Matthew McHenry,2013-02 I was no longer controlled by the emptiness anger drugs alcohol pill abuse and all my old worthless ways The first year after I decided to become a Christian was difficult confusing and lonely I steered away from my fake friends went to church alone and started my search for the truth by studying all religions Empty empty was a regular feeling I had felt haunted by since I was a young child feeling like I had no purpose in life My journey began figuring out what religion is right and what exactly is in the Bible Who is God What is he all about What am I going to have to do in order to go to Heaven and please God The experience began as I discovered what the Bible said and what people who claimed to be Christians said were usually two different things You are just going to have to do something Matt You re not going to get a good job and you just need to take something for even minimum wage to have something They also said statements of defeat where I wondered if I had the same Bible they read at all I didn t believe the contradictions I found ministries that took the Bible for what it said as they believed for better lived better and they talked with confidence They took seriously the task of gaining wisdom to eat right talk right study and to expect the promises of God to his followers Released is for the unbelieving and those experiencing Christian confusion Take my experiences and the setbacks I had to overcome to motivate your own life God can forgive anything and he is the only thing in this world that will never let you down because they will The acceptance of Jesus is the best decision we can ever make I am living proof The New Rebellion Handbook GRQ, Inc.,
