattern of culture different from an honor pattern of culture The book asserts that culture matters in effective communication Going further to what degree does a story told from the Bible nullify the power of culture Often we assume that the biblical story trumps culture It does not The book affirms rigorously that culture is much more powerful than we first suppose If in fact culture trumps the biblical story Therefore understanding and skills are required for effective engagement across cultures Strategic storytelling is a twelve step methodology that addresses the problems of miscommunication and syncretism that plague the cross cultural context It offers a step by step solution that promises success Insights are firmly rooted in Scripture and equally grounded in empirical research from the social sciences The stories told throughout the book are true The answers are compelling
