Creative Bible Lessons in Revelation Randy Southern,2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers You try to convince yourself that the apostle John is just another New Testament writer kindly gentle loving You know normal But he s just so weird Most of the time you have no idea what John is talking about in his revelation When you must interact with his wild otherworldly book you escape as soon as you can to familiar saner Bible texts Like Matthew s Gospel or one of Paul s letters after all they straight up tell you what Jesus did and what you should do Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St John wasn t so much a crazy guy as he was a visionary inspirational and worshipful guy And you don t have to subscribe to any pre or post eschatology theory in order to learn all sorts of good stuff from the apostle So while these 12 sessions complete and ready to teach won t help your students identify who the antichrist is or give them the coordinates of Armageddon s opening salvos they will however acquaint your youth group with the mysterious nature of Revelation then demonstrate how these apocalyptic principles actually provide practical application for us today Here s what s inside every session Detailed overviews for clear convenient prepping Intriguing activities and games with a point that introduce that session s topic Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups Application exercises

[The Spiritual Leader's Guide to Self-Care](#) Rochelle Melander, Harold Eppley, 2002-02-01 As spiritual guides, clergy and lay leaders alike often find themselves in need of direction about how to make changes in their personal life and ministry. Rarely, however, do they find a book that presents self-care as an integral part of being a spiritual leader. [The Spiritual Leader's Guide to Self-Care](#) gives readers the tools to discern God's intention for their lives and to be faithful to that vision through proper self-care. Arranged in 52 chapters, one for each week of the year, the guide addresses seven themes: Creating a Life Vision, Caring for Yourself at Work, Nurturing Your Relationships, Caring for Your Spirit and Body, Caring for Your Finances, Caring for Your Intellect, and Sustaining a Life Vision. Included are journal writing suggestions, personal reflection questions, and activities for guidance for sharing the discovery process with another person, an activity for the coming week, and suggested further resources such as novels, videos, and Web sites. **Words of Life Leader Guide** Adam Hamilton, 2020-12-29 Nearly everyone has heard of the Ten Commandments, the list of thou shalt nots found in the Bible. Jesus saw these commandments not as onerous burdens but as guideposts to help us experience a good and beautiful life. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou shalt not was intended to point to a life-giving thou shalt. He also explores how the latest research in science and psychology illuminates these commandments, rightly understood as a way of ordering one's life beautifully in the present day. In a culture marked by workaholic materialism and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace. [The Leader Guide](#) contains everything needed to guide a group through a six-week Lenten study or a more in-depth ten-session study, including session plans, activities, and discussion questions. *Mission Shaped Living Leader's Guide* John McGinley, 2020-08-01 More than just a tool box of how to do evangelism, *Mission Shaped Living* will build spiritual practices, vision, hope, and confidence into your life so that sharing God's love with others becomes a joy and not a burden. Society has shifted, and the way mission was done in the past is no longer effective. Structured over eight sessions, this leader's guide accompanies the *Mission Shaped Living Participant's Guide* to provide everything needed to run the course. *Mission Shaped Living* gives
