Best Friends Terri Apter,Ruthellen Josselson,2010-02-10 Best Friends provides the missing link to understanding and recognizing the impact of some of the most important relationships in girls and women s lives Every woman remembers the sting of betrayal of a girlfriend and every parent of a daughter has seen her come home from school in tears because a girl she thought was her best friend suddenly and inexplicably became her enemy While boys hash out differences with fists and kicks girls societies are marked by secrets and whispers and shifting affection The lessons learned as an adolescent girl are often carried into adulthood making women fear confrontation especially with other women But the intensity of the struggles reflects the support and healing to be found within these friendships Girls find themselves in the mirror of other girls hence the power each has to influence the other Ruthellen Josselson and Terri Apter s many years of working with hundreds of girls and women have given them insight into the emotionally important relationships that are integral to a girl s self image Best Friends explores the bonds of friendship between girls and between women and the sorrows and joys they experience together from early adolescence and throughout their lives Best Friends Forever Irene S. Levine,2009-09-01 Men jobs children personal crises irreconcilable social gaps these are just a few of the strange and confusing reasons which may cause a female friendship to end No matter the cause the breakup of a female friendship leaves a woman devastated and asking herself difficult questions Was someone to blame Is the friendship worth fighting for How can I prevent this from ever happening again Even more upsetting is that women suffering from broken friendships often have no one to confide in while the loss of a romantic partner garners sympathy among peers discussing the loss of a platonic friend is often impossible without making other friends jealous or uncomfortable Written by journalist and psychologist Irene Levine Ph D Best Friends Forever is an uplifting and heroically honest book for abandoned friends seeking solace Dr Levine draws from the personal testimonials of thousands of women to provide anecdotes and groundbreaking solutions to these complicated situations Offering tools for personal assessment case stories and actionable advice for saving ending or re evaluating a relationship Levine shows that breakups are sometimes inevitable Although the dissolution of female friendships can be difficult Best Friends Forever teaches women to stop blaming themselves and probing the wounds and that the sad experience of a broken friendship can make them stronger people and more able to handle their relationships with wisdom
