The Heart of Faith Norman Berger, 2023-07-01 If you're looking for a way to grow in faith and grow in Christ this book is for you. Is your faith feeling faint? Are you looking to get back into God's Word but don't know where to start? Specific sections of Scripture have been held dear by believers over countless generations and it's in this heart of the Bible that you can refresh your faith. The Heart of Faith contains reflections and devotions on favorite chapters from the Bible and focuses on these core concepts of Christianity: Forgiveness of sins, Jesus' earthly ministry, Jesus' death and resurrection, Salvation for all who believe. In this devotional book you'll explore these life-giving themes as found in Psalm 51, Mark 15, Luke 2 and other parts of the gospels. You'll also be encouraged to put your faith into action through helpful personal application sections. Read these precious passages and let The Heart of Faith transform your understanding of what it means to follow Jesus. **100**

Chakra System Raven Shamballa, 2019-07-23 The 100 Chakra System is a revolutionary spiritual work. When all 7 chakras are open and flowing you are functioning at optimal. When you are cleared up to the 100th chakra you are illuminated with Divine light and on the path of Ascension. Raven defines the anatomy of the energy body which includes 100 chakras and the anatomy of the Lightbody which contains our Higher Self. New concepts are discussed like the differences between opened and closed chakras and the concept of negative energies. Raven defines types of negative energies that can disrupt energy flow in the chakra system. Raven introduces psychic development and how to open spiritual gifts. She speaks about the differences between clearing the chakras and meditation. In order to channel one's guides the spiritual chakra need to be activated and the 100 chakras need to be cleared. Negative Energy Release Work is a style of pranic healing taught by Raven which is introduced here. The self-healing section provides a self-study course for you to start your own energy healing practice. The 100 Chakra System book is the foundation work for Raven's psychic development courses and introduces concepts that are explored in her work. **From the Enemy's Point of View** Eduardo Viveiros de Castro, 2020-05-02

The Arawet are one of the few Amazonian peoples who have maintained their cultural integrity in the face of the destructive forces of European imperialism. In this landmark study anthropologist Eduardo Viveiros de Castro explains this phenomenon in terms of Arawet social cosmology and ritual order. His analysis of the social and religious life of the Arawet, a Tupi-Guarani people of Eastern Amazonia, focuses on their concepts of personhood, death, and divinity. Building upon ethnographic description and interpretation, Viveiros de Castro addresses the central aspect of the Arawet's concept of divinity: consumption, showing how its cannibalistic expression differs radically from traditional representations of other Amazonian societies. He situates the Arawet in contemporary anthropology as a people whose vision of the world is complex, tragic, and dynamic, and whose society commands our attention for its extraordinary openness to exteriority and transformation. For the Arawet, the person is always in transition, an outlook expressed in the mythology of their gods whose cannibalistic ways they

imitate From the Enemy's Point of View argues that current concepts of society as a discrete bounded entity which maintains a difference between interior and exterior are wholly inappropriate in this and in many other Amazonian societies **Urban**
