Men Women And Ghosts By Elizabeth Stuart Phelps:

Men, women, and ghosts. By Elizabeth Stuart Phelps Elizabeth Stuart Phelps, 1869 **Men, Women, and Ghosts** Elizabeth Stuart Phelps, 2022-05-11 Reprint of the original first published in 1869 *Men, Women, and Ghosts* Elizabeth Stuart Phelps Ward, 2022-03-02 *Men Women and Ghosts* is a short story collection by Elizabeth Phelps that deals with primarily the supernatural but also a whole host of topics never publicly addressed at the time. Apart from a few stories such as *The Day of My Death* the ghosts here aren't the stereotypical clanking chains and wailing type they're beleaguered frustrated souls who have suffered great hardship. One of the *Elect* reads like a changeling story but gradually becomes a tale dealing with sentimentality and the pains of prostitution. One of the strongest tales is *Kentucky's Ghost* an old sailor's tale of bullying and revenge at sea combined with a compelling and gripping narrative. Elizabeth Stuart Phelps Ward 1844-1911 was one of the first feminist American writers of the 19th century who vehemently opposed the traditional view of women in society. Much of her views are expressed in her novels targeting the oppressive contemporary view of marriage and the family unit. Even her marriage to Herbert Ward a journalist seventeen years her junior was another act of rebellion against the status quo. Her novels are primarily focused on the topics of religion and equality mixing spiritualist themes with poignant social issues. She was a prolific author of more than 50 volumes of fiction, essays, and poetry. Phelps' most popular works include *The Gates Ajar*, *Trixy*, *Men Women and Ghosts*, and *The Silent Partner*. *Men, Women, & Ghosts by Elizabeth Stuart Phelps*, 2006 **Men, Women, and Ghosts** Elizabeth Stuart Phelps, 2011-11 This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide. Women were intrinsically bound to the occult and the esoteric from mediums who materialised spirits to the epiphanic experiences of the New Woman from theosophy to telepathy. This volume addresses the various ways in which Victorian women expressed themselves and were constructed by the occult through a broad range

of texts By examining the roles of women as automatic writing mediums spiritualists authors editors theosophists socialists and how they interpreted the occult in their life and work the contributors in this edition return to sensation novels ghost stories autobiographies s ances and fashionable magazines to access the visible and invisible worlds of Victorian life The variety of texts analysed by the authors in this collection demonstrates the many interpretations of the occult in nineteenth century culture and the ways that women used supernatural imagery and language to draw attention to issues that bore immediate implications on their own lives Either by catering for the fad of ghost stories or by giving public trance speeches women harnessed the metaphorical and financial forces of the supernatural As the articles in this book demonstrate the occult was after all a female affair This book was published as a special issue of Women s Writing The Literature of Lesbianism Terry Castle,2003 Since the Renaissance countless writers have been magnetized by the notion of love between women This anthology registers that fact in as encompassing and enlightening a way as possible Castle explores the emergence and transformation of the idea of lesbianism
