Still Death Tim Hoy, 2017-04-11 What happens when a detective falls in love with a homicide suspect In this razor sharp psychological thriller set in London s gleaming art world more than one life may depend on the answer A serial killer has struck again London s already on edge And Detective Inspector Tessa Grantley doesn t have a clue The Execution Murderer certainly has a type young beautiful blondes Other than that there s nothing linking the victims and the killer has the unfortunate habit of leaving the scene without a trace When Tessa meets a handsome and talented artist named Alec Hanay she decides to take one night off from investigating murder to attend the opening of his latest show Clad in a new frock and giddy with excitement Tessa enters the gallery hoping to catch Alec s attention But as she browses the art catalog Tessa is stunned into silence Staring back at her painted in all their brutal glory are the victims of the Execution Murderer Once he s arrested Alec claims that he s been set up and pleads with Tessa to save him from a wrongful conviction She s torn because the paintings are the only evidence pointing to him But as Alec s trial reveals his unsavory side she wonders if sexual attraction even love is clouding her judgment and the real killer is still on the streets If she wants to find out she just might be the next victim

Vanished Armies AE Haswell Miller, John Mollo, 2013-01-20 In the years immediately before the First World War Archibald Haswell Miller a young artist travelled Europe to study painting While he was there he indulged his other great interest the military On his travels he observed first hand the soldiers of the European Armies in the last days of the colourful and elaborate uniforms that were giving way to grey and khaki across the continent Realising that this was a great military heritage that was slipping away he set out to record these splendid uniforms In those uncertain days before the assassination of the Archduke Ferdinand in Sarajevo Haswell Miller sketched and painted hundreds of figures each wearing a different uniform from the armies of Britain Germany France Austria Hungary Belgium Holland Italy Portugal Russia Spain and Sweden Just before the First World War the paintings were exhibited in Leipzig and it seemed they might be published But when war broke out they were returned home and lay forgotten for nearly one hundred years Now published together at last they represent a unique record of the uniforms of the last great age of military dress Accompanied by in Haswell Miller s own words notes and memories of the days before the lights went out in Europe in

the year 1914 this is a book of great historical importance **Cuestión de honor** Jeffrey Archer, 2021-11-24 Parece algo de lo más inocente Un coronel británico caído en desgracia le llega una misteriosa carta a su único hijo Sin embargo en el momento en que Adam Scott abre el sobre amarillento se pone en marcha una cadena de acontecimientos que podrá llegar a sacudir los cimientos del mundo libre En pocos días Adam se encontrará en plena huida por las principales ciudades de Europa tras el brutal asesinato de su amante No solo lo persigue el KGB sino también la CIA y sus propios compatriotas El objetivo de todos ellos es matarlo antes de que la verdad salga a la luz Mientras hombres poderosos en cuartos llenos de humo de tabaco trazan planes cada vez más ingeniosos para acabar con su vida Adam se ve traicionado y abandonado incluso por sus seres más queridos Cuando por fin llegue a comprender el alcance de lo que tiene entre manos solo le restará la determinación de protegerlo pues se trata de algo más que una cuestión de vida o muerte se trata de una cuestión de honor

Martín Fierro José Hernández, Henry A. Holmes,2021-05-21 Mart n Fierro An Epic of the Argentine 1923 is an epic poem and accompanying scholarship by Jos Hernandez and Henry A Holmes Originally published in two parts the poem has been praised as a defining work of Argentine

literature for its depiction of national identity in relation to the gaucho culture which was used to consolidate the historical and political image of the country against European influence Unlike many of his contemporaries Hernández was a writer who grew up in a ranching family who knew firsthand the prowess of a people who helped Argentina free itself from Spanish control Martín Fierro is a masterpiece of Spanish language literature that continues to define and inform Argentine culture today In this text scholar Henry A Holmes translates parts of the poem while contextualizing it alongside works of Hernández's predecessors In addition Holmes provides invaluable information on the poet's life discusses the significance of the gaucho in Argentine literature and investigates the portrayal of the indigenous peoples of Argentina in the poem With a beautifully designed cover and professionally typeset manuscript this edition of José Hernández and Henry A Holmes Martín Fierro An Epic of the Argentine is a classic of Argentine literature reimagined for modern readers Un fracaso heroico Fintan O'Toole,2020-02-17 Al explorar las respuestas a la pregunta Por qué Gran Bretaña votó irse O'Toole se encuentra descubriendo cómo mentiras periodísticas triviales se convirtieron en obsesiones nacionales nada triviales cómo la indiferencia hacia la verdad y el hecho histórico han definido el estilo de toda una política cómo un país colonialista se está redefiniendo como una nación oprimida que requiere liberación También discute la atracción fatal del fracaso heroico una vez un culto autocrático en un imperio de gran éxito que bien podía permitirse el desastre ocasional Ahora el fracaso ya no es heroico es solo un fracaso y sus terribles costos serán asumidos por los partidarios más vulnerables del Brexit y por aquellos que pueden sufrir las consecuencias de una frontera dura en Irlanda Replicante ,2007 *The Pocket Oxford Dictionary of Current English* Henry Watson Fowler,1928 **The Illustrated London News** ,1918 **The Little Book of Norwich** Neil R Storey,2015-04-06 The Little Book of Norwich is an intriguing fast paced fact packed compendium of places people and events in the city from its earliest origins to the present day Here you can read about entertainment sport industries military history transport death and religion crime and punishment the coast rivers and waterways Also included are some of the great men and women the eccentrics and the scoundrels with which the city's history is littered Those curious enough to open this book will be entertained and enthralled and never short of some frivolous fact to enhance a conversation or quiz Dip in at random or sit back and enjoy there are no rules Who's who in the Theatre Ian Herbert,Christine Baxter,Robert E.
